The Tradition

Some just don't get it.

They think owning cattle makes no sense.

**It takes too much time, too much equipment,
not to mention the expense.**

**But the fondest memories of my life
-they might think sound funny-
were made possible by Dad,
'cause he spent the time and the money.**

**You see, the most important lessons
helping values grow so strong,
come from loving cattle
and passing that tradition on.**
