CHAROLAIS BULL SALE

The Final

2:00 PM CST | FRIDAY

MARCH 13, 2026

AT THE FARM | VANSKOY, SK

Welcome

Sometimes it is very difficult to put our feelings into words. We are proud, yet humble, as we offer our last crop of bulls for ... final delivery. Many of you are aware that we sold the mature cowherd and heifer calf crop to two of Canada's premiere Charolais breeding establishments last fall. That decision was difficult but along with father time, a large workload with the inability to acquire competent help left the two of us with this large emotional decision.

Our family is truly steeped in Charolais history ... pioneers and builders of the breed. In 1955 the first Charolais arrived in Canada from the United States and Mexico, and by 1959 the Canadian Charolais Association was formed. My father Alan and his brother Merle ran a feedlot and a small commercial Hereford X Shorthorn cow operation. After attending an informational meeting introducing this new breed and the prospect of an increase in profit per cow, the decision to expand and build a herd of Charolais was made. In May 1965, the first import permits were issued for importations from France and in October, 110 animals headed to their new homes throughout Canada. On that train headed back west from the Toronto Royal Winter Fair was "Blodine" our first import and an integral part of growing our Charolais herd.

The die was cast and we became involved at all levels, building a cow herd, promoting the breed and being involved in the Association. We exhibited at shows for nearly forty years including Canadian Western Agribition where Sparrows Sheriff was declared Reserve National Champion. We were honoured to have been awarded two honor scrolls in 2006 and 2011 and named "Breeder of the Year" in 1980, 1989 and 2025.

A. Sparrow Farms and CK Sparrow Farms has been based on family and maternal strength and that methodology was found in our pastures. Our cows were optimum in frame, outstanding in udder type, fertile and sound and can still be put against any other breed for quality.

Our cow herd and breeding program was responsible for the success of our operation. We introduced new sires selected for herd upgrading and consumer demand, and as result we hosted many high selling Charolais bull sales of which we are very proud.

On the second Friday in March we hope the sale barn, is packed with repeat and new customers to select from our final offering of young sires that we hope will be an influence in the industry for years to come. This is your invitation to be with us in 2026 for ... the last delivery.

Cam and Kerrie

Leading Ladies

ALL BULLS LEFT AFTER THE SALE MUST BE INSURED.

TERMS:

The terms of the sale are cash or cheque. Settlement to be made immediately after the completion of the sale, payable at par to CK. Sparrow Farms Ltd. The right of property shall not pass until after settlement is made. All settlements must be made with the clerk before any cattle will be released. All monies are in Canadian Funds. CK. Sparrow Farms Ltd. reserves the right to rein-herd semen use on all bulls sold through the sale.

BIDDING:

Each animal will sell to the highest bidder... no by-bidding will be permitted.

DISPUTES:

Bidding will be reopened between the parties involved in dispute. If no further bid is made, the buyer will be the person from whom the auctioneer accepted the last bid. The auctioneer's decisions on all disputes will be final.

ANNOUNCEMENTS:

All announcements made from the auction block or on the weigh sheets will take precedence over the printed matter in the catalogue. Buyers are therefore cautioned to pay attention to such disclosures.

BREEDER'S GUARANTEE - BULLS:

Semen check will be done in April unless the buyer requests it to be done earlier. If your bull does not pass his semen check the buyer will be refunded their money and will be replaced with another bull. At the end of the season the bull will then be returned to CK. Sparrow Farms Ltd. Should any bull fourteen (14) months of age or over fail to prove a breeder after being used on females known to be breeders, the matter shall be reported in writing to the seller within six (6) months following the date of purchase or six (6) months after the bull has reached fourteen (14) months of age. The seller will have the right and privilege of six (6) months of age to prove the bull a breeder. No guarantee is given that semen collected from the bull will freeze.

EXCEPTION GUARANTEE:

In cases where the animal is subjected to any hormonal or surgical reproduction techniques after the sale, this guarantee shall be null and void.

CERTIFICATE OF REGISTRATION:

Each animal will carry papers issued by the Canadian Charolais Association. A certificate of registry duly transferred will be furnished to the buyer for each animal after payment has been made.

HEALTH:

All animals in the sale have met all necessary health requirements.

LIABILITIES:

All persons attend the sale at their own risk and the seller and sale manager assume no liability, legal or otherwise, for any accidents that occur.

MAIL BIDS:

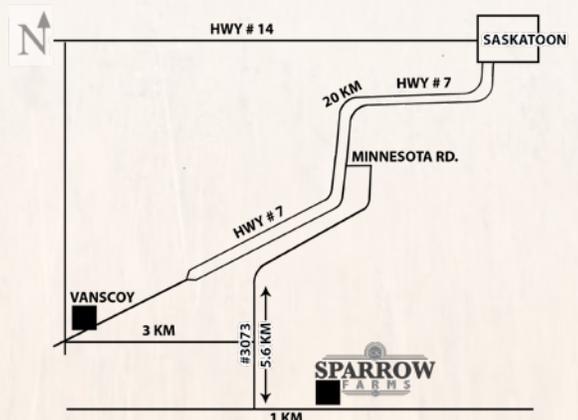

Bidders unable to attend the sale may phone, wire or mail their bids and instructions to the sale manager, auctioneer or special representative. Bids must be received in sufficient time prior to the sale.
