Welcome...

Welcome to the 28th annual Freyburn Family Tradition Bull & Female Sale. What a time to be in the cattle industry!

2025 was an amazing year at Freyburn. Our youngest son, Joran, counted up and informed us that we had won 63 banners in 2025. This year's sale offering is loaded with genetic potential and is the deepest quality we have ever offered.

The ration for our bull pen is designed to bring the bulls along slowly allowing them to grow and mature slowly to ensure their longevity. The bulls have been fed a barley silage ration designed by Derek at Trouw Nutrition. They have been wintered in a 20 acre paddock getting lots of exercise. The bull pen has undergone rigorous culling for foot structure, temperment and performance. All bulls will be measured and palpated by a vet before the sale and will be delivered once they pass their semen test. If you have any questions about this please give us a call.

The sale offering this year is sired by Freyburn Bobcat 88K, Merit Bobcat 76H, Rideau Executive 12L, BCH Lex 99L, Freyburn Stunner 141J, SCC Bando 82H, Freyburn Lynx 18L, and Fleming Spur 214K.

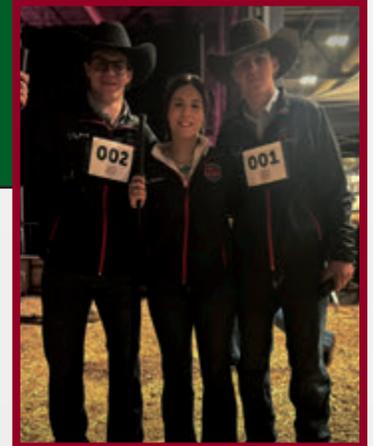

The purebred heifers in the sale are from the top end of the pen. This is the only time of the year that we typically sell females at Freyburn, so buy with confidence. The Commercial heifers will sell in groups of 3 and are from the heart of our commercial herd. You will travel a lot of miles to find females of this caliber. The females will all be vet checked before the sale.

A huge shout out to Sarah Hasson, Tristan Tober, Brad Christensen, Dave Morrow, Damian Seymour and Justin Stevens for helping with the sale pictures.

Take note of the Freyburn Herd Bull Upgrader Program. It is very popular with our customers.

We are very proud of this year's offering and would love the chance to show them off to you. The coffee pot is always on.

FREYBURN GEORGINA 99L

Here's a bull that gets the blood going. Blackout 1N is a bull who crosses off a lot of boxes, he's deep middled, big bodied, and is packed with immense power. He was shown alongside his dam, Georgina 99L all last year with great success. Blackout 1N was also successful by himself winning the Lloyd Ex junior show at the Lloydminster Stockade Roundup and the all breeds junior bull show at Farmfair International in Edmonton. Blackout 1N will do great things in any program and has a very bright future ahead.

Freyburn Freight Train 94L

If you're looking for muscle look no further. 27N packs a huge punch much like his father. Freight Train 94L sold out of our Sale in 2024 to 66 Ranch leaving behind some calves to fill in his legacy, 27N does just that. He was paraded around last fall gaining popularity as well as Manitoba Ag days where he was heavily admired. His dam is a sure-fire cow and 27N is no different.

FREYBURN GEORGINA 151M
3/4 Sibling sold to
Rideau Angus Farms

Here's a bull that a lot can be said about. 85N is a carbon copy of his sire 88K. He's stout, long bodied and extremely stylish up front. He was taken to Manitoba Ag days where he was heavily admired for his hair coat and easy fleshing ability. His 3/4 sister was the leadoff heifer in last year's sale purchased by Rideau Angus Farms. 85N is a bull that can do it all and it's easy to see why.

There aren't enough good words to describe a bull like this. Sandman is the type of bull that we have been striving to produce. He's stout, he's built, and he's nearly flawless from every angle. He was shown alongside his dam Freyburn Georgina 125K all last year, where they did incredible, qualifying for the Agribition CN Supreme. Sandman himself went undefeated as a lone bull calf last year winning his division at both Lloydminster Stockade and Farmfair International. Don't miss out on your chance on a big-time bull like this!

Freyburn's HERD BULL UPGRADER PROGRAM

In order to make your decision to retire the old herd bull an easier one, we have put together a program that's difficult to ignore. If you present us with a copy of your sale slip from this calendar year of your old herd bull a minimum of 24 hours before the sale, you will have a **\$500** credit put towards your next herd bull investment. Here is how it works.

1 sales slip= 1 - \$500 credit towards 1 bull purchase

2 sales slips= 2 - \$500 credits towards 2 bull purchases

Unlimited credits per customer. Limited to 1 credit per bull purchased.

Terms & Conditions of the Sale

All cattle sell under the standard terms and conditions set forth by the Canadian Angus Association

Freyburn Bull Guarantee

Freyburn Angus Farms guarantees to provide you with a sound, fertile bull, capable of servicing a reasonable number of cows. If your Freyburn bull should fail to be a satisfactory breeder, he will be replaced with a bull of equal value, or a credit will be issued towards the purchase of another Freyburn Angus Farms bull. Should you have a problem with one of our bulls please notify us immediately. Freyburn will not provide replacement or credit for physical injury or mismangement. Therefore we stress the importance of insurance on your bull. An insurance agent will be available on sale day.

Freyburn Angus reserves the right to draw semen for in-herd use on any bull in the sale; at the buyer's convenience and our expense.

Average EPD's for all Black Calves born in 2025

Birth Weight	Weaning Weight	Yearling Weight	Milk	Scrotal Circ.	HPG	Calving Ease	Maternal Calving Ease	REA	Carcass weight	Marbling	Fat

**Dylan, Reegan & Joran in the CN Beef Supreme at Canadian Western Agribition.
They were the first 3 to enter the ring ...What a proud moment for Mom & Dad!**

We are grateful for an incredible fall run, with that comes an incredible, hard working, talented, and exceptional crew to have along the way with us. We are very thankful for the young men and women who we spend many long days and short (or long nights) together. Tristan Tober, Charlotte Dendy, Kirk Rutten, Fallyn Shier, Dave Morrow. Also thank you to all the show day helpers that come and lend a extra hand when we needed them. It is with great pleasure to have your talent helping out. A huge shout out to Dad for taking time out of his retirement to take care of things at home while we are away showing cattle.

We pulled Dad out of retirement to dry Freyburn Georgina 125K after her CN Beef Supreme debut at Canadian Western Agribition.
