# Welcome

It is indeed a pleasure to be working with Poplar Grove Angus and Blueberry Ridge and the high caliber genetics they're presenting for their 2026 offering. This set of bulls carry the "must have" for any producer with length, hair, muscle, sound structure and gentle disposition! The development of the bulls is also in you, the buyers favor as they've been brought along carefully to ensure longevity but also presenting the bulls in a athletic manner. Time tested genetics backed by cow families that have anchored the programs for a number of generations.

Most importantly, these two programs want the business to be right and you to be happy with your purchase(s), it's a long term relationship not a short term.

We will be on site sale day at Poplar Grove, if you need assistance on the offering feel welcome to call or text and we will answer any questions you may have.

See you sale day!

*Shane Castle*

# Welcome

Along with our sale partners at Maple Lane Stock Farm and Blueberry Ridge Angus, Poplar Grove Red Angus would like to welcome everyone to our farm for the Deep Roots Bull Sale Sunday March 8th. We are proud to offer this group of yearling Angus bulls, Speckle Park Bulls and Maine-Anjou bulls on sale day through the online DLMS Farm Gate auction and look forward to seeing everyone who can make it to the farm on sale day.

If you are unable to make it on sale day and wish to view the bulls you are welcome to drop by when it works for you. The Blueberry Ridge and Poplar Grove bulls are both being fed at our farm so they're available for viewing any time. The Maine Anjou and Speckle Park bulls will be on site for sale day viewing as well.

We believe we have a good set of bulls on offer with a variety of birthweights for all applications, the bulls we have recommend for heifers are listed in the catalog and the dams are also available for viewing at the farm. Poplar Grove reserves the right to collect any bull at our cost and your convenience.

Kingdom 11N has stood out since he was little, a really thick built bull backed by a red dam that never fails to produce a great calf every year. This moderate framed cow has a beautiful udder, very deep sided and stands on a good foot. Kingdom's sire is none other than Dwajo Kingdom 16K, when shown at Camrose bull congress he looked nothing short of fantastic, moderate birthweight with lots of thickness and size. Testing for red gene carrier is underway and results are expected prior to this years sale.

Recommended for use on cows or larger heifers.

Big River 10N has been a real standout since birth for us, he has a lot of eye appeal, performance, depth of body and a great attitude. He's a smooth built bull with great style and he packs a lot of meat into a moderate frame size. Big River 10N came to our farm as an Embryo purchased from Merit Cattle Co. His Dam is none other than Merit Flora 1032J (a full sibling to Merit Investment 1054J). This young bull is sired by Ellingson Big River 0052, giving him pretty incredible genetics on both sides of his pedigree, a definite herd bull prospect for commercial or purebred cattle breeders. Thank you to Merit Cattle Co. for producing quality embryos like this and offering them for sale. Recommended for use on cows.

Rider 58N is a no worries heifer bull with plenty of calving ease on both sides of his pedigree. He's a smooth made bull made with a long skull, good feet & hair coat and has a quiet disposition. His dam is a Bronc 273J daughter with lots of calving ease in her pedigree. His sire is the Rider Pride son we purchased from Brandl Cattle Co several years back that was a true heifer bull.

Ellingson Big River 0052

Merit Flora 1032J

Magnum 2N came to our herd as part of an embryo package purchased from Merit Cattle Co. Larger framed bull that will definitely add pounds to the fall calf run. He's a bull that's well suited to add frame and performance to most cattle herds. His Dam is Merit Lady Ann 7067E (Elite /Premier Dam) and he's sired by S.A.V. Magnum 1335 who is in the top 9% of the breed for weaning & yearling weights. Recommended for use on cows.

# Welcome

Hello and welcome to the 3rd Annual Deep Roots Bull Sale. Every year we look forward to picking out our top performing bull calves to offer for sale and they have all been consistently powerful bulls. Both of these bulls we have for sale this year are from top producing cows and we truly think these will be great additions to your herd. Poplar Grove and Maple Lane have a great selection of bulls and we think any bull on offer will be a great choice! We want to thank everyone for taking an interest, reach out anytime if you have questions.

*Stan, Shannon & Laura Knott*

# Blueberry Ridge Angus

The ladies will love this guy! His smooth muscled body and deep cherry red color will make him a popular bull in the pasture. His momma has stamped all of her offspring with a dark face and their offspring have passed it on down the line. Thelma 749E aka "Ethel" gets her babies to the top of the weaning pen every year. This was our first season using Franchise and we were pretty impressed with the outcome. Nash would make a great herd sire for your cow herd.

