Little Poplar Grove Herefords

Welcome

We are proud to welcome you to Little Poplar Grove as we begin an exciting new chapter with our very first live sale! This milestone represents more than a sale day - it reflects five generations of family dedication and deep respect for our Hereford cattle that have shaped our operation. We are focused on producing functional, efficient cattle built for longevity, maternal strength and performance.

We sincerely appreciate your interest in our program and invite you to study the offering with confidence. Whether you are a long time customer or joining us for the first time, we thank you for being a part of this important step forward for our family & program.

Travis & Lorraine were honoured to judge the 2025 Alberta Hereford Showcase open show. It was especially rewarding to see the strong participation of young people, whose passion and involvement continue to strengthen the bright future of the Hereford industry.

We look forward to seeing you on sale day and welcome your visit anytime prior to sale day.

Thank you for being a part of the Little Poplar Grove family. Please join us for lunch @ 1 pm with the sale following at 2pm.

LPG MARKED 104M

1

Marked is a real eye-opener that checks all the boxes: plenty of length, good body depth, and lots of natural thickness. He is well balanced and sound. His dam, 365E, was purchased out of Fenton's sale and is out of a great bull we raised, which won Grand Champion at the Medicine Hat Bull Sale. The cow has a very nice, well-balanced udder and has certainly proven herself throughout the years here.
