DIAMOND K

ANNUAL FALL PRODUCTION SALE *RANCH*

Over 55 years of horse experience!

It is with great pleasure that we welcome you to our 31th Annual Fall Production Sale. As we sit down to create this years catalogue, we can't help but think back on our previous sale. We would first off like to thank all of the buyers and bidders. Without your consistent trust and belief in our program we wouldn't be able to do what we truly love every day.

If you are new to our program we would like to welcome you with open arms and we look forward to helping you find your next prospect. Know that we are a program that was built from the ground up, and we don't just jump on the "hot trend" bandwagon. We follow bloodlines that are tried, tested and true and we examine any new ones extensively before we bring them in.

Over the years we have worked very hard at creating a broodmare band that you won't find anywhere else. These mares are the true key to our success, and we believe they are irreplaceable! When you buy a foal from us, know that you aren't just buying "another foal". Each mare was hand picked and placed into their breeding field with a goal in mind. We study and evaluate these mares pretty much every day, we know what works, and if something needs adjusted, we fix it. We strongly believe in our program and are very proud of what we have created. When you purchase a DKR baby you are buying a piece of our legacy, and we thank you for that.

For the past 55+ years we have worked hard on delivering a product that is diverse, but still consistent enough to meet the needs of our buyers. We pride ourselves on having attractive, versatile, structurally correct horses that are going to go out, get the job done, and look good doing it. That being said, this foal crop has been evaluated and checked relentlessly during the spring and summer months, and we are proud to be bringing you the highly anticipated offspring of a new young stallion, half siblings to the 2022 ARHFA (American Rope Horse Association) Reserve World Champion, as well as the consistency you know and trust.

Whether you are looking for your next rope horse, show prospect, rodeo horse, trail horse or your future family member we have you covered. We pride ourselves on being extremely versatile and creating prospects that can take you any direction you choose! This foal crop is very similar to previous years. Big, strong, colourful and ready for you to evaluate them. Leading up to the sale we invite you to stop by and tour the foals on their moms in the pasture. Get a true feel for our program and see where your foal is coming from. Call or text us with any questions you have, we are always ready to talk horses.

See you sale day.

A Little History...

With nothing more than a passion for horses, a dream and a little piece of land, Diamond K Ranch was created. Tom and Jean King were the founders and creators of Dimaond K. From the very beginning, Tom had a passion for having a product that was versatile, bred well, and looked great doing it. He worked relentlessly for years building a foundation that we would grow and develop into the Diamond K Ranch you know today.

John and Bernice have played a huge role in where we are today as a program. They travelled up and down the road with a trailer full of horses promoting DKR at fairs and Futuritys along the way. As the years progressed they took a step back from showing to focus on team penning, riding pasture and now passing their love for horses on to their grandchildren. We are where we are today because of the determination, dedication and hard work they both put in, creating a reputation our customers sought after.

Ryley and myself have jumped head first into the Paint horse side of things. We have brought in one sire and rasied another. More Then A Crush and RGR Sharp Dressed Man are sires that we believe will hold their own in any disipline you choose to take their foals in. Over the past three years we have shown a handfull of "Spud" offspring, 3 of those foals have claimed futurity titles and the others followed close behind. This show season RGR I Am The Party and Nicole Gauither had been show-cased this season winning Futurity titles in In Hand Trail, as well as placing very well in a tough pen of halter mares.

Operations change and evolve overtime, if they didn't we would never improve. We work with each other everyday to bring you the best horses we possibly can, and look forward to seeing how we evolve in the future.

Incentives:

When you purchase a prospect from us you are purchasing a foal with some added incentives.

NAERIC Roping For Cash-

This is a new futurity program offered to owners of NAERIC-enrolled foals of 2026. The foals that sell through our sale are eligible for the 2030 4-year-old rope horse NAERIC Roping For Cash Futurity. It will be held in conjunction with the Manitoba Rope Horse Futurity. To nominate your foal there is a nomination fee of \$100 that will need to be submitted. If nominating your purchase is something you would be interested in, please talk to John before you leave the Auction Mart. NAERIC will guarantee a minimum purse of \$5000 to be split between heading and heeling. For more information please go to- <https://www.naeric.org/events.asp>

Royal Crown Roping USA-

All JT Kill The Lights Foals are eligible for life!

Royal Crown Roping Canada-

Smooth like a cadillac, quick as a cat and calm as a cucumber. This guy makes us excited about the future of Diamond K! Flynn was an easy start, excelled in the roping pen and is now taking it easy with his mares! JT Kill The Lights is proving that he has what it takes to be a terrific sire. He throws size, impeccable disposition, and curious personalities, attributes that we strive for. We have high hopes for his offspring and have no questions that his foals will both meet and surpass our expectations.

Harry, this stallion produces offspring that are handy, athletic, and built to be high performance athletes. If you are looking for a working cowhorse, penning horse, breakaway horse, or any other speed event prospect, look no further! The average Harry foal will mature around 14.2-15 hands, they are made to be athletes and are going to do it with a little extra "Harry Style".

