Meet our Cleavers!

Graham Carew, Jamie Johnston, Utah Smith, and Hadley Bluck. We are proud to call these kids the future of our 4-H club. Over the past year, they have been learning the ins and outs of 4-H while gaining an understanding of what it means to be part of a club, the value of hard work, communication and being dedicated to their project(s) as well as the community that supports them. These young members have been working hard on their handshakes and would love the opportunity to meet you on

Achievement Day. Be sure to stop by, shake a hand and chat with them about their experiences and projects. You can find Graham with his lamb project "Bobbi" or his small engine lawn tractor project, Utah and Hadley with their steer projects, and Jamie at the horse display

Sarah Scott

Hi, my name is Sarah. I am 15 years old, and in Grade 10 at Olds High School. This is my second year in 4-H. I have a Charolais X market steer named Clyde, a Red Angus carcass steer named Ol' Red that I'm sharing with my brother and an Angus/Hereford X Yearling Heifer named Gemma. I'm on the ACYA board and attend the annual Canadian Charolais Youth Conference and Show every year. I enjoy showing cattle throughout the spring and summer. Outside of 4-H, I enjoy spending my summer weekends on the diamonds playing competitive softball and coaching U11 softball. I also enjoy spending time with my family and friends, camping, paddle boarding and working with cattle. I hope to see you at Achievement Day. Thank you for supporting 4-H!

**Thank you to my 2025 Buyer

Gavin Lutz

Hi, My name is Gavin. I'm 14 years old; this is my third year in 4-H, my market steer's name is Clarke. He is a very friendly steer that is the first to greet in the pen. I've enjoyed learning how to properly groom him. He has been an amazing steer to work with. I also have a heifer project this year named Natalie. The hardest part of 4-H is still being the record books; however, I know how useful and valuable they are, the easiest part has been halter breaking Clarke. When I'm not busy with my steer and heifer, I enjoy most sports with Hockey being my favorite.

Myah Eliuk

Hi! My name is Myah, and this is my tenth and final year in 4-H. The marked-up steer pictured is Napoleon Dynamite, a homegrown Hereford Angus cross. Napoleon has been a big calf since day one and has been raised on a high quality diet of cereal silage, barley, and supplement to ensure he will have an excellent carcass quality when you purchase him! Next year, I will be attending the University of Saskatchewan to pursue a Bachelor of Science in Animal Bioscience, with the goal of becoming a bovine embryologist. By purchasing Napoleon, you're not only getting high quality, great tasting beef, but also helping support my post-secondary education and future career in agriculture. Outside of 4-H, I enjoy showing cattle across the province, dirt biking, and camping.

Cassidy Wood

Hello! I'm Cassidy and this year my market lamb's name is Jimmy. He is home grown and is a big guy! I also am showing a flock for the first time, which I am very excited about! I am in grade 7 and attend Bowden Grandview School. In my free time, I enjoy riding my horse, playing basketball, volleyball, and softball. My favorite part of 4-H is being able to create a great connection with my animals while working towards our show and sale. I am a first year intermedate and this is my 7th year in this club including cleaver years. I really enjoy 4-H and plan on doing it for a long time! I hope to see you on June 4th at our show and sale!

Emily Wood

Hello! I am Emily and this year I have a home grown lamb named Wilson! Wilson is super friendly and loves pets, and he's growing super well. Along with my market lamb I have a flock and a horse project. I am proud to be able to show my flock for the third year in a row, and having them as all my own raised ewes. I am super excited for our show this year to show you all of my projects! This year I am taking Wilson and my ewe lamb to 4-H on Parade, as well as my flock to summer shows. I am in Grade 9 at Bowden, and this will be my seventh year in 4-H. I also enjoy competitive curling and helping on the farm. Wilson and I are excited to see you at our show and sale!

EQUINE PROJECT

The horse girls always have a great year, and this year was no exception! Our equine project has seven enthusiastic members and one cleaver this year. We kicked the year off with a trail ride at Lutz' Farm, even discovering teepee rings along the way. From there, we focused on balanced riding with Kim Thom, working to improve our seat and connection. That progress carried us into learning our musical ride pattern and fine-tuning our skills with Brooklyn Niznik.

In May, we proudly showcased our musical ride and competed at the District 4-H Show alongside four neighboring clubs. Members participated in showmanship, Western and English classes, trail, and of course, gymkhana.

Overall, it was a year filled with growth, learning, and accomplishment!

Our Small Engines project is now in its third year. Although we have a small group this year with only four members, there is no shortage of unique and enjoyable projects. This year we have seen 1970's Kohler garden tractor engines, Briggs and Stratton mower engines, and a member that repowered a vintage 1970's John Deere tiller. We started the project learning safety and engine basics, then proceeded to dismantle our engines and diagnose any issues. Some key components of our projects are learning how engines work, learning how to properly identify an engine, compression checks, crankshaft runout checks, cleaning and degreasing, fuel systems, spark plugs and carburetor checks. We wash and prepare the engines for rebuilding. The rebuild stage is the best part, followed by the excitement of running it for the first time. We are learning to do by doing and having lots of fun while getting some valuable hands-on experience.
