# Lakeland THE ROUND UP

COLLEGE

## 3:00 PM SATURDAY MARCH 28, 2026

Equine Centre, Lakeland College Vermilion Campus

ONSITE AND ONLINE PURCHASING

VIEWING STARTS AT 1 PM ON SALE DAY

### OFFERING

10 Black Angus Yearling Bulls

2 Red Angus Yearling Bull

5 Registered Geldings

4 Pens of Commercial Replacement Heifers

3 Pen of Commercial Bred Heifers

### DELIVERY

**CATTLE** Sale cattle will be kept until April 15, 2026, free of charge. After this date a \$5.00 per day yardage fee will be payable to Lakeland College. We will have free delivery within 100 km radius of Vermilion, or we will be happy to assist with other arrangements.

**HORSES** Horses must be picked up and paid for within 5 business days of sale. Ownership and risk of all lots are transferred to the new owner at the drop of the gavel. After 5 business days, a \$5.00 per day yardage fee will be charged. If you are unable to pick up your horse arrangements must be made for the care of the horse at the owner's expense and risk. Delivery will not be provided for equine sales and pick-up will be required by the owner.

### RIDING/VIEWING APPOINTMENTS

#### CONTACTS

Equine: Elena van Nuland - 226-978-8553  
Purebred: Brooklyn Van Sickle - 403 586 5323  
Purebred: Porter Wolkowski - 306 562 7367  
Commercial: Regan Sargeant - 780-581-3834  
Extensive: Nicole Nendze - 780-206-9505

Viewing for the horses and cattle is available at any time. We will start taking riding appointments from March 4th, 2026. There will be no riding appointments after March 23, 2026.

### INSURANCE

**Canadian Farm Insurance Corp. Heather Barr (780)853-7067**  
Animals are the property of the buyers as soon as sold. For all animals staying at Lakeland College after the sale, we strongly recommend that insurance is purchased for the full value.

### HOTELS

# Welcome

## **THE ROUND UP PUREBRED**

The 2025–2026 Student-Managed Farm Purebred Unit, powered by New Holland, is pleased to welcome you to the 6th Annual Round Up Sale, taking place on March 28, 2026.

The Round Up Sale is a cornerstone event for our program and represents the commitment of a year's worth of dedication and hard work by students across all units, including beef and equine. This event provides us with the opportunity to showcase and market our quality livestock to the industry while demonstrating the skills and knowledge developed through the Student-Managed Farm program.

This year, our unit is proud to consign 12 Angus bulls to the sale, including 10 Black Angus and 2 Red Angus, offering a variety of genetics to suit your program and advance your herd. We were also fortunate to consign OAV First Class 2N to the Northern Select Angus Sale, and we extend our sincere appreciation to Crescent Creek Angus for their purchase and support.

Whether you are searching for a performance-driven herd sire or an option that excels in calving ease, we are confident you will find quality offerings in our sale. Through our AI and ET programs, we are able to provide a diverse selection of genetics designed to meet the needs of a wide range of producers. We invite you to view our sale offering at any time prior to sale day. Please feel free to contact Brooklyn Van Sickle (403-586-5323) or Porter Wolkowski (306-562-7367) to arrange a visit to evaluate the bulls and their dams, helping to ensure confidence in your selection. We are very excited for this year's Round Up Sale and look forward to welcoming you on March 28.

*Sincerely,*

**THE LAKELAND PUREBRED UNIT**

Powered by New Holland Agriculture

7N has distinguished himself from an early age with strong, consistent performance and a complete, well-balanced phenotype. He exhibits excellent muscle expression, a rugged and sound structural design, and a smooth, well-laid-in shoulder that enhances his overall functionality. Combined with his length of body, natural growth, and athletic build, 7N offers significant breeding potential. His combination of performance, structure, and balance positions him as a valuable addition to any progressive breeding program focused on both maternal and terminal traits.

This S Titlest 1145Y son has been a standout in the bullpen since day one, recognized for his natural muscling, and exceptional structural soundness. With his overall build and presence, there was no doubt he would be a part of our show string. Backed by proven cow and bull power, he combines calving ease with the balance and correctness to work on a wide range of cows. 13N offers a large spring of rib, strong angus characteristics, added muscle, and a smooth, attractive design while maintaining the substance and durability needed for long-term use. A true heifer bull with eye appeal and functionality, out of the well-known 4Z cow here at Lakeland College, a female recognized for passing down consistency, milking ability and having large growthy calves with a high rate of gain that are passed down onto her offspring.

