

HIGHLAND STOCK FARMS

LIMOUSIN // ANGUS

23RD ANNUAL BULL *&* SELECT FEMALE SALE
SATURDAY MARCH 21, 2026 // 2PM // BRAGG CREEK, AB

WELCOME

FROM HIGHLAND STOCK FARMS

It is with great pleasure that we present to you our 23rd Annual Bull and Female Sale. This year is an incredibly exciting year for cattle producers on both sides of the border. The best prices we have seen in a long time.

As you may notice, we are about even in bull and heifer offerings this year, we had an exceptionally heavy heifer year. For example, we had 6 Angus bull calves and 19 Angus heifer calves; this was also the same result in our Limousin herd. So, we joked we would have a female sale and a select bull sale.

This year, we also had the opportunity to feed both bulls and heifers at SSS. We thank the Sibbald family for helping develop our sale offering this year. The cattle will be at SSS until March 18th and then will be available for viewing in Bragg Creek on March 19th.

As in past years, we took advantage of the nice January weather to video and picture typically earlier than we would. I would recommend to please come tour the bulls as they are changing every day and the growth they will see in the next few months.

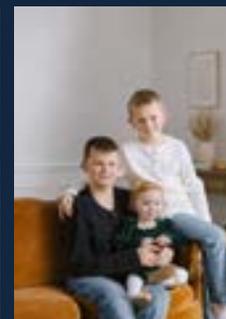

I can't say enough how we appreciate the loyalty of our customers and we look forward to how their Highland sired calves develop in the marketplace. We enjoy hearing and seeing updates from our customers. I want to thank each and everyone of you who has been a part of our program— without you we'd not have made it over 100 years in the Angus breed and 56 years in the Limousin breed.

I would like to make note – we are still waiting on our DNA results from Neogen, unfortunately with the moving of their main lab back to the US, we were met with a customs delay. I resubmitted all the DNA on Jan 20th. If all goes well we will have results by March 1st.

I would like to recognize everyone who puts effort towards our sale, Peter Boake & Crew for clipping bulls & heifers, Jordan, Kailey, Clara, Dawson & Peggy for videoing and picturing. To my husband, Noah for helping on his days off as well as my sons, Holt & Revington, they are becoming an important part of our day to day around the ranch. Of course, my parents Rob & Marci – without them I don't think there would be a bull sale with such hospitality.

Thank you & we look forward to hosting you in Bragg Creek on March 21st - join us for lunch at 12:30pm and the sale to follow at 2pm!

all the best, Amanda

SALE DAY

SALE DAY SCHEDULE

MARCH 19 - Cattle available for viewing
MARCH 21 - 12:30 - Lunch
MARCH 21 - 2:00 PM - Highland Bull Sale

Rob Bergevin (Commercial Consultant)

ASSOCIATION REPRESENTATIVES

CLA – Chad Homer, President
Laura Ecklund, General Manager
CAA – Greg Pugh, President
Myles Immerkar, General Manager

TERMS & CONDITIONS All bulls sell under the standard breeding guarantee and guidelines recommended by the Canadian Limousin and Canadian Angus Associations. Copies are available upon request. Announcements from the auction block take precedents over printed material. No release will be given until satisfactory settlement has been made. We reserve the right to withhold animals from shipment for whom payments have not been received prior to departure times.

VIDEOS View video preview clips of the sale offering approx. 2 weeks prior to the sale by visiting www.cattlevids.ca

EPDS EPD's may have changed from those printed in the catalog. Updated EPDs are available on the Associations' website,

VIEWING OF THE BULLS Bulls and Heifers will be available for viewing March 19th. Both the bulls and heifers are housed at Triple S Red Angus.

ABSENTEE BUYERS OPTION If you are unable to attend the sale, please contact Rob or Amanda. We would be glad to discuss the bulls and your needs to find you a bull or bulls that fit your program. *If we deliver a bull that you do not like, you do not own him.*

BOARD ON SALE BULLS We can keep bulls until delivery. We would like all bulls picked up or delivered by May 1 unless previous arrangements have been made. These bulls must be insured. Pick-up on sale day would be greatly appreciated.

INSURANCE Insurance services will be available with Larry Toner: 306.834.7652

RISK MANAGEMENT All persons attending the sale do so at their own risk. Highland Stock Farms assumes no liability for accidents, theft, injury, disease, or damages occurring at the sale site.

EMPHASIS ON HOMOZYGOUS POLLED We at Highland believe that the homozygous polled trait is the most important thing we can pass on to commercial cattlemen. If you use a homozygous polled bull, you will not have to deal with horns. We do not use the term double polled as all it means is that the parents are polled and the offspring have not been tested or they did not pass the homozygous test. We have only used homozygous bulls for several years. We are now an entirely homozygous polled herd by pedigree.

LIMOUSIN BULLS

We think Maui is something special. We would like to talk to the buyer about the opportunity to use him on select females until the middle of May. Holt showed him this past summer at the Canadian Junior Limousin Impact Show in Swift Current. His mother 315A is a daughter of the high selling female from the Combest Dispersal. She also produced the co-high selling bull in 2023 to Rafter DP of Oklahoma. She also had a very good son to Gordon Bredahl of Saskatchewan in 2018 and a daughter to Greenwood Livestock in 2019. Another son we used ourselves last year and he has produced a very impressive set of calves.

508N is our youngest angus female, and that doesn't take away from the style she brings to the table. Her mother was purchased by Marci from Greenwood Livestock in an Angus Collection. 98K goes back to MICH Envio Blackbird and SAV Raindance.

501N's dam is the oldest Angus female at Highland. Born in 2016, she was purchased from Lewis Farms of Spruce Grove. She produced our high selling bull in 2020 going to Mark Stormeon of Water Valley. She has two daughters at Highland in production and another daughter is owned by Gio Fileccia.

30M's dam is by Fugitive who was the high selling bull in B Bar Sale in 2021 to Highland & Greenwood, unfortunately he was injured and only used for one year. 62K remains in our herd and is one of our up and coming young females. She is a maternal sister of the 3N bull.
