# *Welcome to our 16th Annual Ranchers Production Sale*

Already another year has come and gone, with the familiar cycle of cattle and crops, ups and downs. This year seemed to have a few more ups. We enjoyed a summer with enough rain and cool enough temperatures to come out with very good crops, lots of feed and pretty good hay and grass. The cattle came in from pastures looking happy and healthy.

We hope the cattle in this sale will speak for themselves. Our commitment is to raise quality ranch cattle with hair and performance that will thrive in a host of different conditions. We believe the bulls and heifers we are offering this year will live up to that. We are very proud of the Hereford breed and what we can offer to the cattle industry. We are behind our cattle 100% and will do what we can to see each one of our customers is satisfied. We have DNA on all bulls offered for sale.

We again encourage you to watch the videos on DLMS. If you are not able to attend the sale you can bid online or contact us directly. We are open to discuss your needs and work with you to find the animal that will help accomplish your goals.

Lunch starts at 11:30 am at the sale barn. The sale begins at 1:00 pm MST.

Come early to view the cattle on offer!

---

## *The Next Generation*

# General Information

*Date & Time:* The sale will begin at 1:00 pm MST on Friday, February 13, 2026

*Location:* The sale will be held at the Holloway Sale Barn located at 13215 Secondary Highway 599 east of Castor, AB.

*Site Unseen Program:* If you can't make it to the sale, please let us know and we will go over the sale cattle together. If you wish to bid, we will have a representative do so on your behalf within your price range or you may view the sale through **DLMS** and bid through DLMS or by phone.

**Sale Day phones: 403-740-0380 | 403-331-0611 | 403-376-2282**

*Health:* Cattle will be sold in compliance with the health laws of the Province of Alberta. This is a tuberculosis and brucellosis free area. Females are all vaccinated for IBR. All sale cattle have been treated with Ivomec. All bulls have been vaccinated for foot rot and semen tested. Horned sale animals are dehorned with paste at birth. There are also a good number of polled animals in our herd.

*Warranty Program:* For 10% of the purchase price we will warranty your bull by replacement or refund during the first breeding season.

*Terms:* Terms of sale are full cash payment sale day, unless prior arrangements have been made with Les. Animals are the buyer's responsibility as soon as sold. We are continuing the warranty program started by request a few years ago. We will, for a 10% fee, work with you to replace a bull, loan a bull, or refund the purchase price of any bull not performing satisfactorily during the first breeding season. We are asking that any animal being left at the farm for any length of time be on this program. We will continue to work with you on flexible delivery times. There may be a nominal fee for boarding.

*Insurance:* Insurance can be arranged through Stockman's Insurance at 403-501-1326 or Maureen Balog at 403-320-1980

*Announcements:* Announcements from the auctioneer supersede any printed material.

*All Persons:* All persons attending the sale do so at their own risk. Owners and management assume no liability, legal or otherwise, for any accidents that may occur.

*EDDs:* Accurate at time of printing.

**HOLLOW 868Y STELLA 152E**  
 JNHR PEARL 768B

*This sharp looking, well made son of 146F has a great hair coat which is important these days. He's from a good old high producing Stockton cow. The JoNomn cows on the bottom, 768 and 565 were super cows.*

WINDRUSH 108 STANDARD LAD 1U  
**HOLLOW 1U DEBBIE 66B**  
 HOLLOW BERTHA 19X

*This bull has it all in my opinion. He's one of the reasons we keep doing this. We'd love to keep him but are encouraged to see what the market will do. 205M is probably the best son of 10F to date from a grand old 1U cow. 1U did a lot for our herd over the years. 205M has length, depth, hip and hair and a good temperament to work with. Have a good look!*