Here's a moderate framed bull with built in calving ease. 26N is stout with lots of rib and muscle, and ranks in the top 5% of our yearling weight percentile. He follows in his sire's footsteps closely and is sure to add performance and value to your calf crop.

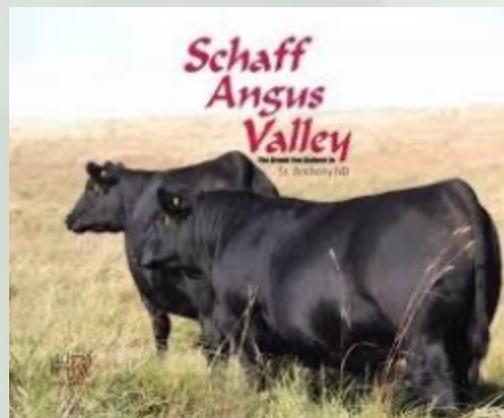

# GREAT APPRECIATION

*To these partners for all there hard work*

The Lakeland College Purebred Team would like to extend our sincere appreciation to Bohrson Marketing/Canadian Donors, Lazy MC Angus, Schaff Angus Valley, and D&N Livestock for their generous donations of semen and embryos to the Purebred Team.

Your continued support plays a vital role in the success of our program, providing our students with access to elite genetics and hands-on learning opportunities that strengthen their education and the future of the beef industry. We are grateful for your commitment to agricultural education and to the development of the next generation of producers.

# THE ROUND UP EQUINE

The Equine Student Managed Farm, powered by New Holland Agriculture, is proud to have 5 AQHA geldings for the 2026 Round Up Sale! The colt starting team has been working hard training these colts and getting them ready for the sale since September of 2025. All the colts have been exposed to obstacles, ropes, and cattle throughout their training resulting in well-rounded and versatile horses. We look forward to showcasing the team's hard work and wish to see our horses succeed in their new homes. Our vision is to produce, select and train quality Quarter Horses with excellent dispositions and conformation, in an economically sustainable format. Our team has put in many hours to get these geldings ready for the 2026 Lakeland College Round Up Sale. We are thankful for the opportunity to present our geldings while making new connections within the Equine and Beef industry. Thank you for coming to our sale!

*Sincerely,*  
**THE LAKELAND EQUINE UNIT**

Powered by New Holland Agriculture

## CONTACT

**Elena van Nuland:** (226)-978-8553

**Advisor-** Baylee Haeberle: (204)-761-3165

## COUNTRY JUNCTION

The equine SMF unit sends a huge thank you to Kirsten Smith, Berni Grumpelt, and the rest of the nutrition team at Country Junction for helping the team through informative presentations and building rations for the SMF horses.

## DELIVERY

Horse must be picked up and paid for within 5 business days of sale. Ownership and risk of all lots are transferred to the new owner at the drop of the gavel. After 5 business days, a \$5.00 per day yardage fee will be charged. If you are unable to pick up your horse, arrangements must be made for the care of the horse at the owner's expense and risk. Delivery will not be provided for equine sales and pick-up will be required by the owner.

OTOES SPOT LITE

SSS DUALLYS LIL PEP "Capone" is a 2022 AQHA chestnut gelding that stands at 14.3hh. Capone is a flashy, well-balanced gelding with a strong hip. He is a smooth mover and has been developing good body control, working on his spins, side-pass, and two-track. He has a big stop and naturally carries himself over the hocks. Capone is confident tracking and roping the dummy and live cattle. He has completed obstacle courses, dragging logs, and working the flag. Capone has a friendly disposition, great ground manners, clips, bathes and is good for the farrier. With a natural cow sense and strong pedigree, Capone should excel roping, ranching, or in the show pen. He's UTD on all his vaccines, dental, and shoeing.

**Please Note:** Capone has one copy of PSSM 1, but has never expressed any symptoms. He has received hock injections. UTD information and x-rays will be available prior to the sale.

