Online Sale

SALERS BULLS
& FEMALES

Timed Auctions Made Easy

FEBRUARY 18-19, 2026

Welcome

 to our second annual Salers Bull and Female Sale.

Heath and I share a passion for raising high quality purebred cattle and building a program rooted in hard work, integrity and family values. Together we are hands-on in every aspect of the operation, from daily chores to long term breeding decisions, ensuring our herd reflects the standards we believe in.

Our program focuses on producing cattle that are functional, sound, and consistent, with an emphasis on proven genetics and practical performance. Careful selection and attention to detail guide each mating, with the goal of raising cattle that work in real world environments and add value to both seedstock and commercial operations.

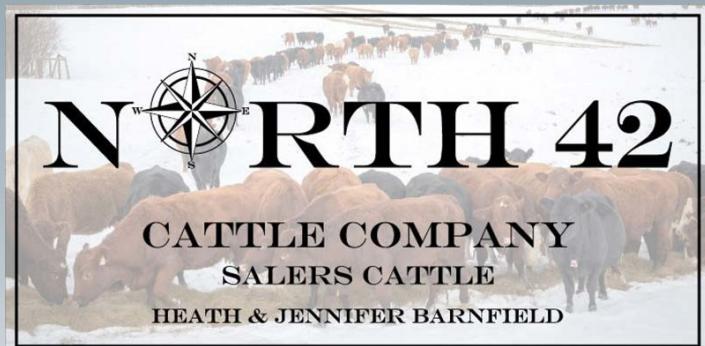

Beyond genetics, Heath and I place a strong priority on animal care and responsible stewardship of the land. Cattle are raised in a low stress, hands-on environment that promotes longevity and durability. This approach allows us to develop cattle that are adaptable, efficient and built to last.

Above all, we value relationships within the cattle industry and the trust of fellow producers. Whether working with first time buyers or longtime customers, we are committed to honesty, transparency and standing behind our program, taking pride in offering cattle that we are confident in using ourselves.

Heath and I would like to sincerely thank our family, friends and neighbors for the many ways they support us throughout the year. Your help, encouragement and willingness to lend a hand never go unnoticed. We are also truly grateful to everyone who has purchased bulls and heifers from us in the past. Your trust in our program means more to us than we can express and we deeply appreciate your continued support.

Thank you,

Heath & Jennifer Barnfield

Semen Rights

We reserve the right to collect semen on any of the sale bulls for in-herd use only. If you have any questions, please contact us.

100% Guarantee

Should any sale bull fail to be a satisfactory breeder or be unable to physically service a cow or heifer, barring injury or mismanagement, a bull of equal value will be provided or a credit will be issued towards the purchase of another bull.

Health & Fertility

All bulls over 13 months of age will be semen tested. All bulls will be scrotal measured and vet examined. All bulls were treated with Ivomec and have received all their vaccinations.

Buyer Volume Discount

Buyers who purchase 3 or more bulls will receive a 5% discount. The volume purchase must be from the same farm for the discount to apply.

Prior to sale, sale animals are available for viewing at the ranch, anytime. We're always here!

Bull Development Option

North 42 Cattle Company will keep the animals, free of charge, until April 1, 2025. Buyers will need to insure their animals while under the care of the consigner.

Pick Up & Delivery

All animals will remain on the farm after the sale and be delivered anywhere in the Peace region and to central locations free of charge. Anywhere outside of this will be shared costs of the buyer and seller. We will do our utmost to deliver right to your yard. We will start delivery shortly after the sale date, so please have a spot ready for your animal as we try to make full trailer loads when delivering.

TERMS & CONDITIONS

TERMS The terms of the sale are cash or cheque payable at par to sale consignor at the farm within 7 days of the sale or at delivery unless satisfactory credit arrangements have been made previous to the sale with sale manager. The right of property & delivery shall not pass until after settlement is made. **BID** Every animal consigned to the sale must be sold by auction. No private sales will be allowed except as otherwise provided for in the terms and conditions. No by-bidding will be permitted. Each animal will be sold to the highest bidder. **DISPUTES** In cases of disputes, bidding will be reopened between the parties involved. If no further bid is made the buyer will be the person from whom the computer accepted the last bid. The online auction company's decision in such matters will be final.

PURCHASER'S RISK Each animal becomes the risk of the purchaser as soon as sold. Animals will be cared for at the purchaser's risk for a reasonable time. **ANNOUNCEMENTS** on the sale page will take precedence over printed matter in the catalog. Buyers are therefore cautioned to pay attention to any such announcements.

CERTIFICATE OF REGISTRY Each animal will carry papers issued by the applicable breed association. A certificate of registry duly transferred will be furnished to the buyer for each animal after payment has been made. **DELIVERY** Every assistance will be given in making shipment after the sale, but no risk is assumed by Sales Management or Sellers. Expenses incurred are the responsibility of the purchaser. Purchasers are requested to furnish shipping instructions when making settlement.

INSURANCE Agents will be available to insure your purchases. Animals returning to the consignor's farm must be insured.

GUARANTEE All animals in this sale will be sold under the terms and guarantees set forth by the applicable breed association with regard to health, freedom from defects and from both reproductive and specific genetic unsoundness. At no time shall the seller's liability exceed the purchased price of the animal.

EXCEPTION TO GUARANTEE In cases where the animal is subjected to any hormonal or surgical reproduction techniques after the sale, the guarantee shall be null and void.

ACCIDENTS Although every precaution will be taken to protect the safety and comfort of buyers, neither the Sales Management or Sellers assumes any responsibility in this matter and disclaim any liability legal or otherwise in the event of accident or loss of property.

Foster's AGRI-WORLD

Foster's Agri-World offers new and used agriculture equipment and provides farmers with parts and service for the industry's leading brands, with locations in Beaverlodge, Fairview and McLennan.
