

# *Char-Maine Ranching* — THE MAIN EVENT —

**COMPLETE WINTER CALVING  
HERD DISPERSAL**

*FRIDAY, NOVEMBER 20<sup>TH</sup>, 2026 @ 1:00 P.M.*

**Southern Alberta Livestock Exchange - Fort Macleod, AB**

# *Welcome from Char-Maine Ranching Ltd.*

It is with mixed emotions that we welcome you to our Female Charolais Dispersal Sale featuring our winter-calving cows.

For many years, we have had the privilege of building a herd that we are incredibly proud of. This has been much more than a cattle operation to us—it has been a way of life. We have loved working with these cattle, watching our herd grow, and, most importantly, raising our children in the livestock industry and teaching them the value of hard work, dedication, and life on the ranch.

After much thought and consideration, we have decided that it is time for us to make a change. We are beginning to size down as we look forward to enjoying our retirement years and having more time to travel and experience some of the things we have put on hold while building and caring for our herd.

The reality is that the demands of a large cattle operation have simply become more than we want to ask of our bodies and our health. We want the years ahead to be a little less demanding and give us more time to enjoy life together.

That doesn't make this decision an easy one. There is a lot of history, hard work, and many memories represented in these cows, and it is difficult to see them leave our herd. We have poured our hearts into developing these females and are proud of the genetics they represent.

The down sizing of our herd doesn't mean we are leaving the Charolais business. We will still maintain our late spring calving program for raising 2 yr old bulls and the kids are going to step in and join the annual bull sale with their herds. Also we are going to concentrate on our Feed Efficiency cattle that we have been doing for the last 4 years, just in a smaller more focused version. We truly believe the genetics we have developed can make a meaningful contribution to other purebred operations and that these females have much to offer in the years ahead.

We want to sincerely thank everyone who has supported us, encouraged us, bought cattle from us, and shared in this journey over the years. We are grateful for the friendships and relationships that the cattle business has brought into our lives.

We hope you enjoy looking through the offering and can see the years of breeding, selection, and care that have gone into these females.

Thank you for taking the time to consider our cattle and for being a part of this next chapter in our lives.

*Steven and Darilyn Quinton*  
Ph: (403)653-7228

# *Welcome from Wright Livestock Marketing*

Welcome to Char-Maine Ranching's "The Main Event" Winter Charolais Calving Herd Dispersal Sale!

It is always bittersweet when a herd dispersal sale comes along. There is always a touch of sadness when you see a program offer their cow herd that has been developed over many years up for sale, and for the Char-Maine Ranching program, that equates to over 40 years of development. The evolution of the herd in that time has been monumental! Steve and Darilyn Quinton have truly developed a program in that time, you certainly will not find a conglomeration of all sorts of odd and unusuals in these pages. This is the most consistent offering in type and kind of cows and heifers that you will find at any sale in Canada this fall.

The sweet side to the bittersweet is the amazing opportunity that exists for other breeders in the industry to source Char-Maine females to add to their herd, and to watch the many years of investment and sacrifices that Steve & Darilyn have put into the cows be rewarded. The cows will also be given the opportunity to make an impact in other programs across the world. You can't go wrong by adding a Char-Maine female to your program, and opportunities like this don't come around very often.

Char-Maine Ranching females are functional! They are proven producers and true matriarchs in their own right. The bred heifers and heifer calves are a direct reflection of the work that the cows have done and the quality of this program. These cows have been ranch raised to produce in a real world setting as efficiently and consistently as possible, and they certainly had to earn their spot in the program to stay in it.

If you wish to view the sale offering prior to the sale, we strongly encourage you do so, to see these females out working in their natural environment at the ranch. The females will be videoed prior to the sale and the videos will be available for viewing on [www.wrightlivestockmarketing.com](http://www.wrightlivestockmarketing.com).

We would like to thank the Steve & Darilyn Quinton for the honour of helping assist them with marketing their Char-Maine Ranching dispersal offering. We appreciate the confidence and support that they have offered our up and coming business over the years. They were our first bull sale when we started our business, and we are so appreciative for the opportunity to work with them again as they close this chapter of their program and start their next adventure in life.

