

LCL ANGUS BULL SALE CORONATION, AB MARCH 19th & 20th 2026

ONLINE TIMED AUCTION

Welcome to the 13th Annual LCL Angus Bull Sale.

This past year brought us a few changes. Caleb is attending his first year of Ag Business at Lakeland College and Easton left this fall to play AAA Hockey in Lloydminster. With both boys gone from home and no one left to do chores, Lee left his oilfield job behind. This transition has allowed us to focus even more on our product.

We research and select genetics that will continually improve our cowherd, which in turn gives us the opportunity to offer you some of the best Angus genetics available. With all new sire groups to choose from this year we selected sires keeping the mama cow in mind and feel this pen of bulls reflects that. This year's offering is deep. A uniform style is displayed across the pen regardless of sire grouping. Additionally, the yearling heifer pen is strong and demonstrates the strengths that we are continually building within our herd.

We extend our sincere gratitude to our customers, friends, and neighbors. Your trust and loyalty mean more to us than words can express. We recognize that you have many options when selecting seed stock, and we are truly grateful for your continued support. We would like to thank the many people who keep our operation running smoothly and contribute to making sale day a success.

The bull pen is available for viewing at the ranch prior to sale day, where we invite you to join us for supper and hospitality the day of the sale. Please feel free to visit, call, or reach out with any questions. We would be happy to discuss your herd bull needs and allow us to help you find a bull that fits your program.

Welcome

The crew at LCL Angus has put together maybe their most exciting set of bulls to date for their 2026 sale. 2025 was not only a banner year for the area with the rain that was recieved over the summer, record cattle prices and an abundance of feed in the area. This also set the table to express the genetic potential of the cattle bringing us to this set of bulls presented in this catalog. The Gronk bulls are sure to catch your eyes with their muscle, hair and great look, they are hard to miss! The Intent sire group will impress the most astute cattlemen in their balance and structure. First set of calves out of the Shur Thing bull are exciting as well and his legacy will be felt through the keeping every heifer out of those bulls. Best of all you will appreciate the good cow families that are responsible for bringing the high quality calves year in and out!

Stop in and have a look and some hospitality at LCL and be sure to stick around for the closeout on March 20th, great food, great people, it's what the business is all about! If we can be of assistance in regards to the offering be sure to reach out to us at Castlerock!

*See you sale day!
 Shane Castle*

HOW TO PARTICIPATE IN THE DLMS FARM GATE TIMED AUCTION WITH EXTENDED BIDDING:

1. Visit dlms.ca and follow the link to the DLMS FarmGate timed auction site www.farmgatetimedauctions.ca, click the LOGIN/REGISTRATION button. First time users will select the REGISTER button from this page. Fill out the registration form to sign up for a free user account and it allows you to select a username and password for use on all Farm Gate Timed auctions. This program will send you text and email messages whenever there is activity on your favorite lots or someone challenges your proxy bid and this is why you will be asked for both your current email and cell phone number. If you are a past participant in the Farm Gate Timed auctions simply enter your user name and password to continue. This takes you to a list of both current and upcoming Farm Gate Auctions.
2. You can choose your favourite lots in this sale at this time and the program will allow you to open either all sale lots or just your favorite lots on your screen. Any time there is active bidding on a lot you have identified on your favorite list you will get a text and/or an email noting this activity.
3. The program allows you to place a proxy bid on any sale lot. This in fact protects your interest in any lot of interest for you to a specified dollar value you set, when you may not be able to give 100% attention to the sale. If the lot has a \$2000 bid on it and you place a proxy bid of \$3500 into the system, the computer will bid \$2100 for you but if some one else bids \$2200, the computer will again bid for you, this time at \$2300. The system will look after your interest to a maximum of \$3500. If another bidder is on at \$3600, your proxy will no longer be effective and you will no longer have the winning bid on this lot without once again logging in and bidding again or moving your attention to a second lot of interest.
4. At closing time of the sale the entire sale will extend bidding if a bid is placed on any lot in the sale. Any bid received after close time will extend the sale by the time listed on each sale. In Most cases the time gets shorter the longer in to extended bidding the sale is. When no bidding occurs for the extended time the computer will declare the sale finished.
5. Following the sale the Owner or Sale Manager will invoice all buyers in the sale, please contact the seller with questions or to arrange delivery, pick up or shipping of your purchases.

