8th Annual

## *Bull Sale*

Vold, Jones & Vold Auction Co. Ltd.  
February 24, 2026 • 1:00pm BC  
Dawson Creek, BC

*Offering:* Two Year Old & Yearling Bulls

# *Welcome to our 8th Annual Bull Sale!*

Our family would like to welcome everyone to our 8th Annual Bull Sale. We sincerely thank everyone for all the support!

It seems like a never-ending challenge to keep on top of things in agriculture. With little rain in the area, drought seems to be the struggle. With plenty of snow throughout the Peace Country we feel optimistic though that there are better times ahead.

Our main goal is to raise cattle that go out and work for you. Therefore, customer satisfaction is high on our to do list and we continue to strive to raise top end cattle that are practical and functional. With prices where they're at, it's of every cattleman's best interest to raise as many pounds per acre as possible.

It's exciting to see what the famous Erica 74A cow has done for the angus industry, with her offspring being sought after far and wide. It's exciting to be able to offer you some of her reputable genetics and others, like Red Bar-E-L AB Meg 169Z, at this sale. With the amount of man hours going into cattle, you may as well spend time on the good ones.

The bulls graze on grass pasture throughout the summer months with a complete mineral package, and brought home in the fall. They are then fed a balanced diet of barley/corn silage, mixed with roughage and oats and a 16% pellet from Country Junction to achieve modest gains. The bulls don't get pushed as we feel that takes the longevity out of them. Our bulls are on a full herd health program, getting vaccinated in the spring and fall. We are working towards getting all our purebred stock parent verified within the next few years. As always, we stand behind what we sell guaranteed, so should you have any problems feel free to reach out to us.

Give us a call or text to come see the bulls anytime. We are also hosting an open house here on the farm on February 21st from 10 to 5. Feel free to stop by to view the bulls at your leisure and we're happy to assist you with any questions you may have regarding your herd bull needs. Bulls will also be able to be viewed Monday, February 23rd in the afternoon at VJV Dawson Creek Auction Mart.

## Terms & Conditions

**Terms** Terms of the sale are cash or cheque. All settlements must be made before any animals are released.

**Disputes** The auctioneer shall control the bidding at all times. In case of disputes the Auctioneer's decision shall be final.

**Purchaser's Risk** Each animal becomes the risk of the purchaser as soon as sold. Insurance will be available sale day.

**Announcements** Announcements from the auction stand will take precedence over any printed matter. Accidents: All precautions possible will be taken to protect the safety of our buyers. Vold, Jones Vold Auction Mart, Dawson Creek nor any owner assumes responsibility in this matter and disclaims any liability, legal or otherwise, in the event of accidents or loss of property.

**Breeding Guarantees** All bulls will be palpated, scrotal measured and semen tested prior to sale day by a licensed veterinarian. Any bull with a deferred score will be noted on sale day. However the seller is not responsible for damage caused by foreign objects after the bull has been sold nor sickness that was not apparent at the time of the sale. Bulls that are not breeders need to be reported immediately. As always we will guarantee the bulls.

**Certificate of registry** A certificate of registry duty transferred to the buyer will be furnished for each registered animal after settlement is made.

**Rights & Obligations** The above terms and conditions of the bull sale shall constitute a contract between the buyer and seller and be equally binding to both. The seller has privilege of making one bid.

**Shipping** Receive \$100 off on bulls picked up sale day, assistance may be given in making shipment after the sale, but no risk is assumed by the seller. Any additional expenses incurred are the responsibility of the purchaser. Purchasers are required to provide shipping instructions when making settlement. Insurance is recommended for bulls returning to the ranch. Bulls will be delivered free of charge by the end of April.

**Retained Interest** Seller reserves the right to collect "Owner's Use" semen from any bull in this sale (at the seller's expense and at the buyer's convenience).

## **The VJV Livestock Marketing Group is pleased to invite everyone to the 8th annual Crestland Farms Bull Sale at VJV Dawson Creek.**

2025 was a great year to be in the cattle business and the momentum is carrying over into 2026 to make it another record breaking year in regards to cattle prices. With cattle prices at an all time high this is a great time to purchase some new outcrossed genetics or to upgrade your current genetics program both on a purebred and commercial level and this sale is a great opportunity to do so.

The VJV Livestock Marketing Group has had the opportunity to market Crestland Farms influenced calves now for a few years and feedlot buyers have been impressed with the length, depth and thickness of these calves.

The Harms Family has been excellent to work with and truly stand behind their genetics. They have spent a lot of time researching the Angus breed, their traits, listening to industry and past buyers to continually improve their bull offering each year.

This sale includes an exceptional group of bulls with pedigrees to match that would complement any herd.

If your looking for 2 year old bulls to put out on a community pasture, to cross with your exotic cows, looking to put some length and stretch in your British calves, looking for a heifer bull or looking to retain more angus heifers out of your cows this is a sale you need to attend.

Last years sale had buyer participation throughout Alberta and British Columbia. To accommodate past and new potential buyers from across Canada this sale will again be broadcasted online by DLMS and VJV Online.

We work with livestock transport and export companies across Canada so buy with confidence that the VJV Livestock Marketing Group and Crestland Farms will ensure your purchases are handled and delivered with the strict care and responsibly in a timely manner.

We look forward to seeing everyone at the sale or online. If you have any questions please feel free to contact me directly.

This is where the apple didn't fall very far from the tree, or did he out do his sire? We're really looking forward to seeing how this guy will get utilized, as he checks off all the boxes; depth, muscle expression, a quiet disposition, thickness and a wide topline, all combined in one performance package! Really good to see coming out of a heifer, and his dam was the first to calve the following year. Shows how fertile his genetics are. (Parent Verified)

# YEARLING BULLS

**LOT  
19**

One of the few Musgrave 316 Stunner sons to sell in this sale, with his progeny being limited and with the added benefit of XO Crowfoot 0102X in his pedigree, he deserves a second look. Starts off with the nice Angus skull and behind that, great muscle expression carried on a good foot, as well as a strong set of EPDs to go with this package.
