Sale Day Welcome...

The Premium Genetics Bull Sale showcases high quality breeding bulls from leading seedstock producers. Each consignor participating in this sale is committed to continually enhancing the quality of their breeding programs, and the bulls presented here are a testament to that ongoing dedication. Buyers can be confident in finding structurally sound, high-quality bulls that are well suited for seamless integration into any herd.

The cattle industry has faced considerable challenges in recent years, particularly due to prolonged drought conditions. However, the past year has marked a turning point, with record cattle prices observed nationwide. Steers and bred-cattle prices have reached unprecedented levels, instilling a renewed sense of optimism among producers.

The bulls featured in this sale have been developed from hardy, productive females—cows proven to be sound, efficient, and reliable. These bulls display excellent structural integrity, strong foot quality, ample muscle expression, and impressive width and depth. They have been bred and selected to deliver calving ease with enhanced performance and increased pounds to their progeny, ensuring continued productivity for your herd.

Prospective buyers are encouraged to reach out to any of the consignors prior to the sale with questions or to arrange a viewing of the bulls. You are invited to join us at Johnstone's on the 20th, where you can inspect the offering and enjoy fellowship with fellow cattlemen. If you are unable to attend, please feel free to contact the sale staff or any of the contributors for assistance. Videos of the bulls are available on DLMS, and DLMS representatives will be present onsite to facilitate online bidding for those who prefer to participate online.

A complimentary lunch will be provided on sale day. We appreciate your interest in this offering and invite you to contact us if we can assist you in any way as you consider us as your trusted source for herd genetics.

Hi-Cliffe Polled Herefords

Homo Polled | Pigment L: 75% R: 75%
Heifer Approved

Nevada claimed the title of Grand Champion Bull at the S.E. Sask. Field Day. His strong, masculine build has made a lasting impression on both judges and visitors. As a heifer bull from the reputable Xcel cow family, he can be used with confidence. His dam, Luna, has demonstrated her quality by earning multiple awards in the showing and now continues to excel in the pasture.

Nirvana and his $\frac{3}{4}$ brother Nevada inherit strong maternal traits from proven donor dams such as Xcel, Diamond, Glamour, and Luv Potion. Nirvana's structure and function make him a promising choice for heifers. Last year, he and his dam, Luv Potion, had a successful show season, while Nirvana earned Reserve Senior Bull Calf Champion at FarmFair International.

Nathan stands out for his striking appearance and distinctive physical traits. He exhibits notable width across his topline, hips, and rump, while seamlessly blending his rib, shoulder, and neck for a harmonious and well-balanced look. Nathan was part of our show team throughout the fall season, earning Reserve Grand Champion Bull at the S.E. Sask. Field Day and achieving commendable placements at both Farm Fair and Agribition. His flush brothers are identified as 76N and 13N.

Homo Polled | Pigment L: 100% R: 100%
 Nike needs little introduction—his qualities speak for themselves. This son of Glamour is a structurally sound powerhouse with impressive movement. He stands out for his exceptional length, muscle, and overall volume. As a bull, he promises solid returns come autumn. His sire, Iron Will, was equally remarkable: well-marked, muscular, and successful at GLM Herefords in the United States. Nike also shares maternal lineage with 37N, 76N, and 13N.

 Nickel is a robust bull with significant growth potential. His maternal sibling, Maverick 76M, was named Intermediate Bull Calf Champion at CWA '24 and now serves as our junior herd sire. Three maternal sisters have each won their class at CWA and are thriving in their respective herds. We have male siblings placed with James Koudelka, Kevin & Allan Vestre, Bradley Olson, and Calin & Tara Gauley—all of whom have achieved success in their commercial herds. Nickel is also a flush brother to 46N.

Noble is the youngest offspring of our esteemed 15-year-old foundation dam, Xcel. Xcel serves as the matriarch of Hi-Cliffe's most accomplished cow family, renowned for exceptional longevity and superior maternal characteristics. Noble is a dark, short-marked, structurally sound, and well-footed bull, reflecting the qualities consistently associated with the Xcel lineage. Over 75 head from this family have been successfully marketed, many of which have become standouts within their respective herds.

Homo Polled

Here is a bull that packs a punch. Just looking at him, you can see the limo muscle this bull carries from front to back, without giving up any fluidity while on the move. 520N comes from a high performing cow that delivers top calves year after year. He is DNA test.

520N

Dam

Maternal Sibling

RPY Dream Girl has proven once again why she is one of our strongest maternal dams. 508N & 509N are flush mates and are the complete package. They demonstrate the traits their dam is known for, including depth of body, muscle, thickness and excellent testicular development. On the top side of their pedigree is the well known SSTO Guns N Roses 9407G ET bull, who adds lots of pounds to his calves with their overall thickness and muscle, in a stylish package. Both of these bulls have excellent dispositions and are very easy to work with.

508N is hetro polled and hetro black.

509N is homo polled and homo black.

509N was shown this fall and was Reserve Champion Limousin Bull at Manitoba Ag Ex and class winner at Agribition.

Selling Land & Equipment Since 1960

Franklin Electric

Terms & Conditions

TERMS: The terms of the sale are cash or cheque, payable at par at the sale location. The right of property shall not pass until after settlement has been made; no invoicing on buyers in attendance, unless previous arrangements have been made. Every animal sells to the highest bidder and in cases of disputes, the auctioneer's decision will be final. Current exchange rates will be announced sale day. All monies are in Canadian funds.

BIDDING: Each animal will sell to the highest bidder... no by-bidding will be permitted. Disputes - Bidding will be reopened between the parties involved in dispute. If no further bidding is made, the buyer will be the person from whom the auctioneer accepted the last bid. The auctioneer's decision on all disputes will be final.

ANNOUNCEMENTS: All announcements made from the auction block will take precedence over the printed matter in the catalogue. Buyers are therefore cautioned to pay close attention to such disclosures.

CERTIFICATE OF REGISTRATION: Each animal will carry papers issued by their breed association unless otherwise stated. A certificate of registry duly transferred will be furnished to the buyer for each animal after payment has been made.

RIGHTS AND OBLIGATIONS: The above terms and conditions of the sale shall constitute a contract between the buyer and seller and be equally binding to both. Resale of animals following purchase in this sale shall constitute a separate transaction and the rights and obligations of the two parties connected thereto are not covered by the terms and conditions of this sale.

PHONE, MAIL, WIRE BIDS: Bidders unable to attend the sale may phone, wire or mail their bids and instructions to the sale managers, auctioneer or special representatives. Bids must be received in sufficient time prior to the sale.

DELIVERY: We will assist in arranging transportation wherever possible. Each animal becomes the risk of the purchaser as soon as sold.

INSURANCE: Will be available sale day. We strongly recommend that insurance is purchased for full value.

ERRORS: All announcements at sale time, written or oral, supercede any written material in the catalogue.

Return Undeliverable
