SLOAN WALKER **3** SHOW#

I'm Sloan Walker & I guess time really does fly when you are having fun, as this is already my 6th & final year in the High Steaks Jr Beef Club already. I was fortunate to place 2nd in our Senior Public Speaking Competition this year. I'm proud to be selling my black white-faced Simmental steer, Senor Dominique that will offer prime beef ready to fill your freezer. I picked him from Riley Stormoens herd and its been a great year of feeding & halter breaking him. High Steaks has taught me so much over the years — responsibility, work ethic, communication skills, and friendships I'll always be grateful for. After graduation, I'll be heading to the United States on a bull riding scholarship for college rodeo. I'd be proud to promote my steer buyer as a partner helping support my next chapter in schooling and this summer with my LRA, WRA Rodeos & Bullridings.

DALTON DORRAN 40
SHOW#

My name is Dalton Dorrان, and this is my second year of the High Steaks Junior Beef Club. I am 8 years old and live in Didsbury, Alberta, where my family has an annual commercial bred heifer sale. I love to show cattle! This is my steer Brick – he's built like a brick house. He's been quiet to work with and a great project. In the club this year I enjoyed learning about a cattle liner and doing my speech on the History of the Stanley Cup. I hope you can join us at the show and sale!
