Maines on the Plains

MAINE-ANJOU SALE

PRESENTED BY THE SASKATCHEWAN MAINE-ANJOU ASSOCIATION

THURSDAY NOVEMBER 26, 2026 AT **3 PM** **REGINA, SK**

Maines on the Plains

We are extremely excited to bring you the 5th annual Maines on the Plains sale. As challenging as the year has been, our consignors have stayed committed to bringing out some of the finest, progressive Maine-Anjou genetics in Canada. Whether you're looking for your next show heifer. A future donor or an elite program changing fullblood herdsire. We believe there is something here for everyone.

Please join in us November 26th in the John Deere Sales ring at Canadian Western Agribition at 3pm and be sure to take in the open Maine-Anjou show the day prior November 25th at 3pm, as well as the Maine Attraction heifer calf jackpot at 9am before sale.

Please reach out to any of the consignors with any questions you may have.

Can't wait to see you all there!

TERMS AND CONDITIONS
All cattle and genetics sell under the standard terms and conditions of the Canadian Maine-Anjou Association and are available upon request. All payment is due immediately upon the conclusion of the sale; payable to the: "Saskatchewan Maine-Anjou Association."

All sold lots will not be released to the buyer until said lot is paid for in full, unless an arrangement has been made between the buyer and the seller. If a separate arrangement is made between buyer and seller it must be made clear in writing to the Saskatchewan Maine-Anjou Association, and at which point the Saskatchewan Maine-Anjou Association removes itself from any liability and/or obligation in regards to the payment of that said lot.

The consignors will work with any US buyers to help arrange transportation to the U.S. U.S. funds will be accepted at the current rate of exchange announced sale day and will be posted prior to the sale.

OFFERED BY **RED FOX MAINES**

Pit Boss checks every box; style, performance, colour and hair all in a stout made package. This young end of March calf has been a stand out since day one. He is out of a heavy milking Manitou Focus female. 32K is very moderate when it comes to fullblood cattle. Be sure to check out Pitt Boss at CWA this fall.

*Retaining 25 straws for in herd use only

OFFERED BY

GILCROFT FARMS

Paisley is a moderate framed , horned fullblood female with lots of growth potential .

Her sire Gilcroft Dancer was a bull we raised and sold to Eastern Breeders off test . He averaged close to 5.5 lbs a day over a 120 day test period with one month just over 7 lbs a day. At 13 months he weighed just over 1600 lbs. Dancer calves are low birth weight with fast gains.

Her dam Gilcroft Macey is out of a homo polled bull purchased from Badger Hill as a heifer bull. This female did a great job as a first calver raising Paisley with a great udder and lots of milk.

I think this heifer has a lot of potential and a great addition to anyone's herd that is looking for a new bloodline to expand from.

MMT MAINES

I knew when I started planning to bring animals to Regina I wanted to show up with something that stands out and Petunia has caught our eye since she was born. She has the power and smoothness to fit into any herd and the chrome to pop in the show ring! The Connie 123J cow has become one of the most impressive cows in our herd and her daughter is the next in a great line of females from Wilkinridge Stock Farm. Sired by Bluesky Black Lightning JOR 75L who was shown at Agribition in 2023.

OFFERED BY

SPELLBOUND MAINES & KAIDEN PICK

There's just something about a redhead.
We were really torn letting this heifer go for sale, but can't keep them all. And if you're going to sell one, it should be a good one. Spellbounds Cinnamon Heart comes from our small, but strong red division of our breeding program. Her dam, Donaro Miss Cinnamon (Eldorado) was purchased by our son as a 4h project from the renowned Spratt family. And sired by arguably, one of the best bulls in the Maine breed today, Game On. She is powerful, yet feminine. Has a good set of running gear under her, square uddered, and just enough sass to get you noticed. All in a polled, purebred package.

701P is a black polled purebred heifer that is built like no other. She is strong over the top and thick through the loin and rear quarter with an excellent set of feet and legs. 701P comes from an excellent Bennelli dam and Drive on Driver granddam in terms of conformation, udder and temperament. She is a doll to work with.

OFFERED BY

DONARO FARMS

One of the first One for All calves to sell in Canada! The One for All calves do not disappoint! This heifer has an excellent profile and still has lots of thickness and rib and carries it to the ground with a large foot. Out of a proven dam this super quiet female has a bright future!

PICK SIX CATTLE

This Made Man daughter comes from the very top end of the replacement pen. We are very excited for her future. Her mother is a former show heifer that Brynne Leppa campaigned successfully and has made the transition to brood cow effortlessly.

639P has the elite hair coat and quiet temperament that would make her perfect for a young showperson, combined with the structural integrity and genetic potential to become a true herd building piece in the future.

OFFERED BY

HANSEN CATTLE

We are excited to offer CGH Pandora, sired by our Vandy Game Time bull, who has consistently produced some outstanding females for us. Out of a moderate-framed, good-footed cow with a well-balanced udder, this heifer is sure to catch your eye with her sweet look, smooth muscle pattern, and good bone. She combines the maternal quality we value with the kind of look and structure that make her an exciting prospect for the future!

PERRY MAINE-ANJOU FARM

17N was part of our summer show string and did not disappoint us as she was class winner several times and was a standout at the junior and 4H shows. Where else will you have the opportunity to purchase a We Deliver with the structure and strength of this broody-looking bred heifer. She combines some great sires in her pedigree such as 1-80, We Deliver, Suh, Maine Man and Ice Chest.

She is safe in calf to Walsh ON The Brink.
Due Date **January 31, 2027**

10 GILCROFT FARMS **PICK OF THE HERD FLUSH**

First time ever offered

Here is your chance at a unique opportunity that has never been offered before.

This is your chance to flush the female of your choice from a herd that has been over 50 years in the making. From older Fullblood and high percentage purebred cows that go back to our original cowherd to our younger cows , some of which are out of old bulls that go back as far as the late 60's. We strive to maintain frame size , growth , performance and strong milking abilities as well as longevity.

You can pick from close to 40 different females and flush to your choice of bulls. Different flush options available at buyers choice.

Guarantee minimum of 6 transferable embryos.
All costs of flushing at buyers expense.

The Maine-Anjou breed is close to our heart. Having grown up in a family of Maine-Anjou enthusiasts. It has always been important for us to support the breed anyway we can. We took this heifer from the top of our replacement pen, a true breeding piece we believe can help a junior start a program, a breeder elevate their herd. Breed her Maine to keep making high end purebred females or use any number of bulls to make fantastic show cattle.
