## TO THE FIRST ANNUAL JUNE ROSE CHAROLAIS BULL & FEMALE SALE

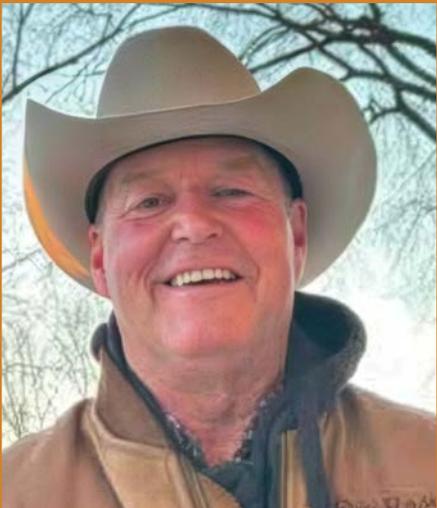

OFFERING TWO-YEAR-OLD BULLS & REPLACEMENT FEMALES

Welcome to the 2026 June Rose Charolais Bull and Female sale, to take place at the Simpson Hall on Friday, April 10th. What a great time to be in the cow business. With shrinking cow herds on both sides of the Canada/US border and a growing demand for Canadian beef internationally, the demand is simply outstripping the supply. The result has been record calf prices that farmers and ranchers have never seen before.

We calve in mostly April/May - our bulls are all two-year-olds. They are raised solely on the mother cow. no creep feed as calves, then slowly grown out the first winter. They are turned out onto grass as yearlings. This helps in the development of natural muscle as well enabling them to maintain their athleticism.

The majority of the bulls for sale this year are sired by our two main herd sires, **DYV Footprints Crimsontide 15G** and **AHT Game Day 14J**. The TIDE bulls quite simply offer unmatched haircoats, thickness and the ability to get out and travel and cover ground. The GAME DAY sons have a ton of performance and length of body to go along with a tremendous foot.

The open heifers represent the same strong cow families as the bulls. Several of these cow families have been on the farm for over four decades. They have certainly stood the test of time.

**TREVOR STEWART**

As this will be a video sale and no animals will be entering a sale ring, I encourage you to come early and go through the pens. They will be penned just outside of the hall.

Please join us sale day for lunch, we will be serving BBQ Charolais beef burgers.

Feel free to reach out if you have any questions or require some more information. I would be more than happy to answer any questions you may have. You can also talk with Chris Poley and his professional team at T Bar C Cattle Co. Jerrod Scholar with Heartland Livestock Services in Moose Jaw will also be in attendance sale day, he is very familiar with our cattle as well.

We will see you at the 'ICONIC' Simpson hall on Friday, April 10th.

## FROM THE DESK AT T BAR C

It is with great pleasure that we welcome you to the First Annual June Rose Charolais Bull & Female Sale hosted by Trevor and Peter Stewart. June Rose Charolais is certainly no newcomer to the Charolais business. This is a long-established breeding program built on years of dedication, practical experience, and a clear understanding of what commercial cattlemen need. For many years, Trevor and Peter have successfully marketed their bulls through consignment sales and private treaty, earning a strong base of repeat customers who have come to rely on the consistency and quality of the June Rose program.

Their decision to host their own annual sale marks an exciting new chapter. This format provides each of you with an equal and fair opportunity to evaluate and select the bulls that best fit your program, all in one setting. It is a natural progression for a program that has quietly built a solid reputation based on performance, soundness, and customer satisfaction.

June Rose Charolais is firmly focused on the production of rugged, reliable two-year-old Charolais bulls. These bulls are developed the right way—raised in a ranch environment, expected to travel, forage, and cover cows under real working conditions. They are designed for longevity, structural integrity, and the kind of performance that adds pounds to your calf crop while maintaining calving ease and maternal strength.

To celebrate their inaugural sale, Trevor and Peter have also assembled a select group of replacement females. These heifers represent the same disciplined breeding philosophy—functional, feminine, and backed by strong cow families that have proven themselves over time.

The Stewart family takes great pride in offering sound, functional, ranch-raised cattle that go out and work. Their program is built on honesty, practical selection, and a genuine commitment to the success of their customers.

On behalf of everyone at T Bar, we congratulate Trevor and Peter on this milestone event and invite you to join us for what promises to be an outstanding offering. If we can assist you in evaluating the cattle or making your selections, please feel free to reach out to any of the T Bar Team.

### TERMS & CONDITIONS

**TERMS:** The terms of the sale are cash or cheque, payable at par at the sale location. The right of property shall not pass until after settlement has been made; unless previous arrangements have been made. Every animal sells to the highest bidder and in cases of disputes, the auctioneer's decision will be final. Announcements from the auction block will take precedence over the printed matter in the catalogue. Current exchange rates will be announced sale day. All monies are in Canadian funds.

**CERTIFICATE OF REGISTRATION:** Each animal will carry papers issued by the Canadian Charolais Association, unless otherwise specified. A certificate of registry duly transferred will be furnished to the buyer for each animal after payment has been made.

**PEDIGREE ESTIMATES:** Pedigree Estimates (PE) are created on the projected mating of the animal's sire and dam based on averages of the two, creating estimated values that do not hold the same accuracy of actual EPDs issued from the association and should be used as such.

**HEALTH:** All animals in the sale have met all necessary health requirements.

**LIABILITIES:** All persons attend the sale at their own risk. The sellers, facility owner, auctioneer and sale manager assume no liability, legal or otherwise, for any accidents that occur. It is understood that T Bar C Cattle Co. (2013) Ltd. is acting only as a medium between buyer and seller and is not responsible for any failure on the part of either party to live up to his obligations. Neither does T Bar C Cattle Co.
