BULL SALE

CHAROLAIS & SHORTHORN

*Two Year Old &
Yearling*
BULLS

February 22, 2026 | **North Central Livestock Exchange** | Clyde, AB | 1:00 PM

welcome

Welcome and thank you for your interest in our bull sale. This offering represents a collaborative effort between our programs, built on shared values and a common goal of producing functional, high quality cattle. Together, we are proud to present a strong set of Charolais and Shorthorn bulls, including both yearlings and two-year-olds, selected to meet the needs of a wide range of operations.

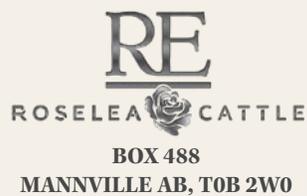

Across our programs, the focus has remained consistent—sound structure, proven cow families, performance, and longevity. This offering includes both heifer friendly bulls and cow bulls, with a strong emphasis on maternal strength, udder quality, and long term productivity. These bulls offer the power, balance, and genetic consistency to add value through productive, efficient females and marketable, high performing calves.

We are excited about what lies ahead and grateful for the opportunity to work together and with the customers who support us. We invite you to study the offering, preview the bulls, ask questions, and join us on sale day. Your interest and support are truly appreciated.

BULL INSURANCE

Canadian Farm Insurance 780-447-3276
 All bulls remaining on farm after sale will require insurance.

CATTLE PREVIEW

All bulls are always available for viewing at the Young farm just south of Morinville Alberta. A few days before the sale the bulls will be moved to NCL-Clyde and can be viewed at the auction market anytime before the sale.

DELIVERY & BOARDING

Take your bull home sale day and receive a \$ 250.00/bull discount off settlement total. All bulls that are remaining post sale must be insured. We will deliver the bulls free of charge within the prairie provinces and will try our best to bring them directly to you, although a delivery drop location close to your location may be utilized. Delivery outside of this area is the responsibility of the buyer and we will assist with arrangements if needed. Free board until April 1, 2026, after that a feed charge of \$5.00 /head/day will be applied.

SEMEN INTEREST

Rosedale Farms, Roselea Cattle and Double Arrow Stock Farm reserves the right to draw semen on any of the bulls offered in the sale, for in herd use only. This will be at the seller's expense and at the owner's convenience.

FEEDING PROGRAM

Our bulls are fed a Free Choice TMR Forage Ration. Additionally, they are daily hand fed mixed grain and loose supplement to ensure that their nutritional needs are met and also to have our bulls quiet and easy to handle.

SETTLEMENTS & CONDITIONS

Sale is conducted under the Canadian Charolais Association's Code of Ethics.

PAYMENT OPTIONS

Cash, cheque or e-Transfer. Settlement is in Canadian funds. No bulls shall be released to the purchaser until full settlement is paid, unless prior arrangement has been made between the seller and the buyer.

INTERNATIONAL PURCHASES

For US and Mexico purchases, we will arrange all export testing to be completed and assist in arranging brokerage and trucking to get the cattle to their destination. All bulls sold internationally will be charged an additional \$500.00/bull to cover export testing fees. Brokerage, delivery service and in the event of a tariff charge, will be at the purchasers expense.

LT BLUEGRASS 4017 P

WFR INEZ 460 P

EC Buzz 237 PLD has proven himself as a reliable, consistent heifer bull with a strong track record across our program. He was the sire of the high-selling and lead-off bull in last year's bull sale and is also the sire of the \$30,000 heifer calf, RLEA Taboo 501N, who sold this past fall in the Superstar Sale.

We sourced Buzz from Eggleston Charolais in South Dakota with the goal of adding proven maternal strength combined with calving ease, and he has delivered exactly that. We have retained numerous daughters, which speaks to his value as a true cow maker. His females are sound footed, deep-bodied, and feminine, with exceptional udders and the longevity we strive for.

Buzz calves are born small and unassisted, yet are growthy and continue to improve and impress you as they mature. His influence can be seen throughout this year's offering, adding consistency, maternal reliability, and long-term productivity.