DF BETTIN ON A RUNNER "Boon" is a 15hh, 2023 AQHA gelding who is eligible for Breeders Elite, Breeders Elite Roping, NAERIC and Western Fortunes Incentives. Boon is in your pocket, friendly and easy to catch. This free mover loves to travel with a big stride and a fantastic mindset. Boon has been developing great body control with his side-pass, two track and spin. He has a solid foundation and is eager to work. He has been over bridges, through obstacles and drug the log. Boon has been tracking the dummy and roping live cattle. Whether you want to take him to the roping or barrel pen, Boon has the athleticism, mind, and pedigree to be taken in any direction. He is UTD on vaccinations, deworming, shoeing, and dental.

OOPS FANCY WRANGLERS "Jack" is a solid 15.1 hh, 2023 Sorrel gelding with a nice turn on the haunches, simple lead change, and side pass. He has been introduced to cattle and roping with a breakaway hondo. Jack would make an excellent ranch or rope horse prospect. He has been ridden out on the trail, can pony other horses, and has been used to flag colts. Jack has proven to be a dependable, willing partner who handles every situation with ease and confidence. He has a calm, honest temperament and he would be great for many levels of riders. Jack has great ground manners, stands well for the farrier, is easy to catch, ties, lunges, bathes, and gets along well with other horses. He is UTD on vaccinations, shoeing, and deworming.

NICS DUAL BADGER "AJ" is a 2023 AQHA sorrel gelding that stands at 14.2hh. AJ has been developing great body control with his side-pass, two track and spin. This gelding has worked the flag, drug the log, and pulled the roping dummy. AJ enjoys tracking the roping dummy and has been started on live cattle. AJ could be a promising non-pro cow horse or rope horse. If you have a budding trick rider in your family, AJ may be the horse for you! Haylie frequently uses AJ as a jungle gym, from roman riding, to sliding off his butt. AJ stands well for the farrier and has good ground manners. He is a lover and is happy when given a job. AJ has been bathed and gets along with other horses around him. He is UTD on vaccinations, shoeing and deworming.

NICKED DUALLY "Chubs" is a 2023 AQHA gelding standing at 14.1hh. Chubs has unique colouring and good confirmation, he will be a great addition to your herd. With the correct finish, Chubs can excel in the non-pro cow horse events or be a great breakaway/team roping competitor. Chubs' athleticism is easy to see, with his quick feet, balanced movement, and is developing a powerful stop. Chubs can go anywhere with his body control, side-pass, two-track, and spin. He has been exposed to many different obstacles and went through with a brave attitude. Chubs has been roping the heel-o-matic and would make a great addition to the heeling pen. He has roped live cattle and shown interest in roping, and working the flag. Chubs is UTD on vaccinations, shoeing and deworming.

# THE ROUND UP COMMERCIAL BEEF

The 2025-2026 Commercial Beef SMF Team Unit powered by New Holland Agriculture is excited to welcome you to the 6th Annual Round Up Sale! Our Team is proud to offer an outstanding selection of Angus/Simmental replacement heifers this year. These heifers were born between January and March of 2025 and have been carefully selected for their overall quality, including structural soundness, moderate frame size, and strong growth performance. Each heifer is smooth muscled, well-balanced, and developed to make a productive, long-term addition to any herd.

Our Unit takes great pride in raising healthy, functional cattle. All these heifers are under a comprehensive herd health program and will be palpated prior to sale date to ensure reproductive soundness. We strive to provide cattle that will perform efficiently and produce quality calves for years to come.

Please feel free to view these heifers on our Facebook page or by contacting our Round-Up coordinator Regan Sargeant at (780) 581 3834 to see our heifers in person. We look forward to hearing from you!

*Sincerely,*

# THE ROUND UP EXTENSIVE GRAZING

Welcome to this year's round up sale! This year we are excited to offer our favorable bred heifers. These heifers were born between May to July of 2024. They are all Angus Herford crosses with an average weight of 1,148.6(Lbs), and average birth weight of 82.4(Lbs). These heifers are due to calve in the months of May to July of 2026. We selected these heifers for overall structural soundness, strong genetics, and calm temperaments. Our herd's genetics are built off the ability to serve as low maintenance with efficient calving ease, and capability to perform on extensive grazing systems. Our Herford and black Angus bulls were turned out on July 22nd and pulled October 1st. Feel free to contact our round- up coordinator Nicole Nendze for more questions (780-206-9505).
