

FLEMING LIVESTOCK

Corp

Charolais Bull Sale FEBRUARY 14-15, 2026
DLMS FARM GATE

A wooden sign on a post that reads "FLEMING LIVESTOCK" with a small silhouette of a bull between the two words. The sign is mounted on a post with a small plaque below it that says "FLEMING".

Welcome

We would like to welcome everyone to our 2026 Bull Sale!

We are very excited to offer this top set of bulls through the DLMS FarmGate format. While we have enjoyed selling privately in the past, the continued growth of our cow herd now allows us to offer a larger, deeper selection of bulls—and potentially some females in the future.

At our operation, quality always comes before quantity. We utilize A.I. and embryo transfer to access and maximize the very best genetics available, while still placing strong emphasis on sound, functional walking bulls.

Our customers appreciate cattle that are stout, hairy, and easy to handle, and this group of bulls delivers exactly that from top to bottom. If we can be of any assistance, please don't hesitate to contact us.

Visitors are always welcome. Bulls—and their mothers—are available for viewing at any time.

Payments can be made to Fleming Livestock Corp.

Cheques can be mailed to P.O. Box 338, Winfield, AB, T0C 2X0 or e-transfer to - fsh2win1@gmail.com

Reference Sires

Sparrows Wheaton 10J

We first began using Wheaton three years ago on our heifers and were so impressed with the results that we expanded his use to the cow herd and flushed our 15D donor to him. Wheaton is a true beef bull, and we are very pleased with the quality of his daughters now in production.

FLC Reaper 10N

Pine Bluff Laramie 16L

When we purchased Laramie, we were searching for an outcross performance bull, and he has delivered in a big way. His calves consistently show added length and punch that will help push the scales on your next calf crop. He also boasts excellent feet and a great disposition.

FLC Reaper 10N / FLC Reclaim 15N

Last fall, we took a pair of bull calves to the Lloydminster Stockade Roundup. We were honoured to have FLC REAPER 10N named Champion Senior Bull Calf. Along with FLC RECLAIM 15N, the pair was also awarded Champion Pair of Bulls. They will sell as Lots 1 and 2 in this sale.

*The Queen of
our farm*

Rainalta Shadow 15D

Still going strong at 10 years of age! We feel very fortunate to have a female that has played such a dominant role in building our herd. Through embryo work she has produced approximately 30 direct progeny so far, along with many daughters and granddaughters that are already proving themselves as outstanding producers.

SCURRED, PA FREE

Reaper is an impressive individual from every angle. He is the full brother to FLC Warlock 6M, our high seller from last year and now working in the Voegeli Bros. herd. Reaper was named Senior Bull Calf Champion at the Lloydminster Stockade Roundup last fall and was also part of the Champion Pair of Bulls.

This calf offers tremendous dimension, featuring a big, square hip, deep quarter, and a massive top. He is bold ribbed and moves freely on an excellent set of feet and legs. One of his greatest assets may be his dam. FLC Nellie Mai 9J is a gorgeous young up-and-comer who always catches the eye of visitors and is slated to become a donor for us this year. Her 2026 calf is a full sister to Warlock and Reaper, and we believe she is going to be something very special.

HOMO POLLED, PA FREE

If you are on the hunt for a big-time performance bull with outcross genetics, take a serious look at RECLAIM. It's hard to imagine making one any longer bodied. He posted an impressive actual 205-day weight of 930 pounds.

His dam, FLC Briar Rose 1G, consistently produces top-end calves year after year. Much like his sire, Laramie, Reclaim boasts one of the most ideal foot structures you'll find anywhere. Homo polled and PA free, he checks all the right boxes.

Reclaim was also a member of our Champion Pair of Bulls at the Stockade Roundup.

HOMO POLLED, PA FREE

A favorite from birth, this performance-driven Wheaton son is out of the great 15D donor female. As the only bull calf from this embryo set, he is backed by three full E.T. sisters in the replacement pen that we are extremely excited about.

Whether your goal is to raise herd bulls or add elite females to the keeper pen, this bull is built to deliver. Homo polled and PA free, this is a true no-miss opportunity.

HOMO POLLED, PA FREE

True Range is without a doubt one of the most complete and balanced calves in the sale. He blends the very best attributes of Laramie and 15D, resulting in a calf that is as structurally correct as they come, with a big middle and an exceptional coat of hair. He's a true head-turner and the kind that will sire high-quality bulls and females alike. Homo polled and PA free, True Range is one you won't want to miss.

HOMO POLLED, PA FREE

If you're in the market for a heifer bull—or a true calving-ease option that still delivers performance—take a close look at this one. Testify is long bodied, soggy made, and packed with hair.