This bull comes from a great cow with excellent milk, udder and feet, she is coming up on 13 this year and she still raises our top calves year after year. His grand dam was our first purebred cow bought from Poplar Grove and she was a great cow, we keep every female from this cow family. He is a nice deep bodied bull who would be a good choice for larger heifers or cows.

# Welcome

With our sale partners, Poplar Grove Red Angus and Blueberry Ridge Angus, we are proud to welcome you to the Annual Deep Roots Bull & Female Sale, hosted at the Poplar Grove farm. We are excited to offer a great selection of yearling Speckle Park and Maine Anjou bulls. We invite you to join us on March 8 for our Open House, where you can tour the bull pen, enjoy some hospitality, visit with fellow breeders, and view the bulls on site. Prior to sale day, visitors are always welcome to stop by the farm to see the bulls and tour the rest of our herd at your convenience. We believe this is the most complete and uniform set of bulls we have offered to date, built for performance, longevity, and real world ranch use. All bulls are on a full herd health program and will be semen tested prior to sale. At Maple Lane Stock Farm, everything we do is grounded in family, integrity, and respect for the land and livestock we care for. We take pride in raising cattle the right way through honest management, strong maternal foundations, and a long term mindset. While sale day brings us together at our partners' farm, we always welcome you to visit us anytime at Maple Lane.

Craig & Deanne Brown

## **FARM LOCATION**

**Blue Sign:**  
**464004 HWY 795**

From junction of Hwy 13 and Secondary 795 go north 3.2 km.

From Calmar go south 29km on Secondary 795. Farm is on the west side of the road.

All sale animals will be located at Poplar Grove Red Angus on March 8th South side of the road.

# Maple Lane Stock Farm

A quiet, easy-handling bull with true herdsire presence. Nova brings exceptional width, depth, and mass, with a wide top and the kind of power you build a program around. Just shy of 3 lbs WPDA on mama's milk and grass alone, he's built to add pounds, stamp consistency, and move a cow herd forward.

A quiet, easy handling bull that proved himself on the show road last fall. Nitara offers an attractive skull shape, smooth shoulder design, and added mass with performance and an excellent rate of gain. An embryo calf backed by a deep bodied, square hiped dam, he brings extra muscle, capacity, and punch.

Wolf Lake Bob 24E

A smooth, streamlined bull that's held his own in the pen from day one. Niko is clean through his front end with great neck extension, a tiny head, and an easy moving, fluid stride that point toward calving ease. His balanced design and smooth shoulder offer functionality and consistency that stands out in the pen.

If this breeding wasn't already stacked deep throughout our herd, this bull wouldn't be going anywhere. A March 2 bull that packs an incredible amount of punch into his performance, No Doubt is wide, deep, thick, and wide topped with a big hip and a great stride. He travels freely and smoothly, and his adjusted 205 day weight ranks the heaviest of both breeds. A true power bull with presence and performance that leaves no question.

# *TERMS & CONDITIONS*

## **Sight Unseen Purchase**

We are here to sell you the right bull for your program. We believe you need to see for yourself the animals we have on display. However, if you cannot make it to view the animals before sale time, please contact any of the above sale day numbers and we will find an animal that fits your needs and budget to the best of our ability. All information is kept confidential.

## **Fertility**

All bulls are semen tested and the scrotal measurements are taken before sale day by a certified veterinarian and will be provided on sale day. Any bulls who are decision deferred will be noted and presented up front before sale time.

## **Insurance**

Maple Lane Stock Farms, Poplar Grove Red Angus, and Blueberry Ridge Angus are not responsible for any injury or loss once the bull has been sold. We encourage all buyers to insure their bull upon purchase if they are remaining on the seller's farm. If you require assistance with this, please contact Jill Wildman with Canadian Farm Insurance @ 780-305-1146.

## **Terms of Sale**

Payment is required in Canadian dollars via cash or cheque. All invoices must be settled before delivery of animal unless prior arrangements are made. All bulls are sold under the Canadian Angus Association standard terms and conditions. In all cases the seller is not responsible for more than what the animal sold for.

## **Delivery**

We are offering free delivery within 300 km of farm, anything over 300 km will require further arrangements. We will hold the animals free of charge until April 15th, after such date the amount of \$3.00/day will be charged until delivery or pick up is made. Any animals staying at the farms must be insured. If you pick up your animal within a week of sale day, we are offering \$100 dollar refund of your animal purchased.

## **USA Purchases**

We will arrange all health testing and export papers at cost to the US buyers. Delivery arrangements will be coordinated to the US Border Vet closet to the purchaser. Bulls must be paid in full prior to shipping to the USA.
