Online Viewing & Bidding

Mark Shologan www.dlms.ca 780-699-5082

Viewing the Bulls

We welcome visitors at any time. We encourage you to come to the farm before the sale and to take as much time as you need to view the entire offering.

Video Sale

This is a video sale, the bulls will not be walking through a sale ring. Please come early to view the bulls penned outside prior to the sale. Videos of all the sale lots will be available for viewing prior to the sale at www.cattlevideos.ca and www.charolaisbanner.com.

Bull Warranty

We guarantee to provide you with a sound, fertile bull capable of servicing a reasonable number of cows. In the event that your bull is a non-satisfactory breeder, the seller will not, under any circumstances, be responsible for more than the original selling price of any bull sold in the sale. The seller will not provide replacement or credit for mismanagement. Therefore, we stress the importance of insuring your bull. An insurance agent will be available on sale day.

In the event that your bull is not working for the breeding season following its purchase, know that we have kept spare bulls for that breeding season to make sure that your cows get bred. We will collectively come up with a solution to your needs.

Semen Rights

Legacy Charolais reserves the right to collect semen on any of the bulls sold at their expense and buyer's convenience.

Delivery

We will deliver all insured bulls free of charge to central points in Western Canada by April 1, 2026. Bulls that are not insured will be delivered at the seller's earliest convenience.

Volume Buyer

If purchasing 3 or more bulls you will receive a 3% discount on all your purchases.

Repeat Buyer

If you purchased a Legacy bull in 2024 or 2025, you will receive a 3% discount off your bull purchase of 2026.

Buyers who qualify for both discounts, however, will only receive up to a maximum of 3% off their purchase price.

BREED AVERAGE EPD'S - FEB 2026

CE	BW	WW	YW	MILK	TM
5.5	0.2	61.2	112.7	23.0	53.6

Between Botha and Gadsby; Go north on RR 18-0 for 2 miles, turn West for 3/4's of a mile on 39-0, then turn north again on RR 18-0. Continue north for 5 miles, the road dead-ends in Legacy's yard.

From the Junction of 601 and 56; Turn east on Hwy 601 for 5 miles, turn south on Hwy 850 for 2 miles, then east 5 miles on Twp 39-4 to RR 18-0, then north 3/4's of a mile into the yard.

Welcome

on the business side

We would like to welcome our fellow cattleman and friends to our 9th annual bull sale.

We are extremely proud of the set of bulls we have for offer this year. We have sorted the bulls out for you by sire group, but any group could have started this years catalog. It is important to us that you see the whole program and we are proud to picture and video all sixty bulls in the sale.

At Legacy Charolais we are always trying to do better. We are constantly trying to improve genetics, farm as efficiently as possible all while trying to reduce the workload. We have high expectations from our cow herd – they have to be functional and productive with an emphasis on consistency. If we select for these traits, they transfer forward into the herds that Legacy bulls are used in.

Often in this business our customers become fast friends. Even though everyone's farms are unique, there is a lot of commonalities with having cattle in which we appreciate. Thank you for your past support!

Please know this when you are purchasing a Legacy bull- we are in this business because we love the challenge of raising quality cattle and we appreciate the people we meet along the way. Quality and honesty are the foundation we believe will make our herd succeed.

We understand the importance of your investment. We are happy to assist you in any way we can. Please feel free to call us if you have any questions. If you would like to view our bulls or herd in person, we are happy to show you sale day or whenever it works for you ahead of time. At Legacy, it is always an open-door policy.

on the fun side

In between farming, we fit in a little bit of fishing and camping. We went on a BC road trip right before harvest in which we had a great time.

CCYA was hosted in Stettler this summer and it was amazing! We were very proud to be amongst the amazing organizing families. This year was extra special as Hayley had well-deserved success with her show cow. She genuinely believes in this pair, did the work to get her where she needed to be for the show and won herself Reserve Grand Champion Charolais Female. Equally as impressive was when the kids' herdsman group was awarded top place! This is an award about teamwork and positivity and we are very proud of all of the kids in the group.

Harvest was all hands-on deck this year. We are very thankful to Tyson, Rhonda, Peter, Hayley and Owen for all going that extra mile to help us get it in the bin.

Cheers,

Troy, Dianna & Family

with hospitality following the sale!*

Sale day is about the people we get to see!

