FROM THE DESK AT T Bar C

It is with great pleasure that we welcome you to this year's CMT Farms Bull Sale, hosted by Chad and Michelle Tuck and family. This is a program built on practical experience, integrity, and a deep understanding of what works in the commercial cattle business. CMT Farms has a long and respected history of operating a large commercial herd. The lessons learned there — where cattle must perform in real-world conditions — have shaped and strengthened their purebred breeding program. The focus has always been on functionality, longevity, sound structure, and cattle that work for their owners, not the other way around.

Chad's commitment to genetic improvement has taken him across North America in search of herd bulls that can elevate the program and deliver predictable, profitable results. These herd sires weren't selected from behind a desk — they were sourced with purpose, evaluated with a stockman's eye, and brought home to walk the hills at CMT. Only those that can handle the environment and still maintain their integrity earn a place here. This year's offering is led off by sons of the powerhouse Bar-E-L Boulder, a sire group noted for their mass, muscle expression, structural soundness, and herd bull presence. These bulls exemplify the kind that add pounds at weaning and yearling while maintaining the maternal strength needed to build a cow herd.

You will also find the influence of herd bulls acquired from the renowned Sitz Angus Ranch in Montana — a program respected across the industry for its disciplined breeding philosophy and cow families built on longevity and productivity. The strength of those genetics, combined with other carefully selected herd sires, has created a deep and consistent set of bulls designed to meet the needs of today's cattlemen. This is a uniform, performance-driven group backed by generations of practical selection. Whether you sell calves at weaning, background your own, or retain ownership, these bulls are built to add value throughout the production chain.

On behalf of everyone at T Bar, we invite you to study the catalogue, visit with Chad and Michelle about the program, and join us on sale day. We are confident the quality runs deep, and we look forward to seeing you there. As always, if any of us at T Bar C may be of assistance prior to or on sale day, don't hesitate to call anyone on the team.

Welcome

Hello and welcome to our 12th Annual Bull and Female Sale. First off, we would like to thank our past and present customers for believing in and supporting our Angus program. This year, we have the largest offering of yearling bulls to date. They have been culled hard, and only the best have made the cut.

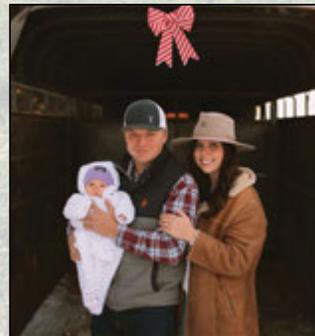

Our goal at CMT Farms is to focus on the mother cow, and the rest will follow. We strive to achieve this by culling for udders, feet, fertility, mothering ability, and performance, while also selecting breeding bulls out of some of the best Angus cows around.

These bulls have been culled for disposition, soundness, and type. They are athletic and ready to go out and breed cows. That being said, we at CMT guarantee our bulls for any breeding issues and always have extras available for our customers.

The commercial replacement heifers have come from the heart of our commercial cow herd, and the majority of them are daughters off our bulls.

Please plan to join us at the ranch on March 31, 2026, for lunch and refreshments, with the sale to follow at 1 o'clock. Bulls and females will be available for viewing anytime. Pictures and videos will be on DLMS and BuyAgro before sale day.

We look forward to seeing you.

Boulder was our pick and a high seller in Bar-E-L's final bull sale. He is a son out of the great Magnolia-Duchess cow family that has done it all at Bar-E-L. His dam has turned into a donor cow at Murray Ranches. 47K's calves are muscular with lots of nuts, shape and length while being moderate in height.

Air Force was our pick from Switzer's 2024 bull sale, that we purchased. He is a deep sided good footed aviator son out of one of Beau's best cows. This is his first calf crop, and has lots of calves on the ground coming for next years sale. His sons are very structurally correct and we are excited to see his first daughters start milking next year.

4K is a bull we bought 1/2 of from Diamond B Ranch. Alcatraz son out of Bride 28C. You'll drive many miles all over the country to find a cow with as much look as 28C. 4K is a larger framed, heavier boned, big, solid footed bull with lots of hair, length and big nuts.

Poncho is a bull we raised and used on some heifers before he went off to breed at Koop's ranch. His dam 41D has been a real producer here and a cow we flushed and now have a number of daughters milking here. We used him for a sleep easy heifer bull, and he did not disappoint on the calves we got. The bulls are easy fleshing and the heifers will be very functional females for us.

670J is a free moving, easy fleshing bull that we like a lot. His dam 234G was recognized as a Pathfinder cow and goes back to SITZ's old Forever Lady donor cow. 234G is what we consider to be a model Angus cow that we want to replicate.

TERMS & CONDITIONS

TERMS:

The terms of the sale are cash or cheque, payable at par at the sale location. The right of property shall not pass until after settlement has been made; no invoicing on buyers in attendance unless previous arrangements have been made. Each animal sells to the highest bidder and in cases of disputes, the auctioneer's decision will be final. Current exchange rates will be announced sale day. All monies are in Canadian funds.

CERTIFICATE OF REGISTRATION:

Each animal will carry papers issued by the Canadian Angus Association unless otherwise specified. A certificate of registry duly transferred will be furnished to the buyer for each animal after payment has been made.

PEDIGREE ESTIMATES:

Pedigree Estimates (PE) are created on the projected mating of the animal's sire and dam based on averages of the two, creating estimated values that do not hold the same accuracy of actual EPDs issued from the association and should be used as such.

HEALTH:

All animals in the sale have met all necessary health requirements.

GUARANTEE:

Each animal becomes the purchaser's risk immediately after the animal is sold. All animals in this sale will be sold under the terms and guarantees set forth by the Canadian Angus Association with regard to health, freedom from defects and from both reproductive and specific genetic unsoundness.

LIABILITIES:

All persons attend the sale at their own risk. The seller, facility owner and sale manager assume no liability, legal or otherwise, for any accidents that occur. It is understood that T Bar C Cattle Co. (2013) Ltd. is acting only as a medium between buyer and seller and is not responsible for any obligations to collect or enforce collection of any monies between parties and any legal action that may, in extreme cases, be taken must be between buyer and seller. T Bar C Cattle Co. (2013) Ltd. assumes no responsibility of any credit extended by the seller to the buyer. The buyer must look to the seller for fulfillment of all guarantees and representations made hereunder.

PHONE, MAIL & WIRE BIDS:

Bidders unable to attend the sale may phone, wire or mail their bids and instructions to the sale manager, auctioneer or special representatives. Bids must be received in sufficient time prior to the sale.

INSURANCE:

We strongly recommend that insurance is purchased for full value.

ERRORS:

All announcements at sale time, written or oral, supersede any written material in the catalogue.