This solid black stallion is 15h.h. He has great bone, a one of a kind personality and is truly an exciting portion of our breeding program. We have had the opportunity to watch Diamonds' babies grow up and become reliable, solid mounts. From show horses, rope horses to solid ranch horses. Diamond is well on his way to becoming a legend here at DKR.

Last spring we were graced with Wileys' first foal crop. Wow, is all we can say! He stamped each of them with a signiture look! Good bone, colour and an athletic build, we can honestly say we look forward to this young sires future here at Diamond K.

He was started by Kayla Englot as a 2 year old where he showed an incredible stop, a solid mind and a great work ethic. His training was limited due to being needed for breeding season. We can't wait to see his babies out and about working for you!

This sire has size, style and his Red Roan color does not hurt either. "Gunsmoke" has been doing his job very well, by producing top quality foals that are built to work but pretty enough to win in the show pen! His foals have topped our sale in the past and we don't doubt he can do it again!

"Go rest high up on that mountain", it is with the utmost sadness we announce that this will be Gunsmokes' last foal crop. A gentle soul that we will have a very hard time replacing. Mounted Shooting, barrels, roping, family horses and show horses...He sired them all and made a lot of really great ones.

The perfect combination of show and cow! Athletic ability, solid disposition and trainability.

Billy is the sweetest stallion, and his docile nature makes it easy to fall in love with him. He has good bone, he is built right and has the added colour bonus.

Billy reminds us so much of the “old school” Diamond K sires and we couldn’t be more excited about that. With this being his fourth foal crop, We have now had the opportunity to handle, start and show some of his off-spring. They have been kind, willing and very easy to get along with. Billy is the real deal!

All of RGR Sharp Dressed Man foals are eligible for the Canadian Colours Futurity.

More Then A Crush now has foals with APHA points and a few CCF titles under his belt, but don't let the show credentials fool you. This guy is capable of producing offspring in a verity of disciplines! We know he has the speed, the size and the right disposition to take you in the directions you want your coloured companion to take you!

Spud is proving that he is able to hang with the "Big Dogs" in the Paint show world, we have shown 6 of his weanlings now, and they have won titles in the Canadian Colours Futurity.

As the eldest of the King girls Erin paved the way for the rest of us. She was blessed with showing the young horses first and making sure they were good for her two sisters. Erin currently resides in Wawota with her family, but she always is just a phone call away to lend a hand. When the girls aren't busy with dance, they love to ride and spend time in the barn doing chores.

Look for Erins' Bay Harry Filly in the sale!

Erin, Jordan, Macie, Kaibree, Lexi & Brooks

CK Stock Farm~ Kayla and Cody Englot, along with their two children Elliot and Scarlett currently live in Candiac where they operate their own purebred Charolais cattle and grain farming operation.

Keeping the Diamond K tradition of starting young horses alive, Kayla and Cody both have a love and passion for taking a horse and helping it realize its potential. With an impressive background in showing, a love for reining and years of experience working daily with Tom King, the knowledge Kayla has is impressive.

Kayla and Cody spend most of their time chasing after their kids. Participating in horse events, showing cattle and playing sports.

A select group of purebred bull calves available off their farm in the Spring

See you at the sale!
Kayla, Cody, Elliot and Scarlett Englot.

Hi there! I am Shelby Gutzke, the one behind our social media, photos, the sale catalog and other daily tasks. Alongside my husband Ryley and our three children we help run and operate DKR with my parents. As full-time employees of Diamond K Ranch we get to see, and be apart of what it takes to run a successful breeding program that people know and trust.

The paints. We are so excited to be able to offer you another year of APHA foals that we feel are even better than the years before. We are figuring out the crosses we love, and moving mare when we see fit. We are striving to make the paint division of DKR just as strong as the Quarter Horses you know and trust. We have now had the opportunity to halter break and start some of the RGR Sharp Dressed Man offspring, all I can say is...I am excited! These babies have been kind, they think through the situations and most move like they are floating on air. The majority of our mares are DKR bred and raised. We feel we have acquired a very well rounded group that are solid producers and mares that are a true testament to the DKR breeding program.

As our kids get older we find ourselves running more! Sports, cattle shows and a summer full of Horse shows! These past few months have been a blur. We have attended shows in Manitoba, Saskatchewan and Alberta. The learning we have done this show season has been so valuable and we look forward next year!

We look forward to catching up with you at the sale.

Shelby, Ryley, Lynley, Layla & Kash Gutzke

KING OF THE RING

This year we held our third King Of The Ring challenge. It consisted of 3 Divisions ran within the Glenavon Horse show.

We had Yearling, 2 Year Old and a 3 Years & Over Division.

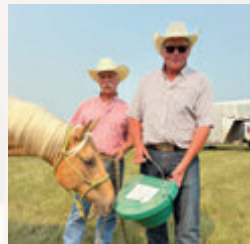

We kept track of Yearling Halter & In Hand Trail. 2 Year Old Halter & Walk Jog and 3 & Over Halter, with a DKR only pleasure class. The highest point earners in each division walked away with a beautiful Buckle. Second received a Boss Feeds Mineral Tub, donated by CK Stock Farms. Third walked away with some DKR swag! We would sincerely like to thank everyone that traveled near and far to participated, it was a great turnout! If you have any questions please feel free to reach out!