SIGHT UNSEEN PURCHASING OPTIONS

In the event that you cannot attend, please know that we stand behind the quality of all 60 bulls in the sale. Along with ourselves, any sales staff is committed to being honest and open about the stock- as we are all invested in creating a healthy buying relationship.

Jon Wright from Wright Livestock Marketing will join us again this year. He is committed to your success as much as we are. If you prefer another opinion, we encourage commercial or purebred customers alike to contact him with any inquiries about the Legacy bull pen, cow herd, or the reputation of the people your doing business with.

TERMS AND CONDITIONS

Terms: The terms of the sale are cash or cheque payable immediately after the sale in Canadian funds. All settlements must be made with the sale clerks before cattle will be released. The right of property will not pass until final payment is made.

Bidding: Each animal will sell to the highest bidder. Bidders unable to attend the sale may phone their bids and instructions to the sale manager, auctioneer or special representatives. Bids must be received in sufficient time prior to the sale.

Disputes: Bidding will be reopened between the parties involved. If no further bid is made, the buyer will be the person from whom the auctioneer accepted the last bid. The auctioneer's decision is final.

Announcements: Announcements made from the auction block will take precedence over printed matter in the catalogue. Buyers are cautioned to pay close attention to announcements.

Purchaser's Risk: Each animal becomes the risk of the purchaser as soon as sold. Animals will be cared for at the purchaser's risk for a reasonable length of time. All animals left with the seller must be insured.

Certificate of Registration: Each animal will carry papers issued by the Canadian Charolais Association. A certificate of registry duly transferred will be furnished to the buyer after payment has been made.

Delivery: Assistance will be given in making delivery after the sale. The purchaser agrees shipping arrangements will be at the convenience of the seller, but will be as soon as practical after the sale, at the buyer's risk.

Breeder Guarantee - Bulls: Should any bull fourteen months of age or over, fail to prove a breeder after being used on cows known to be breeders, the matter shall be reported in writing to the seller within six months following the date of purchase or six months after the bull has reached fourteen months of age. The seller has the right and privilege of six months to prove the bull a breeder. No guarantee is given that semen collected from the bull will freeze.

Bull Evaluation: All bulls current weights and scrotal measurements will be available prior to sale day. All bulls selling will be semen tested. In the event that you purchase a Decision Deferred bull, we will re-test the

bull as soon as it is safe to do so following the sale. If the bull does not pass that semen test, we will let you use a different bull for the current breeding year and keep a sale credit of the value of the bull you purchased, or refund your money back. We would never keep a bull in the sale that we did not believe, with the advice of the vet, would not go on to pass a semen test.

Exception Guarantee: In case where the animal is subjected to any hormonal or surgical reproductive techniques after the sale, this guarantee shall be null and void. The seller is not responsible for damage caused by foreign bodies after the animal has been sold or for sickness not apparent at sale time. In no event shall the seller be responsible for more than the purchase price.

Accidents: Although every precaution will be taken to protect the safety and comfort of buyers, neither the sale manager, auctioneer, or sellers assume any responsibility and disclaim any liability, legal or otherwise, in the event of accident or loss of property.

Insurance: Insurance will be available sale day.

JWX KINGSTON 7159K

PERFORMANCE BW 86 | 205D 896
 EPDS CE 7.6 BW 1.3 WW 88 YW 166 MILK 14 MTL 57

Kingston was purchased in 2023 as the \$52 000 high seller in Wilgenbush's bull sale that year. We didnt get to use him as a yearling due to an infection, but we are glad we waited as he is proving himself to be a worthwhile investment.

We believe that this bull is an elevator! He is huge middled, perfect footed, sires easy calving calves, with a great disposition – just an all-around great bull. We are very excited to be able to lead off this year's sale with this sire group.

OUR FEEDING PROGRAM

Initially the calves are started on a palatable calf starter to promote solid feed intake while on pasture. Calves are then transitioned to Country Junction Feeds 16% Right Way Classic ration, a blend of digestible fibres to provide energy for growth while maintaining low dietary starch levels. In addition, it contains chelated minerals, trace minerals and Vitamin E at a higher level to promote better skeletal growth, scrotal development and immune response. Once off pasture, calves are fed a silage based total mixed ration supplemented with the same pellet. This feeding program balances skeletal development with muscle development making the bulls ready to go cover some ground.

