1 CHARITY STEER 2026

The Regional 4-H program is proud to introduce Millie, the 2026 Charity Steer. Each year, the charity steer project allows our Regional 4H members to give back to the generous communities that continually support them. The responsibility of raising the steer rotates among clubs, teaching youth leadership, responsibility, and the importance of community service. "Millie" will be showcased at the PA Regional Show and Sale on June 7 & 8 at the Prince Albert Exhibition Grounds.

This year, all proceeds will support the new Mental Health Inpatient Unit through the Boreal Healthcare Foundation. Mental health needs in our region continue to grow, and access to timely, compassionate care is essential. This new unit will provide a modern, therapeutic environment, private patient rooms, family-supportive spaces, and increased capacity for mental health services in northern and central Saskatchewan.

Since its beginning in 2001, the Charity Steer program has helped local 4H members raise over \$400,000 for community charities. This longstanding tradition reflects the commitment of our youth and the generosity of supporters like you. We respectfully invite you to consider becoming a donor of the 2026 Charity Steer. Your contribution, whether financial, in-kind, or through participation in the live Dutch Auction on June 8th at 3:00 pm, will directly support improved mental health care for individuals and families across our region.

Raffle tickets will be available for purchase for your chance to win "Millie" complete with cutting and wrapping donated by Northern Meats. Donations will also be accepted in person and online via DLMS. Your support will help ensure that people in our community can access the mental health care they need closer to home, surrounded by their families, support networks, and community.

BRETT MORRISON

A name we carry in memory.

In loving memory.
Always with us.

Millie is the name spoken in laughter, in stories, and in quiet moments of remembrance.

It is a name filled with love, a reflection of the bond he shared with his children.

Thank you for considering this meaningful opportunity to make a lasting impact in our region. Together, we can help build a stronger, healthier future for Saskatchewan families.

If you have any questions or would like to discuss sponsorship opportunities, please contact:
Tannis: 306-961-4323 Nicole: 306-940-7377 Ty: 306-981-4235

THANK YOU to the following for your contribution to charity 2026:

- JGL Livestock for the donation of the steer
- Lake Country Co-op for the beef ration donation
- Northern Meats for donating the cutting & wrapping
