LUNDAR'S 58TH ANNUAL SALE

President's Message

On behalf of our executive, board of directors and volunteers I would like to welcome you to the 58th edition of the Lundar Bull Sale. Another year of great prices plus an excellent group of bulls and females should make for a great sale. Hope to talk to you sale day. Good luck to buyers and sellers.

Jack Cruise

Terms and Conditions

Bulls and females to be guaranteed breeders. The guarantee and terms (90 days), shall constitute a contract between the buyer and seller of each lot. The sale managers will not be responsible for accidents, but every precaution will be taken to provide for comfort and safety of the guests. Announcements from the auction block will take precedence over the printed matter in the catalogue. Immediately after each purchase is declared, the risk of the animal shall be exclusively with the purchaser.

The Lundar All Breed Beef Cattle Sale, acting as a medium between the buyer and the seller, will not be responsible for any loss, damage or injury that may occur to animals or people. All bulls are semen tested. Animals cannot be bought after the sale unless the sale goes through the office. The price will be a minimum of \$100 above the floor price. Terms of sale ~ cash.

Nintendo 5N had been a stand out right from the start, just like his sire (Level up 78L high seller in 2024, sold right here to Greg MacMillan). He is short-marked, dark red and super stout with loads of muscle. His 2 year old dam did a great job with him as her first calf.

Neil 23N comes to you out of the same cow as the Mater 9M bull we sold here to Adam Krochenski in 2025. And again, off that good Level Up 78L bull. He is smoother made, long spined, red necked, goggle eyed and super short marked. He has the calving ease and low birthweight to take the guesswork out of calving heifers, coupled with the added length to really pack the weight on calves at weaning. He's got good carcass traits including excellent rib eye area, marbling and carcass weight EPDs.

Neil

The top gainer in the bull pen, this long-bodied, performance-driven bull offers added length and extra frame without sacrificing balance. He is strong topped, and built on a solid foot and leg structure that should hold up under service. Out of one of our foundation cows, Topview Tibbie 26G, this bull brings proven maternal strength behind his performance. A powerful option for adding growth, scale, and pounds while maintaining structural integrity and cow sense.
