DIRECTIONS TO THE FARM

5 miles east of Grenfell on Transcanada Highway, 3/4 mile north and 1/2 mile east. Watch for signs!

DELIVERY: We offer free delivery in Western Canada to central points (Alberta, Saskatchewan, Manitoba) when arrangements have been made prior to May 1. Please indicate at settlement when you are needing the cattle. Cattle must be insured by purchaser. Double Bar D will keep bulls free of charge until May 1. After May 1, a daily cost of \$5 per day will be charged. All other locations are at cost. For US customers, delivery and export will be done at cost to the purchaser. \$100 per bull discount will be applied for purchasers that take their bulls home on sale day.

SEMEN INTEREST: Double Bar D Farms reserves the right to draw semen on any bull in the sale. Semen to be drawn at the sellers expense and buyer's convenience and will be used to in-herd use only.

WARRANTY: Double Bar D Farms guarantees that it will sell a bull who is able to pass a semen test prior to the 2025 breeding season. Should any bull purchased through Best of Both Worlds fail to be a successful breeder or is unable to physically breed, he will be replaced with a bull of equal value, keeping in mind the priority is getting your cows in calf. Should this not be possible, we will issue a credit towards the purchase of another bull.

SCHEDULE OF EVENTS

MONDAY, MARCH 2	TUESDAY, MARCH 3	
All day viewing of the sale cattle	9:00 AM	Cattle Penned

From all of us at Double Bar D, we extend a warm welcome to our Best of Both Worlds Bull Sale Edition 2026! We strive to produce and supply functional Simmental Beef bulls that go to work for you, our customers, and positively impact your breeding program and ultimately, your bottom line.

We are very grateful and appreciative of all our past, present, and future customers of our program. Your support enables us to source some of the best and elite genetics available.

The last couple of years of strong and unprecedented markets have definitely put the 'fun' back into the cattle business. Fellow cattlemen and women's unwavering perseverance in the beef business, in good and not so good markets, is to be admired. This current 'great' market is well deserved!

We appreciate our customers feedback and insight to help us raise a quality product to move YOUR program forward.

From calving to seeding to harvest and everything in between, we could not do this without our entire Double Bar D team, both family and employees. You all play a part in getting us to this point of the bull sale every year and we thank you!

We are proud of our consistent set of bulls this year in every sector. We feel we have some elite sale features in each sector from proven herd sires and new and exciting ones such as: WF Capital 164L, Ultra/Barlee Lethal Weapon 63L, JPCC Tribute 16L, Circle G Lariat 35L, RF Boomer, DBD Right Time 7909K and DBD Malone 39K.

We are happy to have Sales staff, T Bar C, Bohrson Marketing and DLMS assisting us in marketing our bulls. Your hard work is valued greatly. Please do not hesitate to call Logan, myself or one of the above marketing specialists with any inquiries. Feel free to drop in any time prior to sale time to view the bulls. We look forward to greeting you sale day!

FROM THE DESK AT
T BAR C CATTLE CO.

Welcome to the **26th Annual Double Bar D – Best of Both Worlds Bull Sale.**

The **Dimler family's dedication to agriculture and the Simmental breed has never been stronger.** With three generations actively involved and a fourth already up and coming, this is truly a family operation built for longevity. What began years ago under the guidance of **Richard Dimler** has grown into a cow herd that has not only stood the test of time but continues to adapt and evolve to meet the demands of today's North American beef producers.

This year's lineup once again starts where it all began—the **fullblood bulls**—and they set the tone for the entire offering. The **Lot 1 bull comes out swinging**, representing the strength, performance, and consistency that Double Bar D is known for.

Double Bar D has long invested heavily in both sides of the program: powerful walking bulls that service this elite cow herd, and strategic additions of new cow families through the purchase of top-end donor females. The result is a balanced, forward-thinking breeding program.