BIRTH WEIGHT & CALVING EASE

University studies in Wyoming and data from Montana and Colorado lend credence to the following conclusions:

1. The birth weight itself influences calving ease by 65%.
2. The female has 60-70% influence on BW of her calf.
3. The bull has 30-40% influence on BW of his progeny.
4. Pelvic measurement and angle as well as the shape of the calf have 35-40% influence on CE.
5. Length of gestation greatly affects BW. A fetus can gain over one pound per day in the last days of gestation.
6. Weather and temperature the last 30 days affect the length of gestation.
7. Size and maturity of the cow influence CE.

Remember, everything is relevant. Increased growth, frame and performance will increase BW. A longer-bodied calf will weight more. If a calf is expected to have genetics for growth, it will display this prior to birth as well as after. As a rule of thumb, it takes a calf weighing 85 lb. at birth to finish at 1200-1250 lb. A cow should easily give birth to a calf weighing 8% of her own body weight. Thus a 1200 lb. cow should give birth to a 96 lb. calf with ease. Continued selection for light birth weights will ultimately reduce the mature sizes and performance of your cattle.

LEGACYS **ROCKSTAR** 25L

PERFORMANCE BW 101 | 205D 802
 EPDS CE 1.9 BW 1.6 WW 69 YW 129 MILK 24 MTL 58

We have been fortunate enough to get to use a bit of semen from bulls sold in some of our previous sales. Rockstar was sold to Wilgenbush Charolais in 2024 and we thought we'd use him on a handful of select cows.

Rockstar did not disappoint! His offspring have the muscle pattern, length of spine and shape we look for. He encompasses the attributes that we appreciate in his sire, Game Day. We love Rockstar's cow family and feel he is stacked with maternal quality. These Rockstar calves are an awesome and a prime example of why we are excited about this pedigree.

20a-e 50 Straws - LEGACYS GAME DAY 45G

When you know a bull works in every way, it is a natural to keep using him for as long as you can. For us here at Legacy, Game Day has really been the herd bull we measure everything up to.

Game Day was purchased by Poplar Bluff Stock Farm in our 2020 Bull Sale and we couldn't be happier with the friendship this has created. He is continuously siring progeny that mimic his desirable traits – performance, muscle patterning, perfect foot structure, length of spine, docility, haircoat and the homozygous polled gene. There are two things that elevate him to the next level for us- his beautiful, productive females and the fact that his calf crop quality is excellent and consistent. Game Day progeny has been well accepted and topped the sales that they have been part of thus far.

SEMEN QUALIFIED TO BE EXPORTABLE TO THE UNITED STATES.

Limited semen has been available up until now. This year we are cracking the vault and are selling 100 straws of semen.

50 Straws - Sell at the Legacy Charolais 9th Annual Bull Sale – March 1, 2026, 1:00 pm

50 Straws - Sell at the Poplar Bluff Stock Farm 10th Annual Bull Sale – March 24, 2026, 2:00 pm

If you would like to see the impact of this herd sire in either the Poplar Bluff Stock Farm herd, or the Legacy Charolais herd, we would be more than happy to take you through them.

JWX KING MAKER 5418K

PERFORMANCE BW 79 | 205D 780

EPDS CE 6.9 BW -0.4 WW 83 YW 159 MILK 45 MTL 80

King Maker was purchased with our good friends from Poplar Bluff Stock Farm. We are excited to be presenting, for another year, this set of calves sired by him. King Maker for the second year naturally bred our first calf heifers and some select cows and then went on to work at the Taylors. He has continued to maintain his great disposition at both places and is maturing out as we were hoping he would. King Maker is one of the best footed and conformationally correct bulls we have walked here at Legacy. He carries and passes on his exceptionally balanced bone size and style. His offspring are well muscled and fee moving just like him. This year we get to finish his evaluation as we are calving out the females he has sired. We couldn't be happier with how they are milking and performing. We are very glad to have King Maker part of our program here at Legacy.

LAE **JOHNNY WALKER** 150J

PERFORMANCE BW 103 | 205D 782
 EPDS CE 0.2 BW 3.3 WW 93 YW 157 MILK 27 MTL 73

Johnny Walker was added to our bull battery to carry on the performance we desire in our bull pen with a splash of style. We walked this bull on our cows and he was excellent at covering ground. The Johnny Walker son's we have sold in the past have been well received and we feel that this year's set is even more impressive than the last. Our intentions worked out and this sire group is another great option for cow bulls in our bull pen.
