

Pembina West 4-H Beef Club

Lot # 199

My name is Jill Sawchuk and I am a senior member of the Pembina West Beef Club. This is my 10th year in 4-H and this year I have a market steer, yearling heifer, and 2 year-old cow/calf projects. My steer's name is Archie and he is a Shorthorn Charolais cross. I chose Archie as my project this year because of his incredible length and depth of body and I felt he had excellent growth potential. Archie has been a great eater all year long and has been a pleasure to work with. I've had a great time watching him grow and I'm really happy with how he is finishing! My club members and I are looking forward to seeing you at our Beef Achievement Day on June 1st at NCL in Clyde!

Lot # 200

My name is Ellie-Rose Fandrick and I am 9 years old. The last 2 years I was a cleaver so this is my 1st year as a junior member. I have a steer project; his name is Willy. He is a highland and was born April 28, 2025 at the Highland Rocky Ranch by Glendon, AB. I picked him because I love highland cows and he is very friendly. Willy weighed 327lbs at our first weigh in and I hope to have him up to over 600lbs at Achievement Day. Hope to see you there!
