BULL AND FEMALE SALE

MARCH 8-9, 2026

nicklasonstockfarms.ca

www.farmgatetimeductions.ca

Welcome to our Third Annual Bull and Female Sale

Welcome to Our Third Annual Bull and Female Sale

Thank you for your interest in our Third Annual Bull and Female Sale. First and foremost, we are truly grateful for everyone who has supported our program over the years. It has been a pleasure doing business with such wonderful people and excited to extend that circle of friends.

2025 has flown by, and while it had certainly brought its challenges, we remain optimistic for 2026 with the strong cattle prices and lots of winter moisture on the ground to start the spring off.

Due to severe drought and grasshopper issues, we unfortunately had to sell the replacement open heifers originally slated for bred heifers in this sale. Thankfully, we welcome a guest consigner, Leitch Livestock, to help fill the gap. The Leitch family are skilled cattlemen and long-time customers, operating a ranch near Brownvale, AB.

We do our best are committed to producing the best quality cattle, and will forever focus on key traits including disposition, udder quality, and foot and leg structure. Our bulls are developed moderately and slowly on a diet of forage, low energy, without any creep feeding. Our females selected for sale are all home-raised, adhering to the same culling principles.

We invite you to explore our offerings at any time before sale day or join us at our open house on Sunday, March 8th, from 11 AM to 5 PM. For those who are unable to attend, we provide alternative arrangements and assistance to help you find the right offering. Videos will be available on www.dlms.ca prior to the sale. Stay informed by visiting our Nicklason Stock Farms Facebook or youtube pages or our website at nicklasonstockfarms.ca.

Thank you once again for your interest and support of our program. We look forward to meeting new customers and friends along the way!

Warm regards,
The Nicklason Family
Brad, Kristi, Cole, and Bree

Cole's new hired hand

Brees last school year

BULL AND FEMALE SALE

Sale starts March 8th at 8 AM and closes
March 9th at 6 PM with racehorse style timed
sale with soft close and extended bidding

Timed Auctions Made Easy
Mark Shologan 780-699-5082
Sale Tech Support 780-991-3025

Terms and Conditions

Retaining Interest: The seller reserves the right to collect "owners use" semen from any bull in the sale at the sellers expense and buyers convenience

Breeding Guarantee: All bulls will be semen tested by a licensed veterinarian prior to the sale all deferred bulls will be noted as such. All Heifers have been verified bred and palpated for breeding soundness by a licensed veterinarian

Terms: All cattle purchases will be invoiced to the buyer, and payment in form of e-transfer or cheque will be accepted. Payment is required upon receiving the invoice. Cattle will not be released from the sale premises until payment is received in full, unless other arrangements have been made prior to the sale. Every animal sells to the highest bidder. We reserve the right to withhold animals from shipment for whom payments have not been received prior to departure times.

Buyer Registration: Buyer will have to register with DLMS prior to Farmgate timed auction at www.farmgatetimeductions.ca.

Purchaser's Risk and Insurance: Ownership risk to purchaser commences immediately following auction. We strongly recommend that insurance is purchased.

Announcements: any changes or announcements made on sale days take precedence over any printed material

Viewing

All sale animals can be viewed at the ranch.

Delivery

Every assistance will be given to help you get your bull purchases home. Bull purchases include free delivery up to 350 km and until April 1st.

Feed costs are free until April 1st, \$5/day after April 1st, 2026.

Females must pick up within a week of the sale.

\$150 Discount per bull if you pick up your bull within a week after the sale! Any bulls staying at the farm MUST be insured.

Calving Ease

We used actual Birthweight and CED EPDs

We also have a suggestive or estimated rating on all the sale bulls in this Sale Catalog; this is our criteria:

4. Likely to have a high level of calving ease based on dam and sire history
3. Should be comfortable for use on heifers but may require some assistance.
2. Bull could be used on cows, 2nd calvers and large, well grown heifers.
1. Bull should be used on cows

E BW - Birth weight
P WW - Weaning Weight
D's CED - Calving Ease Direct is an epd prediction, the higher CED value means easier calving
AOD - Age of Dam

Two Year Old Angus Bulls

RED NICK MILES 1M

Reg# 2391701

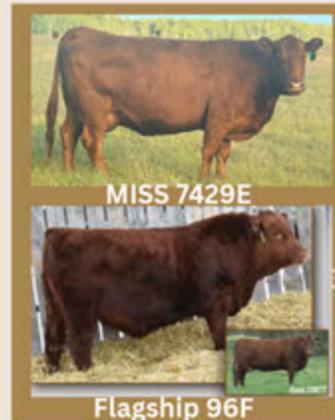

Birth Date	BW	WW	CED	AOD
April 13, 2024	93	693	+3	9

This Flagship son is easy fleshing with great depth of rib. Miles should be an excellent cow maker plus produce thick heavy steer calves. Very docile temperament as well!

Apr 30, 2023	74	687	+5	11

This fella exhibits exceptionally strong maternal traits from both sides of his pedigree, coupled with a lower birth weight option from a proven, gentle-natured dam! His dam, who has had 10 calves, with birth weight averages of 71-85 lbs. while the sire, with 470 calves, averages 78-81 lbs.

You would definitely want to keep the heifers off this heifer bull candidate!

Calving Ease 4

Mac is backed by a breed elite dam 165C. She consistently has had low birth weight calves and has strong feet. Unfortunately, she fell quite ill last summer, which has resulted in Mac's weaning weight being lower than her typical performance. He is dark cherry red hided, profiles well with a real good set feet. He should cover some gals!

Two year old Simmental / Angus Bulls

These bulls are selected from our proven commercial dams, making them exceptional candidates for herd bulls. We have retained sisters of these bulls and are confident that they will serve as outstanding cow bulls for any cattle operation.

21K

Birth Date	BW	WW
April 21, 2024	84	722

Near half-blood AI calf from Malbec with lower birth weight yet still packed with muscle and excellent confirmation. Malbec was a great pairing with this gentle natured ideal dam 21K! Very docile and would be a great herd bull to add to your herd!

Calving Ease 1

127

Birth Date	BW	WW
May 6, 2024	92	676

Calving Ease 1

When Dad was still working on the farm, 127 Dam was one of his favorite cows. She had a moderate frame and a pear-shaped body, an exceptional udder, strong feet, and a lot of eye appeal!

Lot 20 is a bull that is exceptionally smooth, well-balanced, and has a clean front. He's quite a handsome fellow!

223

Birth Date	BW	WW
May 7, 2024	105	832

Calving Ease 1

223 dam is nicely wedge shaped and carries a great udder, a very high performing cow with docile calves. She is also from a productive and prominent cow family in our herd!

223 will bring some lookers come sale day, with his dark cherry red hair coat and weighing at the top end of the weaning weights. Sizable scrotal!

223 dam

Lot 22 maternal grand dam pictured @ 12 yrs old
