12th Annual Sale | Thursday, March 5 at 1:00PM | At the Farm, Medicine Hat, AB  
Selling Yearling and Two Year Old Bulls

**HIGHLINE ANGUS**  
**RED *&* BLACK ANGUS BULL SALE**

THURSDAY 2026 | 1:00  
**MARCH 5TH**  
Highline Angus Farm | Alberta

Welcome to the 12th annual Highline Angus bull sale. As always, we would like to sincerely thank all of our past customers and look forward to working with new ones.

Wow, what a year 2025 has been. 2024 we thought we saw the peak but the along comes 2025 and it exploded beyond what any of use could have imagined. The North American cattle herd still remains historically depleted. The combination of fewer animals, less going to feed, and limited heifer retention points to continued supply restraints. The rebuilding of the North American cow herd will be slow and cautious, not rapid. Its going to be a strong period for profitability in the beef sector of agriculture and cow- calf producers are in the driver's seat. Congratulations to those of you that hung in there thru the tough times. Enjoy the ride.

Our goal never changes and we always strive to do better. All bulls have been raised under ranch conditions, grown on milk and grass, no creep, and they've all been treated the same. We feel confident that no matter what your program is, we have a bull that will suit your needs and fit your budget. We are commercial cattlemen too. There is not one bull on offer that we wouldn't use on our own cows. Join us Thursday March 5th, come early to view the bulls. Better yet give us a call and stop by before the sale, we would love to show you our bull pen. If you can't attend the sale, please feel free to give myself or Shane a call to discuss your bull needs. We look forward to seeing everyone sale day. Enjoy the breed and live the dream.
