February 26th, 2026  
Online Bull Sale

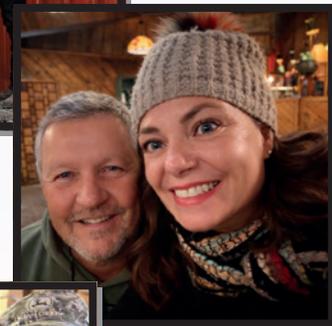

## Welcome...

*Through all the years, being a part of the cattle business. One word sums it up. Gratitude. Not only for the support we've been shown, but also for the fellowship, as we've traveled, good times and bad, down the cow trail. Sometimes great, sometimes seemingly, a bit of an endurance, lol. But always with the enjoyment of shared experiences with fellow cattlemen and common ground of our love of what we do. Very sad to have lost one of the best, friend and stockman, "Bull Sale Bill" Bill Bestrop. His family's breeding program was the highlight of our bred heifer sale in December. Hopefully he's got forever green pastures and great cows to watch over.*

*Another Great set of two year old bulls, bred and oriented to serve commercial cattlemen. Length and smoothness for calving ease and performance. Quality and maternal for success in production. Crossman's have powered in with another awesome set of Simm/Angus bulls, as well as a new department of purebred Angus bulls, sired by none other than Sitz Stellar. You can see the Crossman bulls at their ranch east of Rosetown.*

*Please reach out for a tour or info from either Keagan or myself. And if you're able, come join us February 26, 2026, as we'll have both the heat and the hospitality on, in the Loft at Benlock Farms*

Thanks again!  
Tom & Shawnda