D: TR MS BERKLY 4711B ET — TR PZC MR TURTON 0794 ET
 TR MS MONTELLA 1572Y

White Bear is a solid, reliable producer with a proven pedigree behind him. He is the full brother to BRCHE Berkley Ann, the Supreme Champion Female at both Farmfair and Agribition, and comes from a cow family that consistently rises to the top.

White Bear has sired numerous sons and daughters that have gone on to be productive, functional cattle. His progeny are sound, consistent, and easy to work with, making him a dependable influence throughout the herd.

ANCHOR YUCCA 2Y

Medellin is a bull that we purchased from BOB Charolais a few years ago initially to walk in our commercial cow herd. After a couple seasons seeing how much performance, shape and muscle he put into the calves we started to use him with our Purebred Cow Herd as well. Unfortunately, Medellin suffered a fatal injury on pasture, we are so thankful that we drew semen on him for future use.

SHADYBROOK LADY 80E

The lone two year old Shorthorn bull in this year's offering, but where we lack in numbers, 20M makes up for in quality! He's a bull we think a lot of. He was used on a group of Shorthorn cows this last breeding season and not just any group - he was turned out with the very best cows that call DASF home. His dam's short resume is nothing short of impressive, 20M is a maternal brother to last year's high selling Shorthorn bull to Lane Madge. 53H has now entered our donor program and we are incredibly excited about her future. We plan to collect 20M and continue to utilize him in our program going forward as we feel he will leave a lasting impact. Ranks in the top 5% for WW and the top 10% for YW, Milk and STAY.

DAM: SWEETGRASS VALENTINE 102H

BYLAND WINCHESTER 7M77

SHADYBROOK VALENTINE 75F

I could go on all day about how much I like this bull, but I think he does all the talking when you get eyes on him. Cartel made himself a lot of friends last fall during one of the most impressive runs a Shorthorn bull calf has ever had on this side of the border. Being named either breed Champion or Reserve at all three major shows he went to was sure fun but, it's his future as a herd sire that's extremely exciting! If you've talked to me about our cowherd at all in the last few years you've definitely heard about the Valentine donor. She continually knocks it out of the park on every mating, all three of her sons in this year's sale are impressive from every angle.

Ranks in the top 4% for WW, top 3% for YW, top 5% for Milk and \$BMI, top 2% for TM and \$F, as well as the top 1% for STAY, YG, CW and CREA

SHORTHORN — YEARLING BULL

Here's the full brother to Cartel 13N. I've been a fan of this bull all along and always thought he complimented the show bull really well. I was gone for a couple months for work and headed home early January to picture bulls and I'll be honest this guy blew me away.

So massive in his bone work and centre of body with the same attractive skull and stout back as his brother. He didn't have a spot in the show string but if he did he sure would have given Cartel a run for his money. There has been some very respectable cattlemen through the pen that have named 11N their favourite. These two full brothers are ones you don't want to miss.

Ranks in the top 20% for WW and YW, top 5% for CEM, YG and Milk and the top 1% for \$BMI

Another Valentine 102H son but this one being a full brother to the record selling \$50,000 heifer calf a couple of years ago. Comes with the same attractive skull and awesome back leg that everyone admired about his sister. A shot younger than the rest of the offering but, by no means lacks anything but some age. 23N is destined to leave an impressive set of calves. If you don't have any Fireball influence in your program yet, you need to change that and here's your chance! Ranks in the top 10% for BW, top 15% for Milk and the top 20% for CED

Dam of lot 29

I could write a story book about this one's mother. 30C is the cow our program is built around. Countless high selling progeny and countless banners hung but, it's the generating potential of her offspring that is truly special.

10N is a full brother to the 2025 CWA Shorthorn Sale high seller. I think it's unique how well he blends growth and power with an attractive skull, neck and shoulder. I've been awfully high on this calf from a young age and I'm still unsure why he didn't have a spot in the show barn. A bull that balances up with so many good pieces, maybe my personal favourite 30C son ever!

If you didn't get a chance to see his sire, All In the fall of 2024, trust me when I say he was special!

Ranks in the top 10% for Milk and TM and the top 20% for WW and YW

If you're someone who likes to raise attractive, extremely good uddered cows that are moderate and easy fleshing, this is the one for you. We bought the Rosie cow out of Ontario a number of years ago and are sure glad we did. She has as good an udder as any cow on the place.

