

BULL SALE

MARCH 18, 2026

BLACK & RED ANGUS YEARLING BULLS

MANKOTA'S STOCKMANS WEIGH CO. LTD. || MANKOTA SK

WELCOME!

TO THE 3RD ANNUAL MCMAHON BLACK & RED ANGUS YEARLING BULL SALE

It's again a pleasure on behalf of all of us here at McMahon Angus to invite you all to our 3rd Annual Black/Red Bull Sale. A huge thanks to all who either bought or bid on our bulls the last couple of years. Although these genetics aren't new to the sale ring, with close to 30 years of genetics on the black side and over 10 years on the red in our program, we believe by closely sourcing herd sires that will continually improve the maternal side of our program, we can reach unimaginable heights.

Consider this an invitation to join us for good fellowship at Mankota Stockmen Exchange, March 18, and to view our offering. Even if you don't really need a bull, we appreciate the interest as we know there are many truly dedicated breeders out there that share our passion in this industry.

This young set of bulls we will bring to town in hopes of appealing to the most discriminating cattle producer, as we believe feedback and your shared vision on different genetics is what makes all of us to be successful. We strongly recommend these bulls come back to McMahon after the sale free of charge until May 1, where they will continue to be developed for their 1st year of breeding. We truly feel how a bull is fed in his 1st 2 years of life greatly predicts his future for many years in the breeding field. We will then deliver them starting May 1st free of charge. A big thank you to all of the guys that help daily with what we do around here, I'm truly blessed to have such wonderful help. Sarah and Paul for picking a beautiful day to do videos and pictures, and also to our wonderful neighbors who help out with much needed grass. There's no way we could do what we do without your help.

To my wife Teresa and my daughters Michelle, June, Julia, Sharon and Delilah, for understanding when dad isn't home on time some days (I know, I'm out numbered). And last but not least, to all of you who I forgot to mention, you probably deserve the biggest golden star.

Paul Waldner

Sale Time 1:00 PM

Delivery

Bulls can return to McMahon Angus until May 1st at your request. We deliver all over Saskatchewan and to central locations in Alberta and Manitoba.

Bull Warranty

We guarantee to provide you with a sound, fertile bull capable of servicing a reasonable number of cows. In the event that your bull is a non-satisfactory breeder, the seller will not, under any circumstances, be responsible for more than the original selling price of any bull sold in the sale. The consignors will not provide replacement or credit for physical injury or mismanagement. Therefore we stress the importance of insurance on your bull. An insurance agent will be available sale day.

Internet Bidding Available

OUR PROGRAM

As with any mission we endeavor here at McMahon, we trust in the good Lord to captain it. Without him blessing our mission, it's mission impossible.

We would like to explain a little of what we strive for in our cow herd. We feel once you get to know a breeder's program it's easier to source herd bulls, we strive to produce moderate, hardworking cows. Our pastures do not consist of knee-high alfalfa/brome grass, we save the land for cereals and pulses. The pastures are made up of waste land that is unable to be farmed which allows us to have multiple breeding fields to run the bulls separately.

We expect our herd bulls to walk the talk and get the cows bred in a 50-day breeding window naturally. We do not incorporate the use of AI or ET technology, so we let the top cows rise to the top on their own. It is important to us that the cows wean a high percentage of their body weight while rebreeding, the bar has been set and they must produce. Breeding for calving ease without sacrificing growth with sound feet and udders is a must. The calves are never fed creep as we want to know the cows' true production ability. Supportive feed will add additional weight to the calves so comparing calves that have received different management scenarios is not a fair assessment. It is important to evaluate herds in the manner in which they were raised during the first year of their life. With that we look to source our genetics from breeders which share the same mentality and goals as we do for long term success. We feed out all of our own cattle, so we are very much aware that good feed covers bad warts.

We also strongly recommend stopping by the farm prior to the sale to see the females to give a better understanding of our genetics and how the female side of the cattle turn out. We feel the cow is the major factor in genetics and worth more than half of the herd sire(s) you select. Whether or not our program fits yours, we look forward to visiting in the future.

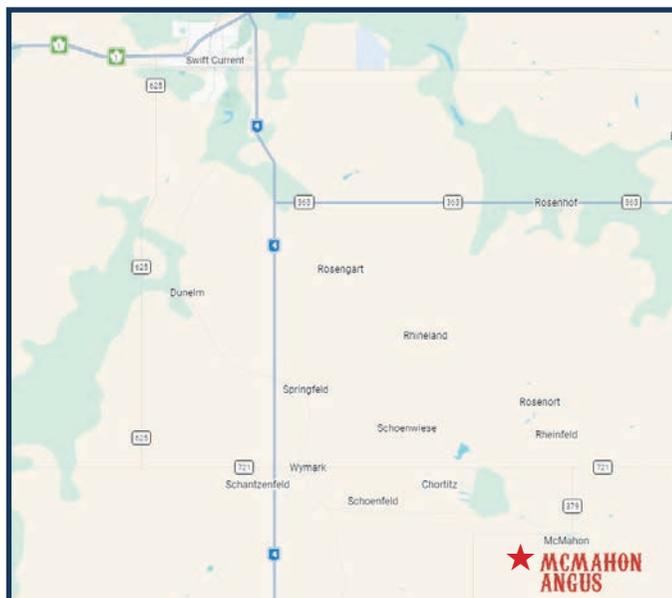

McMahon Angus
Paul Waldner

BULL VIEWING

ONLY 25 MINUTES FROM
SWIFT CURRENT

View the bulls at McMahon Angus prior to March 16th. Bulls will be available for viewing at Mankota Stockmen's Weigh Co. on the afternoon of March 17th right up until sale time.

Again out of the Wilbar program, bought him for his maternal strength. BW of 65 with a huge yearling spread. Now that's what this program is all about, and he has not disappointed. Not too many bulls in the sale this year but wait until next year, his calves look awesome.

THANK YOU

Thank you for considering our program. We know there are a lot of other great breeders out there, so we appreciate you taking the time to go through our offering.

TERMS OF THE SALE

TERMS:

The terms of the sale are cash, cheque, or previously arranged financing. Settlement is to be made to the clerks following the completion of the sale. Animals will not be released until settlement is made. All monies are in Canadian funds. Cheques can be made to **MCMAHON COLONY FARMING**

DISPUTES:

Bidding will be re-opened between the parties involved in a dispute. If there is no advance by either party, the buyer will be the person from which the auctioneer received the last bid. The auctioneer's decision is final in these cases.

ANNOUNCEMENTS:

All announcements made from the block will take precedence over any printed material in the catalogue. Therefore buyers should pay close attention for such announcements.

RISK:

Ownership risk to the purchaser commences when the auctioneer hammer falls. Insurance is available sale day.

BREEDING GUARANTEE:

All cattle are sold as sound and right and sell with a "Responsible Breeders Guarantee of Satisfaction". In the unlikely event of a dispute, the regular sale terms and conditions standard with the Canadian Angus Association shall apply.

SOUNDNESS EVALUATION:

All bulls will be semen tested prior to the sale and will have been accompanied at the time of delivery by a certificate that meets or exceeds the CAA standard of 70%.

LIABILITIES:

All people attending the sale do so at their own risk. Although every precaution will be made to insure the safety and protection of both buyer and the livestock, the auctioneer and the sellers accept no responsibility in this matter and disclaim any liability, legal or otherwise, in the event of an accident or loss of property.

Return Undeliverable