The **red and black divisions** feature the first sons of **Capital** and **Lethal Weapon**, and both sires have left their mark with an impressive, uniform set of bulls. Across all three divisions—fullblood, red, and black—the depth of quality and consistency remains as strong as ever in both the **extra-age bulls and the yearlings.**

Whether you are a **seedstock producer or a progressive commercial cattleman**, you will find bulls suited to your program in every pen.

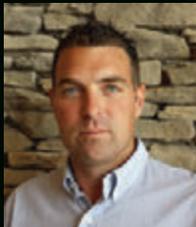

You owe it to yourself—and your cow herd—to make the trip to **Grenfell**, where you'll be met with outstanding hospitality and a high standard of Simmental bulls ready for your appraisal. Double Bar D takes great pride in a large base of **repeat buyers**, many of whom are now second-generation customers.

If you've never attended this sale before, rest assured the **Dimler family stands firmly behind the bulls they sell—with honesty, integrity, and a commitment to their customers.** If you are unable to be with us on sale day or need any assistance prior to, feel free to reach out to any of us on the T Bar team, as we are familiar with the offering and would be more than happy to assist you in any way we can.

WELCOME FROM

BOHRSON MARKETING

On behalf of the Dimler family we are excited to welcome you to the 26th annual Best of Both Worlds Sale. Double Bar D is an industry leader for supplying some of the very best Simmental genetics into many of the very good commercial and purebred operations across North America and we are again excited to be working with them in the promotion and marketing of this standout set of bulls. Please accept this as your personal invitation to be with us near Grenfell, SK on March 3rd.

The Dimler family is continuously striving full steam ahead with the genetic advancement of their program to better suit their customers. This years offering features large sire groups from some of their most recent acquisitions and their extensive embryo transplant program. The First sons of the \$240,000 Capital lead the charge in the black division and the red section is anchored by sons from the \$120,000 Lethal Weapon. Both of these bulls complement their breeding operation and offer some new, fresh genetics to choose from. The Fullblood bulls are anchored by an incredible son of their leading donor, Kim 261Y, who is no stranger to making the great ones. The Double Bar D offering is large and impressive and has something to offer every establishment. From performance to calving ease, yearling to extra age, you will have many bulls, closely related to select from. The Dimler family breeds and develops these bulls with the rancher in mind and they are sound, easy fleshing, highly maternal cattle built to last and make a positive impact for you.

Make plans to be with us for this always exciting offering. The hospitality, people and cattle make this one of the must attend events on the spring bull sale list. Give Ken or Logan a call to view the bulls or discuss the offering as they would be happy to point you in the direction of some bulls that may fit your needs. If we at BMS can be of any assistance, please don't hesitate to give us a call, we would be pleased you assist in anyway possible with our sight unseen order buying and consultation services. We hope to see you at DBD!

103 lbs.	1020 lbs.	-	1.9	6.6	112.3	171.7	21.9	2.3	78.1

Capital caught the eye of the purebred world in the fall of 2023. He gained his popularity by winning supreme All Breeds Champion at the Immortals Show in Stettler as the crowd favorite and continued his momentum to Agribition where he was declared grand Champion Bull.

A month later he then commanded a \$240,000 sale price at FNL and we are so pleased to have him call DBD home.

What really drew us in after analyzing Capital at Agribition was his perfect skull and crest, matched with so much natural thickness yet being so fluid in his motion.

Capitals pedigree is so current with the times as Caliber cattle continue to be at the forefront of the Simmental breed. The Sheila cow family has everything we admire in a donor female. Super udder, feet, big bodied and angular.

Capital continues to look the part and impresses every visitor as a young 3 year old bull.

At FNL 2025, Capital daughters were highly sought after with heifer calves commanding \$65,000 and \$18,000 from Wallgren Farms and DBD respectively.

We are very pleased with Capitals first calf crop as he sires beautiful females and outstanding beef bulls for you to appraise here at the Best of Both Worlds Bull sale.

