16TH ANNUAL BULL SALE

“BUILT ON FAMILY, BRED FOR EXCELLENCE”

ELDER CHAROLAIS

We would like to extend a sincere welcome and thank you to everyone joining us for our 16th Annual Elder Charolais Bull Sale. We are truly grateful to all of our long-time supporters and to those attending for the first time. Your continued confidence in our program over the past 15 years — through your purchases, bids, and interest in our cattle — means a great deal to our family. It is an exciting time to be part of the cattle industry, with feeder cattle prices reaching record highs and Charolais-sired calves continuing to perform and lead the way across the nation.

The past year has been both busy and rewarding for our family. Keanan has started his commercial herd, Cassidi and Cooper purchased their home in Coronach this past November, and our youngest, Klay, is now in Grade 12. We also look forward to several special milestones in 2026, as Klay graduates on June 13th and Cassidi and Cooper celebrate their wedding on July 18th.

Sale day is always a highlight of our year, and we look forward to welcoming you. We will be serving our traditional Elder Charolais Bull Sale burgers for lunch, so please come early, enjoy a meal, and take time to walk through the pens prior to the sale. We hope you enjoy a relaxed and enjoyable afternoon filled with great cattle and warm hospitality.

We are proud of the strength and quality of our 2026 bull offering and believe it represents one of our most complete groups to date. Visitors are always welcome to view the bulls at the farm ahead of sale day, and we are happy to walk through the offering with you at any time. Our commitment remains focused on producing practical, high-quality bulls that deliver strong returns for our customers. We strive to raise cattle that offer calving ease, performance, muscle, sound structure, strong testicle development, ample hair, and, just as importantly, quiet and dependable dispositions.

Our bulls are developed on a TMR ration consisting of barley silage, hay, and a 14% pellet, along with a chelated mineral package to support proper growth and development. We stand behind our program and our guarantee is straightforward — if an issue arises, please contact us and we will work with you to ensure your cows are taken care of.

For those new to our sale, video footage of the bulls is available online for viewing prior to sale day. Bulls will sell sale day by video. If weather permits, we encourage you to arrive early and we will gladly take you through the pens to view the bulls and answer any questions you may have.

Thank you again for your interest, your support, and for taking the time to join us. We look forward to visiting with you and working together in the year ahead.

Honky Tonk was the high selling bull in the Wilgenbusch 2021 Bull Sale. He is a moderate framed DC/CRJ Tank E108P son with a long spine and extremely big foot. He is the sire of Elder's Kapone 2111K that was the Junior Bull Calf Champion at Agribition in 2022 and the National Champion Bull as a yearling in 2023. TERMS & CONDITIONS

TERMS: The terms of the sale are cash or cheque payable immediately after the sale in Canadian funds. All settlements must be made with the sale clerks before cattle will be released. The right of property will not pass until final payment is made.

BIDDING: Each animal will sell to the highest bidder. Bidders unable to attend the sale may phone their bids and instructions to the sale manager, auctioneer or special representatives. Bids must be received in sufficient time prior to the sale.

DISPUTES: Bidding will be reopened between the parties involved. If no further bid is made, the buyer will be the person from whom the auctioneer accepted the last bid. The auctioneer's decision is final.

ANNOUNCEMENTS: Announcements made from the auction block will take precedence over printed matter in the catalogue. Buyers are cautioned to pay close attention to announcements.

PURCHASER'S RISK: Each animal becomes the risk of the purchaser as soon as sold. Animals will be cared for at the purchaser's risk for a reasonable length of time. All animals left with the seller must be insured.

CERTIFICATE OF REGISTRATION: Each animal will carry papers issued by the Canadian Charolais Association. A certificate of registry duly transferred will be furnished to the buyer after payment has been made.

DELIVERY: Assistance will be given in making delivery after the sale. The purchaser agrees shipping arrangements will be at the convenience of the seller, but will be as soon as practical after the sale, at the buyer's risk.

BREEDER GUARANTEE: Should any bull fourteen months of age or over, fail to prove a breeder after being used on cows known to be breeders, the matter shall be reported in writing to the seller within six months following the date of purchase or six months after the bull has reached fourteen months of age. The seller has the right and privilege of six months to prove the bull a breeder. No guarantee is given that semen collected from the bull will freeze.

EXCEPTION GUARANTEE: In case where the animal is subjected to any hormonal or surgical reproductive techniques after the sale, this guarantee shall be null and void. The seller is not responsible for damage caused by foreign bodies after the animal has been sold or for sickness not apparent at sale time. In no event shall the seller be responsible for more than the purchase price.

ACCIDENTS: Although every precaution will be taken to protect the safety and comfort of buyers, neither the sale manager, auctioneer, or sellers assume any responsibility and disclaim any liability, legal or otherwise, in the event of accident or loss of property.

INSURANCE: Insurance will be available sale day.