Lastly, if we can be of any assistance with answering any questions you have about the offering or the purchasing terms available from Char-Maine, please do not hesitate to contact us. If you are looking for a specific type of female or females to compliment your program, we would love to help point you in the right direction.

Sincerely,

*Jon & Sarah Wright*

Wynona has been a very consistent producer for us here at Char-Maine. Her last year's bull calf, MAIN NASH 42N, is a working herdsire at Highway 21. He has a great set of EPDs and his feed efficiency test numbers are impressive.

She sells with her this year's heifer calf, MAIN TRACTION'S WYNONA 618P, who is just as impressive as her mama.

# Terms & Conditions

**TERMS:** The terms of the sale are cash, cheque or e-transfer payable immediately after the sale. Settlement is in Canadian funds. The right of the property shall not pass until settlement is paid in full. All settlements must be made with the clerks of the sale before any cattle will be released. Current exchange rates will be announced on sale day.

**BIDDING:** Each animal will sell to the highest bidder. Bidders unable to attend the sale may phone their bids and instructions to the sale manager, auctioneer, or special representatives. Bids must be received prior to the sale, in a sufficient time frame.

**DISPUTES:** In case of disputes, bidding will be reopened between the parties involved. If no further bid is made, the buyer will be the person from whom the auctioneer accepted the last bid. The auctioneer's decision in such matters will be final.

**ANNOUNCEMENTS:** All announcements made from the auction block on sale day will take precedence over the printed material. Errors discovered in the catalogue will be corrected from the auction stand at sale time and such correction will take precedence over printed material in the catalogue.

**PURCHASER'S RISK:** Each animal becomes the risk of the purchaser as soon as sold. Animals will be cared for at the purchaser's risk for a reasonable length of time. All animals left with the seller must be insured.

**BREEDER'S GUARANTEE:** As this is a dispersal sale, all cattle sell with no further guarantee. Any known defects will be announced before the cattle are sold.

**CERTIFICATE OF REGISTRATION:** Each animal will carry papers issued by the Canadian Charolais Association. A certificate of registry duly transferred will be furnished to the buyer after payment has been made.

**EXCEPTION GUARANTEE:** In the case where the animal is subjected to any hormonal or surgical reproductive techniques after the sale, this guarantee shall be null and void. The seller is not responsible for damage caused by foreign bodies after the animal has been sold or for sickness not apparent at sale time. In no event shall the seller be responsible for more than the purchase price.

**INSURANCE:** Insurance will be available for purchase on sale day.

**DELIVERY:** Assistance will be given with making delivery arrangements after the sale. The purchaser agrees shipping arrangements will be at the convenience of the seller but will be as soon as practical after the sale, at the buyer's risk.

**ACCIDENTS:** Although every precaution will be taken to protect the safety and comfort of buyers, neither Southern Alberta Livestock Exchange, Char-Maine Ranching Ltd., the auctioneer, sale staff or Wright Livestock Marketing sale management assumes no responsibility in the matter and disclaims any liability, legal or otherwise, in the event of an accident or loss of property. All persons attend the sale at their own risk.

**SALE MANAGER:** Wright Livestock Marketing Services Ltd. is acting only as a medium between buyer and seller and is not responsible for any failure on the part of either party to live up to his/her obligations, or for any warranties, guarantees or representations, expressed or implied. Wright Livestock Marketing Services Ltd. does not assume any financial obligations to collect or enforce collection of any monies between parties. Wright Livestock Marketing Services Ltd. assumes no responsibility for any credit that is extended by the seller to the buyer. The buyer must look to the seller for the fulfillment of any/all guarantees and representations made. Any legal action that may, in exceptional circumstances/cases, be taken are solely between the buyer and the seller.

**PICTURES:** By attending the sale, you are granting permission for your picture to be used for promotional and advertising purposes relating to the sale, unless you notify the sellers/sale manager that you do not grant permission for your picture to be used.
