PUREBRED FEMALE
SPECKLE PARK SALE

Fall Feature

WELCOME TO THE **FALL FEATURE SALE**

We're excited to welcome you back to the Fall Feature sale. This sale brings together the top Speckle Park breeders from Ontario and takes their top animals and puts them under one roof! It's an amazing way to showcase what Ontario breeders offer. We have on offer animals from proven, can't-miss genetics to new and up and coming breed changing genetics. We hope you enjoy what you see. Buy with confidence knowing that we back what we sell. We would love for you to join us at Maple Hill Auctions in Hanover on sale day. If you can't make it on sale day, then you can bid online on DLMS. Please feel free to reach out with any questions you may have. We'll be happy to help.

AGRICULTURAL WINTER FAIR

FROM THE DESK AT **T BAR C**

This annual sale is a highlight amongst Speckle Park events throughout the world. The consignors involved have put forth their best effort and are among some of the most notable breeders in the country. The females presented have worlds of potential and come with all the extras the most discriminating buyer demands. New this year is a lead-off bull calf that in our opinion leads the way in what a herdbull should look like at this stage of life. If you require any further info or assistance, please don't hesitate to contact any one of us at T Bar C.

BUILT LIKE A DUMP TRUCK AND LONG LIKE A TRAIN!

If you're looking for power, pounds and performance, stop right here. This heifer is loaded with the kind of growth and substance that's hard to overlook.

Her dam comes from Johner Stock Farm, backed by hard-to-find Monnery River genetics, and she flat-out produces. Year after year, she consistently weans some of our heaviest calves, with tonnes of milk and the maternal power to push down the scale. This female brings length, muscle, capacity and performance together in one powerful package. The cow power behind her is proven, and we expect her to follow right in those footsteps.

This tidy heifer is one we originally pulled aside as a 4-H prospect for Nyel—and it’s easy to see why! She’s long-bodied, clean through her shoulders and carries that smooth, attractive look all the way back to her pins. Add in her eye-catching pattern and sweetheart disposition, and she’s the kind that’s hard not to notice. Whether you’re searching for your next competitive 4-H project or a female to add length, smoothness and body to your cow herd, this girl has plenty to offer. Backed by great genetics and built with the look, structure and disposition we like to see, she checks all the boxes!

Fancy April heifer out of the Renegade 16L cow, a young cow we have a lot of confidence in. This heifer has tremendous show presence, with the kind of look and style that makes you want to get her out and compete. We think she has a bright future ahead of her in the show ring and as a brood cow.

Show broke and entered in the 2026 Royal Winter Fair

Offering again for the 3rd year, 5% return on purchase price if calf is shown next year by a 4-H member as their 4-H Project.

LAB RESULTS: PP, ED/ED, NT821,1- PERFORMANCE: BW: 82 lbs

A powerful show prospect with the pedigree, phenotype, and quality to make her mark this season and well into the future. Prada follows in the footsteps of her maternal grand-dam, Underhill Class Act 41F, one of the most successful and highly regarded show cows in the Colesdale herd. Backed by a proven cow family, this heifer offers the look, balance, and potential to excel in the show ring while developing into a valuable addition to any breeding program. **Show broke and entered in the 2026 Royal Winter Fair. Offering again for the 3rd year, 5% return on purchase price if calf is shown next year by a 4-H member as their 4-H Project.**

A standout 4-H show heifer with an abundance of style, presence, and quality.

Porsche is following in the footsteps of her dam, River Hill Fancy Chance 05F, a female that has been a consistent producer for us. She is a half sister to the Colesdale Nashville heifer we offered in last year's sale, and Fancy has taken things a step further—bigger, longer, and even more impressive. A female with the look to compete in the show ring and the cow family to make a lasting impact in any breeding program.

Show broke and entered in the 2026 Royal Winter Fair. Offering again for the 3rd year, 5% return on purchase price if calf is shown next year by a 4-H member as their 4-H Project.

 this heifer calf possesses a tremendous foot and leg structure and is well-balanced throughout. Her Dam was purchased last year and although she is a moderate framed cow is one of my favorites as she possesses tremendous feet and leg structure and a perfect udder. The top side of this calf's pedigree is certainly not lacking either. if this heifer calf is anything like her mother it's money well spent.

TERMS & CONDITIONS

TERMS: The terms of the sale are cash or cheque, payable at par at the sale location. The right of property shall not pass until after settlement has been made; no invoicing on buyers in attendance unless previous arrangements have been made. Every animal sells to the highest bidder and in cases of disputes, the auctioneer's decision will be final. Announcements from the auction block will take precedence over the printed matter in the catalogue. Current exchange rates will be announced sale day. All monies are in Canadian funds.

CERTIFICATE OF REGISTRATIONS: Each purebred animal will carry papers issued by the Canadian Speckle Park Association. A certificate of registry duly transferred will be furnished to the buyer for each animal after payment has been made.

PEDIGREE ESTIMATES: Pedigree Estimates (PE) are created on the projected mating of the animal's sire and dam based on averages of the two, creating estimated values that do not hold the same accuracy of actual EPDs issued from the association and should be used as such.

HEALTH: All animals in the sale have met all necessary health requirements.

GUARANTEE: All sellers and buyers of Speckle Park cattle in this sale are expected to be knowledgeable of and to abide by the Guidelines for Seller and Buyer Expectations and the By-laws of the Canadian Speckle Park Association. These documents are available from the Association's office.

Pregnancy Information: All serviceable age females have been pregnancy examined by an accredited veterinarian, giving an estimated length of gestation. This estimated gestation period shall be used only as a guideline to calving and is not a guarantee of actual service.

LIABILITIES: All persons attend the sale at their own risk. The seller, facility owner and sale manager assume no liability legal or otherwise, for any accidents that occur. It is understood that T Bar C Cattle Co. (2013) Ltd. is acting only as a medium between buyer and seller and is not responsible for any failure on the part of either party to live up to his obligations. Neither does T Bar C Cattle Co. (2013) Ltd. assume any financial obligations to collect or enforce collection of any monies between parties and any legal action that may in exceptional cases be taken must be between the buyer and the seller. T Bar C Cattle Co. (2013) Ltd. assumes no responsibility for any credit extended by the seller to the buyer. The buyer must look to the seller for fulfillment of all guarantees and representations made hereunder.

DELIVERY: Every assistance will be given in getting your purchases home. Each animal becomes the risk of the purchaser as soon as sold. Buyers are responsible for all costs involved with shipping of semen and embryos.

PHONE, MAIL, WIRE BIDS: Bidders unable to attend the sale may phone, wire or mail their bids and instructions to the sale manager, auctioneer or special representatives. Bids must be received in sufficient time prior to the sale.

INSURANCE: We strongly recommend that insurance is purchased for full value.

ERRORS: All announcements at sale time, written or oral, supersede any written material in the catalogue.