His dam comes from our Precious cow family and did an outstanding job as a first-calf heifer. Testify weaned at an impressive 995 pounds on September 21 and hasn't looked back since. Homo polled and PA free, he's another bull that checks all the boxes.

POLLED, PA FREE

Apollo is another calving-ease-with-performance combination that we really like. Whether used on heifers or mature cows, he will get the job done.

We only kept two heifers from this year class, and both have raised very impressive sons. Apollo's dam is sired by the Big Country bull we raised a few years back and is a beautifully constructed female with a bright future ahead of her.

How to participate in...

DLMS FARM GATE TIMED AUCTION WITH EXTENDED BIDDING:

1. Visit dlms.ca and follow the link to the DLMS Farm Gate timed auction site www.farmgatetimedauctions.ca, click the LOGIN/REGISTRATION button. First time users will select the REGISTER button from this page. Fill out the registration form to signup for a free user account and it allows you to select a username and password for use on all Farm Gate Timed auctions. This program will send you text and email messages whenever there is activity on your favourite lots, or someone challenges your proxy bid and this is why you will be asked for both your current email and cell phone number. If you are a past participant in the Farm Gate Timed auctions simply enter your username and password to continue. This takes you to a list of both current and upcoming Farm Gate Auctions.

2. You can choose your favourite lots in this sale at this time and the program will allow you to open either all sale lots or just your favourite lots on your screen. Any time there is active bidding on a lot you have identified on your favourite list you will get a text and/or an email noting this activity.

3. The program allows you to place a proxy bid on any sale lot. This in fact protects your interest in any lot of interest for you to a specified dollar value you set, when you may not be able to give 100% attention to the sale. If the lot has a \$2000 bid on it and you place a proxy bid of \$3500 into the system, the computer will bid \$2100 for you but if some one else bids \$2200, the computer will again bid for you, this time at \$2300. The system will look after your interest to a maximum of \$3500. If another bidder is on at \$3600, your proxy will no longer be effective and you will no longer have the winning bid on this lot without once again logging in and bidding again or moving your attention to a second lot of interest.

4. At closing time of the sale the entire sale will extend bidding if a bid is placed on any lot in the sale. Any bid received after 7:00 pm MST will extend the sale by 5 minutes. When no bidding occurs for 5 minutes the computer will declare the sale finished.

5. Following the sale Fleming Livestock Corp. will invoice all buyers in the sale, please contact the seller with questions or to arrange delivery, pick up or shipping of your purchases.

For more info and assistance with bidding contact any of the sale contacts listed on the DLMS Website;
DLMS Farm Gate Timed Auctions - Mark Shologan Ph: 780-699-5082