*For more info and assistance with bidding contact any of the sale contacts listed on the DLMS Website;

FAQ:

WHAT IS RACEHORSE STYLE SALE CLOSE? Racehorse style sale close is when the entire sale stays open in extended bidding. This type of sale allows you as the bidder to change to a different lot within the same sale if the bidding has gone in to extended bidding.

HOW WILL EXTENDED BIDDING WORK? When we get to the close out end time the clock for close extends with any bid placed with less than 5 min on the clock. This type of extended bidding turns the end time to more of a soft time. Extended bidding allows bidders to compete in lots like a real auction and give all bidders the same time to make a decision. Always follow the clock to see how much time remains in the sale you are interested in.

Really like this calf. He is a moderate framed bull out of a very nice Temptation daughter.

DON'T MISS OUT ON THE...

I decided to increase my 4-H pen project to 4 heifers and stayed with the same style of heifer as last year. These heifers are home raised out of LCL angus bulls. They are pail fed oats twice a day and are very quiet. These girls all got lots of body, very deep and catch your eye in the pen. I would like to thank Mark Forsyth for taking the pictures and Shane Castle for buying my first pen of 3 last year. I would also like to thank Uncle Lee, Auntie Leanne and the boys for letting me sell in their sale. This is my 7th year in 4-H and am really enjoying this pen project. It's great to learn the marketing side of the industry.

Terms & Conditions

Terms: The terms of the sale are cash or cheque payable at par at the sale unless satisfactory credit arrangements have been made previous to the sale. The right of property shall not pass until after settlement is made. All settlements must be made with the clerks of the sale before any cattle will be released. The sale staff shall have the right to refuse bids from anyone who has a previous record of default in payment or who has not made proper credit clearance to the sale with the owner or Sales Manager.

Bidding: Each animal is to be sold to the highest bidder. No by-bidding will be permitted. A reasonable price base may be set.

Disputes: In case of disputes, bidding will be reopened between the parties involved. If no further bid is made, the buyer will be the person from whom the auctioneer accepted the last bid. The auctioneer's decision in such matters is final. **Purchaser's Risk:** Each animal becomes the risk of the purchaser as soon as sold. Animals will be cared for at the purchaser's risk for a reasonable length of time.

Announcements: Errors discovered in the catalogue will be corrected by announcements from the auction stand at sale time and such corrections will take precedence over the printed matter in the catalogue. Buyers are cautioned to pay close attention to announcements.

Certificate of registry: Each animal will carry papers issued by the Canadian Angus Association. A certificate of registry duly transferred will be furnished to the buyers for each animal after settlement has been made.

Breeders Guarantee, bulls: Should any bull (14) fourteen months of age or over, fail to prove a breeder after being used on cows known to be breeders, the matter shall be reported in writing to the seller within (6) six months following date of purchase or (6) six months after the bull has reached (14) fourteen months of age. The seller will then have the right and privilege of (6) six months to prove the bull a breeder. No guarantee is given that semen collected from the bull will freeze. In no event shall the seller be responsible for more than the purchase price. The seller is not responsible for damage caused by foreign bodies after the animal has been sold nor for sickness not apparent at sale time.

Exception guarantee: In cases where the animal was subjected to hormonal or surgical reproduction techniques after the sale, this guarantee shall be null and void.

Settlement: Transportation charges on animals returned to the seller are for account of the purchaser. No incidental expenses such as feed, care, A.I., signing fees, interest, veterinary charges, etc., will be charged by either party when making settlement. If the seller is successful in proving the animal in question to be a breeder, the said animal will be reclaimed by the purchaser at his expense. Should the seller fail to prove the animal a breeder, then the buyer is guaranteed a satisfactory replacement F.O.B. ranch or location of origin or a refund of the actual price. Should a dispute arise over the quality of the replacement animal, the Sale Management will appoint a mediator.

Accidents: Although every precaution will be taken to protect the safety and comfort of buyers, neither the sales manager, auctioneer, or sellers assume any responsibility in this matter and disclaim any liability, legal or otherwise, in the event of accident or loss of property.

Mail or telephone bids: Bidders unable to attend the sale may phone or mail their bids and instructions to the sale manager, or special representatives. Bids must be received in sufficient time prior to the sale.

Rights and obligations: The above terms and conditions of the sale shall continue a contract between the buyer and the seller and be equally binding to both. Resale of animals following purchase in this sale shall constitute a separate transaction which is not covered by the terms and conditions of this sale.

Semen: LCL Angus reserves the right to collect semen on any bull sold in the sale to use for in herd use only. It will be collected at the buyers convenience and LCL's expense.
