Welcome

It is with pride and confidence that we present our Bull Sale offering of 2026 to you! This group is almost a total new selection of sire groups offered. Musgrave Gronk, B Bar Black Mass, HF ProStar and a larger selection of Valley Blossom Droptine sons are ready for your evaluation. We also have 4 very interesting fall born bulls that offer high quality extra age bulls. These 4 bulls are a result of our embryo transplant program, out of two of our finest aged and proven cows, we were elated to get 4 male calves and 4 females out of that program. We look forward to the females being cornerstone cows in the future for our program and are confident that these bulls will move out and help any program with maternal strengths.

The bulls are fed a responsible TMR diet with silage, dry hay and a pellet in the ration designed for 3 lb a day gain. Not enough to hurt them in any way but enough to understand the bulls strengths and weaknesses in an open book kind of way. We have been marketing bulls for over 40 years in the feeding and sale manner, offering only 50% to 60% of the male calf crop every year.

We stand behind our bulls 100 percent and if you have a problem with a bull you have bought here, then we have a problem we must fix for you, please don't be scared to call and give us that chance to help you out.

Please feel free to call us and ask questions if you have any and the pen gate can always be available for pre-sale visits in a more one-on-one way. The bulls will be penned as early as we can in smaller groups on sale morning offering you a better chance to look through them again.

We will deliver the bulls to you at a time that works for both you and ourselves at some point after May 1st or sooner if you so choose!

Please feel free to contact any of our of sales staff about the bulls as they are instructed to give you an honest description of any bull or dam in our offering.

New this year! Our sale will be broadcast by DLMS so if you are unable to join us sale day, you can bid and buy online with confidence on that great platform.

On behalf of Myself, Shelly, Erika, and Nolan please accept this as your invitation to join us for an outstanding pre-sale meal on Monday April 6th starting at 12pm, followed by the sale at 1:30pm CST.

What exciting times we are in at the moment in the cattle business, we all need to celebrate it and enjoy it.

Welcome to all past, present and future customers we would love to have you with us anytime!

Thanks,

*Dale, Shelly & Erika
Nolan & Denver*
