

DURALTA FARMS INC

21st Annual
BULL SALE

Friday
MARCH 20
2026
1:30 PM
AT THE FARM
VEGREVILLE, AB

Welcome TO OUR 21ST ANNUAL BULL SALE

Well after doing the footnotes on the sale bulls you see I don't say very much about the bulls and seems to be repetitive, so I'll keep the welcome short.

The cattle industry is sure exciting right now. It's time to clean up the ones that you don't appreciate to own and charge forward making purchases that will advance your herd. The bulls in the sale both black and red are maternally oriented and still carry the power and pressure of phenotype that we strive to raise. We expect our bulls to be consistent in type just the same way as if they were selling commercial steers.

Hope you appreciate the bulls. Feel free to stop in to view the bulls or just contact us or sales staff on your bull needs.

Regards,
The Durie Family

FROM THE DESK AT T BAR C ...

T Bar C is proud to welcome you to the 21st Annual Duralta Farms Bull Sale. Our relationship with the Durie family spans many years, and it is always a privilege to work alongside such a dedicated and progressive breeding program.

The strength of this offering is evident the moment you step into the pens. Both the Black and Red divisions are as deep and consistent as ever — a true testament to the cow herd behind them. The Durie family has built an impressive set of "cookie-cutter" females: sound-structured, good-uddered, big-bodied, fertile Angus cows that get the job done year after year.

When you purchase a Duralta bull, you can do so with confidence, knowing he was raised by a high-quality Angus mother cow. In today's environment, as many producers focus on rebuilding and strengthening depleted cow herds, the importance of maternal quality cannot be overstated. Strong cow families remain the foundation of long-term profitability.

Whether you're in the market for performance-driven, pay-weight bulls to add pounds to your calf crop, or calving-ease options suited for the heifer pen, this offering provides quality choices in both Red and Black Angus.

Beyond the cattle, the hospitality is second to none. The Durie family takes great pride in hosting fellow cattlemen and women, and sale day is always a reflection of their commitment to both the industry and their customers. We encourage you to study the catalogue, tour the pens, and join us for what promises to be another outstanding Duralta Farms Bull Sale.

The bulls are ready to go to work — and they are sure to impress. If you require any assistance prior to or on sale day, feel free to reach out to any of the T Bar team members, as we are always more than happy to help.

Terms & Condition

TERMS:

The terms of the sale are cash or cheque, payable at par at the sale location. The right of property shall not pass until after settlement has been made; no invoicing on buyers in attendance unless previous arrangements have been made. Every animal sells to the highest bidder and in cases of disputes the auctioneer's decision will be final. Announcements from the auction block will take precedence over the printed matter in the catalogue. Current exchange rates will be announced sale day. All monies are in Canadian funds.

CERTIFICATE OF REGISTRATION:

Each animal will carry papers issued by the Canadian Angus Association, unless otherwise specified. A certificate of registry duly transferred will be furnished to the buyer for each animal after payment has been made.

PEDIGREE ESTIMATES:

Pedigree Estimates (PE) are created on the projected mating of the animal's sire and dam based on averages of the two, creating estimated values that do not hold the same accuracy of actual EPDs issued from the association and should be used as such.

HEALTH:

All animals in the sale have met all necessary health requirements.

GUARANTEE:

Each animal becomes the purchaser's risk immediately after the animal is sold. All animals in this sale will be sold under the terms and guarantees set forth by the Canadian Angus Association with regard to health, freedom from defects and from both reproductive and specific genetic unsoundness.

INSURANCE:

Agents will be in attendance to insure your purchases. We strongly recommend that insurance is purchased for full value.

LIABILITIES:

All persons attend the sale at their own risk. The sellers, facility owner, auctioneer and sale manager assume no liability, legal or otherwise, for any accidents that occur. It is understood that T Bar C Cattle Co. (2013) Ltd. is acting only as a medium between buyer and seller and is not responsible for any failure on the part of either part to live up to his obligations. Neither does T Bar C Cattle Co. (2013) Ltd. assume any financial obligations to collect or enforce collection of any monies between parties and any legal action that may in exceptional cases be taken must be between the buyer and the seller. T Bar C Cattle Co. (2013) Ltd. assumes no responsibility for any credit extended by the seller to the buyer. The buyer must look to the seller for fulfillment of all guarantees and representations made hereunder.

DELIVERY:

Every assistance will be given in getting your purchases home. Each animal becomes the risk of the purchaser as soon as sold.

PHONE, MAIL, WIRE BIDS:

Bidders unable to attend the sale may phone, wire or mail their bids and instructions to the sale manager, auctioneer or special representatives. Bids must be received in sufficient time prior to the sale.

Errors:

All announcements at sale time, written or oral, supercede any written material in the catalogue.
