ON OFFER

RED & BLACK ANGUS
yearling & two-year old bulls
RED ANGUS
commercial heifers

BOARD & DELIVERY

\$250 credit per customer will be given to purchasers who take their bulls home on sale day. Bulls may alternately be boarded free of charge until May 1. All bulls returning to the farm MUST be insured. Insurance will be available on sale day. We encourage purchasers of two year old bulls to take their purchases home on sale day.

SIGHT UNSEEN PURCHASE PROGRAM

If you are unable to attend the sale but are interested in bulls, give any of the Buy the Beef Bull Sale consigners a call and they will personally go over the bulls and your program to recommend bulls that would meet your needs and refer you to one of the sale staff who will represent your needs in a professional and confidential manner.

EPD EXPLANATION

EPD's are "Expected Progeny Differences". They are a useful tool in selection. EPD's incorporate the individual animal with its averaged ancestry performance. EPD's do not compare across cattle breeds, they are individual based per breed. EPD's indicate a probable variance above or below breed average for that trait for a given bull's progeny. Use them for guidance in the direction you want your herd to go.

BULL DEVELOPMENT

The bulls are fed a corn silage based growing ration to allow expression of genetic potential. We strive for sound, functional and fertile cattle. We follow a strict vaccination program.

VOLUME DISCOUNT

2 bulls	2% discount
3 bulls	3% discount
4 bulls	4% discount
5 bulls	5% discount

Win your bull!

We are offering you a chance to WIN your BULL!!

- All buyers who pay \$8,000 and up for their bull will be entered in a draw for a chance to win their purchase back.
- Each qualifying bull tag will be put into the draw bin and at the conclusion of the sale, a winner will be drawn.
- If multiple bulls bought, only those \$8,000 and higher will be entered into the draw. Cannot use win against any other bull other than the one drawn.
- Credit will be given up to \$12,000 toward your bull purchase.

BUY THE BEEF

TUESDAY, APRIL 7, 2026

Welcome From JAS RED ANGUS

Another year has come and gone so quickly! Here we are gearing up for the 22nd Annual Buy the BEEF Bull Sale and are excited to help you find your next herd bull. As always, we have selected our best yearling and two year old bulls, and between JAS Red Angus, CAMO Cattle Co., Madsen Angus and Nolan Cattle Co. there is a large selection sure to suit your needs.

We will be drawing again for a chance for you to Win Your Bull, as we have done the last two years. Check out the poster in the catalogue for details.

Tyler Slawinski and Blaine Huston from the Gladstone Auction Mart did an outstanding job for us last year and we are excited to partner with them again for our sale. Thanks to Carey Lee for coming out to do our pictures. Erin from Yewsiuk Photography aims to please as she has done our videos and catalogue for us again.

We have been lucky this last year in that Leslie began working at home full time. Keegan has taken on a larger role as well and helped full time through the summer and then part time during the school year. It will be a different house again in the fall as he heads off to university. Tim and Ken continue to do good work for us and Jason and Doug work hard to keep all of the pieces moving forward.

We *may* have gotten carried away in our keeper pen so we're offering some of our fantastic sisters up for sale.

We strive for dependable and proven genetics year after year. We AI the majority to ensure we pick the traits of ease of calving and consistency. Our dams are feminine, productive and highly maternal. We are on a whole herd health program.

We are so appreciative for the consistent support you have all provided over these years. This sale wouldn't be a success without the continued support of our buyers, bidders, family and friends.

Invest in high quality seedstock to put more pounds on your calves and dollars in your pockets. Stop in or call anytime to talk bull power. See you on April 7 th in Neepawa or online at dlms.ca.

the McLaren Family

Welcome From CAMO CATTLE CO.

We are entering our tenth year of producing CAMO genetics and it couldn't be done without your support as a customer and the McLaren family for allowing CAMO to be part of this great event. Our family truly thanks all of our returning customers for your continued support of our program. If this is your first time picking up a Buy the Beef catalog we thank you and look forward to working with you. Buy the Beef Bull Sale is becoming one of Manitoba's most trusted source for red and black angus bulls.

Bulls are developed for performance and longevity in mind to go and thrive on your farm or ranch. Corn silage and super oat ratio along with hay is the main source of nutrition. Our catalog is nothing but a true representation of the bulls on offer. Once you see the bulls in person they will blow you away in the honesty in this offering. If CAMO won't use the bull, then he won't make the sale.

We are calving 100-110 mothers at CAMO and 250 in the commercial division in April/May. Currently we just hit 80 calves on the ground as I write this on a beautiful white winter day. You will see some ET bulls on offer this year. We plan to implant 15-20 embryos every year moving forward. Off farm our family has purchased Harris Pharmacy in Neepawa alongside two other local families. If you're in Neepawa stop in and say hello to Kristin and the friendly staff and explore the great little store.

Back by popular demand we have added a few groups of top end replacement heifers to the sale. April 7th 2026 in Neepawa at the Stride Exhibition Grounds will be a must attend event for Angus genetics and fellowship.

the Tibbett Family

Welcome From MADSEN ANGUS

MADSEN ANGUS

Welcome to the 22nd annual Buy the Beef bull sale. Once again would like to thank the McLarens for letting us tag along in their sale.

We are very pleased with our set of bulls this year. Sound, good footed and great dispositions. Holly has done a fantastic job feeding these guys this year. You know it's just about time to pass the torch when the student has surpassed the teacher.