8N has a nice roan hair coat, extra big legs and is more like his sire than any bull we've raised. Wildfire continues to sire the right kind.

Having Rosie and Billie Jean in his pedigree, it's a no brainer his daughters will look the part.

Mayfield is the 2022 Farmfair and Agribition Champion Charolais bull and the Agribition 2022 Supreme Champion bull. He was also a couple months later the 2023 Denver Charolais and Supreme Champion bull in the same show season. He is a super well built bull that drew massive attention and a bull we wanted to get a part of. He is the sire of the 3 embryo brothers and definitely left his mark on them.

Terms AND CONDITIONS

TERMS: The terms of the sale are cash, cheque or e-transfer payable immediately after the sale. Settlement is in Canadian funds. The rights and ownership of the bulls shall not pass to the purchaser until settlement is paid in full. All settlements must be made with the clerks of the sale before any cattle will be released. Current exchange rates will be announced on sale day.

BIDDING: This will be a live animal auction along with online bidding available through Direct Livestock Marketing Services, DLMS.ca. Each animal will sell to the highest bidder. Bidders unable to attend the sale may phone their bids and instructions to the sale contacts, auctioneer, or special representatives. Bids must be received prior to the sale, in a sufficient time frame.

DISPUTES: In case of disputes, bidding will be reopened between the parties involved. If no further bid is made, the buyer will be the person from whom the auctioneer accepted the last bid. The auctioneer's decision in such matters will be final.

ANNOUNCEMENTS: All announcements made from the auction block on sale day will take precedence over the printed material. Errors discovered in the catalogue will be corrected from the auction stand at sale time and such corrections will take precedence over printed material in the catalogue.

PURCHASERS RISK: Each animal becomes the risk of the purchaser as soon as sold. Animals will be cared for at the purchaser's risk for a reasonable length of time. All animals left with the seller must be insured. Insurance information is at the front of this catalog.

CERTIFICATE OF REGISTRATION: Each animal will carry papers issued by the Canadian Charolais Association and the Canadian Shorthorn Association, unless otherwise specified. A certificate of registry duly transferred will be furnished to the buyer after full payment has been made.

IN-HERD SEMEN: Rosedale Farms, Roselea Cattle and Double Arrow Stock Farm reserves the right to collect semen on any bull sold through the sale. Semen collection will be at the seller's expense and the buyer's convenience.

BREEDER'S GUARANTEE: Should any bull fourteen (14) months of age or over fail to prove a breeder after being used on cows known to be breeders, the matter shall be reported in writing to the seller within six (6) months following the date of purchase or six (6) months after the bull has reached fourteen (14) months of age. The seller has the right and privilege of six (6) months to prove that the bull is a breeder. No guarantee is given that semen collected from the bull will freeze.

EXCEPTION GUARANTEE: In the case where the animal is subjected to any hormonal or surgical reproductive techniques after the sale, this guarantee shall be null and void. The seller is not responsible for damage caused by foreign bodies after the animal has been sold or for sickness not apparent at sale time. In no event shall the seller be responsible for more than the purchase price.

INSURANCE: Insurance will be available for purchase on sale day. Each animal becomes the purchaser's risk immediately after the animal is sold.

DELIVERY: Assistance will be given with making delivery arrangements after the sale. The purchaser agrees shipping arrangements will be at the convenience of the seller but will be as soon as practical after the sale, at the buyer's risk.

ACCIDENTS: Although every precaution will be taken to protect the safety and comfort of buyers, neither Rosedale Farms, Roselea Cattle, Double Arrow Stock Farms, their related family members, auctioneer, ringmen or sale staff assumes no responsibility in the matter and disclaims any liability, legal or otherwise, in the event of an accident or loss of property.

PICTURES: By attending the sale, you are granting permission for your picture to be used for promotional and advertising purposes relating to the sale, unless you notify the sellers that you do not grant permission for you picture to be used.

RIGHTS & OBLIGATIONS: The above terms and conditions of the sale shall constitute a contract between the buyer and seller and be equally binding to both. Resale of animals following purchase in this sale shall constitute a separate transaction and the rights and obligations of the two parties connected there to are not covered by the terms and conditions of this sale.
