OFFERING: 41 YEARLING CHAROLAIS BULLS ~ 7 OPEN CHAROLAIS HEIFERS ~ 3 OPEN COMMERCIAL HEIFERS

## Welcome from Brimner Cattle Co.

What a great time to be in the cattle business! Record prices are a welcome sight after many years of hard work and low returns. With the outlook very positive, it is a great time to invest in good herdbulls.

We strive to raise sound, functional bulls with hair and lots of middle. Calving ease is very important. Selecting sires with calving ease paired with performance has resulted in this great pen of bulls. Environment has a huge impact on birth weight as we found out calving last February. In a long stretch of -30 weather, it gave us some surprises compared to other years. When you go through this pen of bulls you will see the consistency of the many half brothers. These are smooth made, attractive headed, soggy bulls. From power and performance to some great heifer bull options, we feel our sale has it.

We do calve a little later than most breeders, so having an April 11<sup>th</sup> sale presents these bulls at the right stage. These bulls are worth the wait!

We certainly appreciate your past support and hope to see you at the sale, or feel free to stop in for tour.

## Welcome from Wright Livestock Marketing

Welcome to a bull sale that is truly worth the wait, the Brimner Cattle Co. Annual Bull & Female Sale in Manor, SK.

**The bulls featured in this sale are what the Brimner program is renowned for – functional, masculine, soggy, loose made, structurally sound bulls with loads of hair standing on a good foot underneath them. They provide calving ease and pack performance, and are raised in a low maintenance, real world setting and developed to work in whatever environment you place them in. If you are looking to add some consistency to your calf crop, here is a great opportunity to add some half brothers to your bull battery. It is an elite offering of quality bulls!**

**The heifers featured in the sale are right from the very top of the replacement pen. We know that the Brimner crew does not offer their females up for sale often, so when the opportunity arises, you have to seize it. A lot of the heifers featured have sisters and mothers working in the Brimner program. The heifers themselves are feminine, functional with a focus on being developed for productivity. They sell open, so you get to make the choice of what breeding mating you want to fit your program. They possess the qualities to become your next foundation female for your herd.**

**The Brimner Cattle Co. Annual Bull & Female sale is worth the wait! The many repeat buyers who support the Brimner program year after year can attest to that. You are also dealing with the Brimner family, that are salt of the earth people who stand behind their program.**

**We hope to see you sale day, but if we can be of any service prior to sale, to answer any questions you have about the offering, please don't hesitate to contact us. We would love to provide you with assistance in sourcing that next key breeding piece to add to your herd.**

Sincerely,

*Wright Livestock Marketing*

# TERMS & CONDITIONS

**TERMS:** The terms of the sale are cash, cheque or e-transfer payable immediately after the sale. Settlement is in Canadian funds. The right of the property shall not pass until settlement is paid in full. All settlements must be made with the clerks of the sale before any cattle will be released. Current exchange rates will be announced on sale day.

**BIDDING:** Each animal will sell to the highest bidder. Bidders unable to attend the sale may phone their bids and instructions to the sale manager, auctioneer, or special representatives. Bids must be received prior to the sale, in a sufficient time frame.

**DISPUTES:** In case of disputes, bidding will be reopened between the parties involved. If no further bid is made, the buyer will be the person from whom the auctioneer accepted the last bid. The auctioneer's decision in such matters will be final.

**ANNOUNCEMENTS:** All announcements made from the auction block on sale day will take precedence over the printed material. Errors discovered in the catalogue will be corrected from the auction stand at sale time and such correction will take precedence over printed material in the catalogue.

**PURCHASER'S RISK:** Each animal becomes the risk of the purchaser as soon as sold. Animals will be cared for at the purchaser's risk for a reasonable length of time. All animals left with the seller must be insured.

**CERTIFICATE OF REGISTRATION:** Each animal will carry papers issued by the Canadian Charolais Association. A certificate of registry duly transferred will be furnished to the buyer after payment has been made.

**IN-HERD SEMEN:** Brimmer Cattle Co. reserves the right to collect semen on any bull sold through the sale. Semen collection will be at seller's expense and the buyer's convenience.

**BREEDER GUARANTEE:** Should any bull fourteen months of age or over fail to prove a breeder after being used on cows known to be breeders, the matter shall be reported in writing to the seller within six months following the date of purchase or six months after the bull has reached fourteen months of age. The seller has the right and privilege of six months to prove that the bull is a breeder. No guarantee is given that semen collected from the bull will freeze.

**EXCEPTION GUARANTEE:** In the case where the animal is subjected to any hormonal or surgical reproductive techniques after the sale, this guarantee shall be null and void. The seller is not responsible for damage caused by foreign bodies after the animal has been sold or for sickness not apparent at sale time. In no event shall the seller be responsible for more than the purchase price.

**INSURANCE:** Insurance will be available for purchase on sale day.

**DELIVERY:** Assistance will be given with making delivery arrangements after the sale. The purchaser agrees shipping arrangements will be at the convenience of the seller but will be as soon as practical after the sale, at the buyer's risk.

**ACCIDENTS:** Although every precaution will be taken to protect the safety and comfort of buyers, neither Brimmer Cattle Co., the auctioneer, sale staff or Wright Livestock Marketing Services sale management assumes no responsibility in the matter and disclaims any liability, legal or otherwise, in the event of an accident or loss of property.

**SALE MANAGER:** Wright Livestock Marketing Services Ltd. is acting only as a medium between buyer and seller and is not responsible for any failure on the part of either party to live up to his/her obligations, or for any warranties, guarantees or representations, expressed or implied. Wright Livestock Marketing Services Ltd. does not assume any financial obligations to collect or enforce collection of any monies between parties. Wright Livestock Marketing Services Ltd. assumes no responsibility for any credit that is extended by the seller to the buyer. The buyer must look to the seller for the fulfillment of any/all guarantees and representations made. Any legal action that may, in exceptional circumstances/cases, be taken are solely between the buyer and the seller.