Boomer was a strategic purchase in the summer of '23 at the Family Matters sale to get some more "Flirt" influence in our herd. Boomer is a stud in the flesh, exhibiting length second to none and jaw dropping depth of body. His bull calves exhibit these same qualities, and it's his females that really excite us for the future, reminding us of daughters that Boomers maternal great grandsire, the legendary SVS CAPTAIN MORGAN produced for many years, here and around the entire industry. Boomers progeny excel with a Boomer daughter from Ranciers topping FNL at \$205,000.

TERMS & CONDITIONS

TERMS: The terms of the sale are cash or cheque, payable at par at the sale location. The right of property shall not pass until after settlement has been made; no invoicing on buyers in attendance, unless previous arrangements have been made. Every animal sells to the highest bidder and in cases of disputes, the auctioneer's decision will be final. Current exchange rates will be announced sale day. All monies are in Canadian funds.

BIDDING: Each animal will sell to the highest bidder... no by-bidding will be permitted. Disputes – Bidding will be reopened between the parties involved in dispute. If no further bidding is made, the buyer will be the person from whom the auctioneer accepted the last bid. The auctioneer's decision on all disputes will be final.

ANNOUNCEMENTS: All announcements made from the auction block will take precedence over the printed matter in the catalogue. Buyers are therefore cautioned to pay close attention to such disclosures.

BREEDER'S GUARANTEE: Should any bull fourteen (14) months of age or over fail to prove a breeder after being used on females known to be breeders, the matter shall be reported in writing to the seller within six (6) months following the date of purchase or six (6) months after the bull has reached fourteen (14) months of age. The seller will have the right and privilege of six (6) months to prove the bull a breeder. No guarantee is given that semen collected from the bull will freeze.

EXCEPTION GUARANTEE: In cases where the animal is subjected to any hormonal or surgical reproduction techniques after the sale, this guarantee shall be null and void.

CERTIFICATE OF REGISTRATION: Each animal will carry papers issued by the Canadian Simmental Association or Canadian Angus Association. A certificate of registry duly transferred will be furnished to the buyer for each animal after payment has been made.

PEDIGREE ESTIMATES: Pedigree Estimates (PE) are created on the projected mating of the animal's sire and dam based on averages of the two, creating estimated values that do not hold the same accuracy of actual EPDs issued from the association and should be used as such.

LIABILITIES: All persons attend the sale at their own risk. The seller, facility owner and sale manager assume no liability, legal or otherwise, for any accidents that occur. It is understood that T Bar C Cattle Co. (2013) Ltd. is acting only as a medium between buyer and seller and is not responsible for any failure on the part of either party to live up to his obligations. Neither does T Bar C Cattle Co. (2013) Ltd. assume any financial obligations to collect or enforce collection of any monies between parties and any legal action that may, in exceptional cases, be taken must be between the buyer and the seller. T Bar C Cattle Co. (2013) Ltd. assumes no responsibility for any credit extended by the seller to the buyer. The buyer must look to the seller for fulfillment of all guarantees and representations made hereunder.

RIGHTS AND OBLIGATIONS: The above terms and conditions of the sale shall constitute a contract between the buyer and seller and be equally binding to both. Resale of animals following purchase in this sale shall constitute a separate transaction and the rights and obligations of the two parties connected thereto are not covered by the terms and conditions of this sale.

PHONE, MAIL, WIRE BIDS: Bidders unable to attend the sale may phone, mail or wire their bids and instructions to the sale managers, auctioneer or special representatives. Bids must be received in sufficient time prior to the sale.

DELIVERY: We will assist in arranging transportation wherever possible. Each animal becomes the risk of the purchaser as soon as sold.

INSURANCE: Will be available sale day. We strongly recommend that insurance is purchased for full value.

ERRORS: All announcements at sale time, written or oral, supercede any written material in the catalogue.
