

FOUR BAR X RANCH BLACK ANGUS SALE

Bulls on display at the Ranch in Medstead, SK

APRIL 7 - APRIL 8, 2026
TUESDAY 10:00AM - WEDNESDAY 7:00PM

Timed Auctions Made Easy

WELCOME everyone from the Anderson family. These are exciting times to be in the cattle industry with record prices for feeder calves. It's about time and feel this should be our new normal. Good heifers are, and will continue to be, a hot commodity. We have 7 herd sires represented in our bulls this year to make sure our customers have an outcross pedigree available to use in their herd that best suits them. We continue to focus on the maternal lines to build those beautiful heifers. Our power bulls are that and would add size and pounds on their calves come fall. Ty has been building his herd over the years and has an extremely good cow herd built (ATY). You will see this in the consistency and quality of his bulls. A sincere thank you to our valued customers that have bought bulls from us over the years. We look forward to serving your bull needs in the future. Give us a call anytime and we can go through the bull lineup with you.

Welcome

Kevin, Becky, Ty, Luke, Tiana & Emily

WEANING WEIGHTS WERE TAKEN ON OCTOBER 2, 2025

25L is a complete sire with balance and performance while keeping birth weights in check. He is wide based, with extra length, muscle, and a proud look. His dam 25H is a model Angus cow. 25L will continue to see heavy use for his ability to sire high quality bull calves and outstanding females.

22L is a bull with extra length, great structure, hairy, and backed by a great cow family. He is a bull that stamps his calves with his style and substance. We are looking forward to watching his calves as they mature. Mastermind 22L is a flush brother to the 2025 Agribition Grand Champion Black Angus bull, Cowtrax Milwaukee 153L.

59K keeps siring deep, easy doing calves with great dispositions. His first heifers calved this year, and they are deep and broody heifers, which is what we expected. This bull will add great dispositions.

Craftsman is the \$500,000 high selling bull at the 2022 Connealy Bull Sale. He passes on his length, expressive muscle, and explosive growth. We find Craftsman is able to stamp all his offspring with consistency, both his bulls and heifers.

Square Deal's progeny are living up to expectations. They offer extra frame, length, depth of body, correctness

and foot quality with excellent dispositions. His maternal line is packed with generations of pathfinder cows and impressive performance ratios.

When I saw Bar None in the fall of 2022 in Billings I was

impressed by how smooth and correct in his structure he was, and being backed by his elite mother HA Rito Lady 3839. The most complete bull raised at Hoffman Ranch.

FOUR BAR X RANGE QUARTER HORSES

This year marks a change in my Quarter Horse division. With my retirement from being a pasture manager for the past 25 years I will be offering, by private treaty, a big part of my ranch geldings. I also have three 2-year-old geldings and a select group of yearlings on offer.