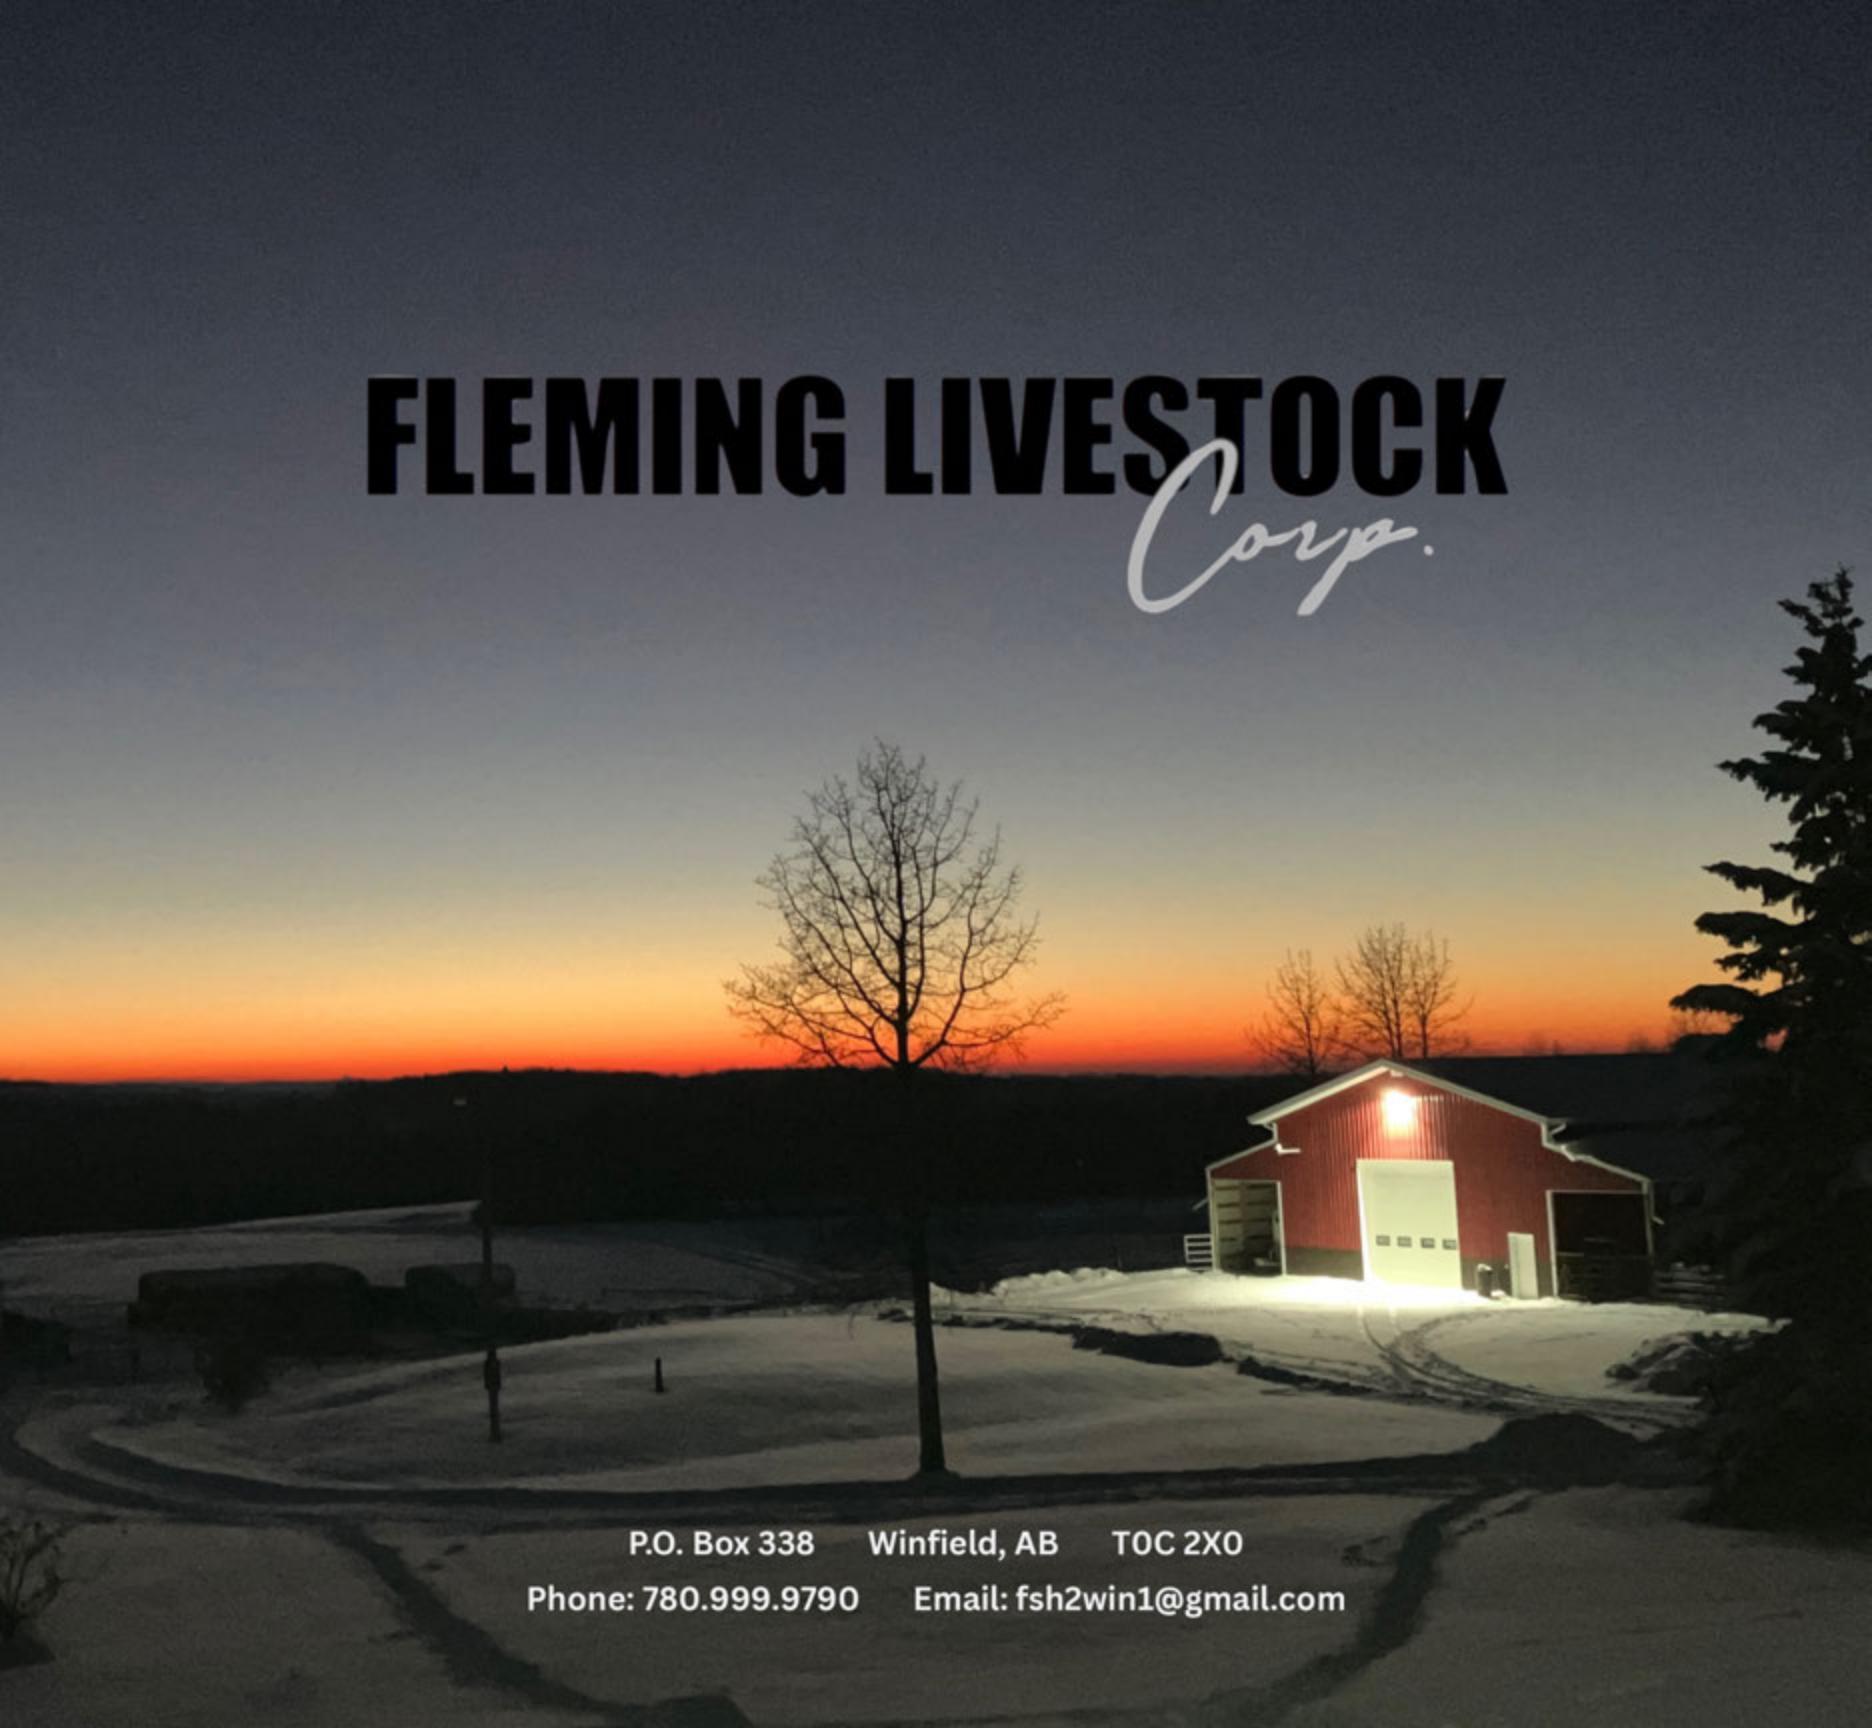

WHAT IS RACEHORSE STYLE SALE CLOSE? Racehorse style sale close is when the entire sale stays open in extended bidding. This type of sale allows you as the bidder to change to a different lot within the same sale if the bidding has gone in to extended bidding.

HOW WILL EXTENDED BIDDING WORK? When we get to the close out end time the clock for close extends with any bid placed with less than 5 min on the clock. This type of extended bidding turns the end time to more of a soft time. Extended bidding allows bidders to compete in lots like a real auction and give all bidders the same time to make a decision. Always follow the clock to see how much time remains in the sale you are interested in.