Looking forward to seeing you all at the sale and also anxiously awaiting the end of calving season. It was easy last year from Phoenix, but this year I felt compelled to stay home and help Holly as she and Blake are in the family expansion phase. Stop in for a preview of the bull anytime.

Regards,
the Madsen crew

I had a weak moment last winter when I needed some cash, and I sold the dam of this great bull to my cousin Rhett Murray. Boy do I feel stupid. It's really hard to find a bull with this much calving ease and performance. Coming out at just 70lbs at birth and being the highest weaning calf this fall. He's a super easy doing bull with a great foot beneath his as well. I can't say enough good things about this calf. Be sure to check him out on sale day. Recommended for heifers or cows

Co-owned with our buddies at JAS, he is a long spined smooth made bull, he's out of the never miss Socialite cow with a perfect udder. Grand daughter went to Tullamore Angus in Ontario. We showed this calf at the Ag-Ex bull calf jackpot where he made it into the championship drive and was also Reserve Intermediate Bull calf Champion in the Angus show. This guy is very docile.

Welcome From NOLAN CATTLE CO.

Welcome to the Buy the Beef bull sale, first off Nolan Cattle Co would like to thank JAS Red Angus for letting us be a part of their sale along with Madsen Angus and Camo Cattle. We are very proud of our bulls on offer this year, these bulls will fit into anyone's program.

We would like to thank everyone who has supported us in the past year, whether it be bulls or the select females that we sell every year. We know these animals will go on to work very well in everyone's herds.

We had a successful fall show run and received Premier Breeder and Premier Exhibitor at Ag Ex in Brandon.

Ellie has continued to excel in the show ring and is becoming a great showman. She was Reserve Champion Showman in junior showmanship out of 40 + kids. She may even be better at showing cattle then her dad. Ellie is also an active member in the Carberry 4H beef club and is currently the vice president. We are very proud of her accomplishments.

Cash has become a true farm boy and will be in the showing in no time. Oaklynnne is living her best life on the sidelines being bossy and slowly becoming more comfortable with the cows.

We are on a whole herd health program. The bulls will have a shot of Fusoguard and Ivomec prior to sale day.

We are excited to see everyone sale day, feel free to reach out to us with any questions or stop in for a visit and view the bulls!

Recommended for Cows – Here is a larger framed bull with amazing width and thickness. Just the start of March calf that weaned at 710 lbs at the start of September. His sire has some of the best feet for a bull his age and this guy is going to be no different.

Recommended for Bigger Heifers and Cows – A bull born at the end of March and out of a first calf heifer and weaned off at a modest 560 lbs. A bull with a ton of hair, muscle shape and length. Don't let that birthweight scare you for heifers, he is smooth shouldered and has a tiny head and I would use him on my heifers.

Recommended for Cows – A bull with a little extra age to him and will be able to handle a few more cows. His dam aborted very early in pregnancy and then got bred with the commercial herd and calved at the end of May, so I held him over to sell as a long yearling. A moderate framed bull with a ton of muscling and thickness. He is just like his dam who was my smallest framed cow but has a ton of thickness and width.

TERMS & CONDITIONS

TERMS

The terms of the sale are cash, cheque or e-transfer, payable at par at the sale location. The right of property shall not pass until after settlement has been made. No invoicing on buyers in attendance unless previous arrangements have been made. All settlements must be made with the clerks of the sale before any cattle will be released. Current exchange rates will be announced sale day. All monies are in Canadian funds.

BIDDING

Each animal will sell to the highest bidder...no by-bidding will be permitted.

DISPUTES

In case of disputes, bidding will be reopened between the parties involved. If no further bid is made, the buyer will be the person from whom the auctioneer accepted the last bid. The auctioneer's decision in such matters will be final.

ANNOUNCEMENTS

All announcements made from the auction block will take precedence over the printed matter in the catalogue. Buyers are therefore cautioned to pay close attention to such disclosures.

CERTIFICATE OF REGISTRATION

The property Registration of Recordation paper, as the case may be, will be duly transferred and furnished to the buyer for each animal after settlement has been made. Transfers will be completed in a timely manner by the seller and a certificate will be issued after payment is completed.

PEDIGREE ESTIMATES

Pedigree Estimates (PE) are created on the projected mating of the animals sire and dam based on averages of the two, creating estimated values that do not hold the same accuracy of actual EPDs issued from the association and should be used as such.

LIABILITIES

All persons attend the sale at their own risk. The sellers, facility owner and sale manager assume no liability, legal or otherwise, for any accidents that occur.

RIGHTS AND OBLIGATIONS

The Buy the Beef Bull Sale consigners reserve the right to draw semen for in herd use on any of the bulls selling in the 2026 sale. If collecting semen, it will be done at the buyer's convenience and seller's expense. The above terms and conditions of the sale shall constitute a contract between the buyer and seller and be equally binding to both. Resale of animals following purchase in this sale shall constitute a separate transaction and the rights and obligations of the two parties connect there are not covered by the terms and conditions of this sale.

PHONE BIDS

Bidders unable to attend the sale may phone their bids and instructions to sales staff. Bids must be received in sufficient time prior to the sale.

DELIVERY

We will assist in arranging transportation wherever possible. Each animal becomes the risk of the purchaser as soon as sold.

INSURANCE

Will be available sale day. We strongly recommend that insurance is purchased for full value.

ERRORS

All announcements at sale time, written or oral, supersede any written material in the catalogue.
