Stride Exhibition Grounds

welcome to the sale

This will be our 9th sale at Neepawa this year. Time flies when you are having fun. What a great time to be a cattleman! We still need to get as much as we can out of every calf with the high costs of production. I feel we are making strides getting into some good Angus herds with reports of getting \$200-\$250 more for the baldy calves over straight black calves!

I have seen most of the bulls for the sale and they are a really nice group with lots of pigment and size. There is a great selection of bulls to be used on heifers. Don't forget that we sell our calves by the pound and there is a need for good performance bulls as well. As always, there will be some very fancy heifer calves to offer. We put the same effort into raising them as we do our bulls, paying attention to temperament, feet and legs, and udder quality.

The contributors in the sale are very approachable and would be happy to talk to you about their offerings. There will be lunch provided and a pie sale to support our local 4H club so we look forward to seeing you sale day!

Doug Troop

from the desk at **T Bar C**

This group of progressive Manitoba breeders proudly presents one of the most impressive bull offerings in the province each year. The Prime Plus Sale features the largest and most elite selection of Hereford bulls available in Manitoba, representing programs that have built their reputation on sound cattle, practical performance, and maternal strength.

The Hereford offering is complemented by a strong set of yearling and two-year-old Red and Black Angus bulls, giving cattlemen the opportunity to select genetics that will fit a wide range of breeding programs. Whether you are searching for calving ease sires for your heifers or performance-oriented bulls to add growth and pounds to your calf crop, this sale offers the quality and selection to meet those needs. A consistent highlight of the Prime Plus event each year is the impressive group of open commercial heifers. These females combine the strengths of two great breeds—Hereford and Angus—resulting in productive, efficient cattle that thrive in commercial operations. The influence of these maternal-focused genetics ensures these heifers will go on to become the kind of cows that build strong, profitable herds.

CHRIS 306-220-5006

SHANE 403-363-9973

BEN 519-374-3335

LEVI 204-851-4515

The breeders behind the Prime Plus program share a common goal: to provide dependable, functional cattle that deliver real-world value to their customers. Their commitment to quality, consistency, and customer success is evident throughout the offering.

We encourage you to evaluate the cattle, visit the breeders, and take advantage of the outstanding genetics on offer. The Prime Plus Bull Sale continues to be a premier source for Hereford and Angus genetics in Manitoba and is one you don't want to miss. However, if you are unable to attend require any assistance, please feel free to contact any member of the T Bar Team.

Maybe the most striking of the Charisma sons. Goggle-eyed, red neck, short-marked. Has a maternal sister in the pen, one of my top breds. I would not be afraid of calving heifers to this bull; there isn't much birthweight in the cow family.

SLEEP EASY NEXT SPRING WITH THIS
CALVING EASE
SPECIALIST

Homo Polled. Tested free of all genetic defects.

This guy didn't look very big beside his 1800 lb mother, but he has really grown into an impressive bull. His mother always puts a bull in the sale. She is a pet and needs a rub every time you're in the pasture. This bull is also extremely quiet. Would work on heifers.

Mack is a powerful Sun Township 603J son that combines extra thickness with a deep, soggy body type. He's long spined, wide based, and packed with muscle while still maintaining a smooth, balanced profile. Mack moves out freely and stands square on a strong foot and leg, giving him the kind of structure that works in real-world conditions. A rugged herd bull prospect that offers performance and genuine herd bull presence.

HEREFORD**

Terms & Conditions

TERMS: The terms of the sale are cash or cheque, payable at par at the sale location. The right of property shall not pass until after settlement has been made; no invoicing on buyers in attendance, unless previous arrangements have been made. Every animal sells to the highest bidder and in cases of disputes, the auctioneer's decision will be final. Current exchange rates will be announced sale day. All monies are in Canadian funds.

BIDDING: Each animal will sell to the highest bidder...no by-bidding will be permitted. Disputes - Bidding will be reopened between the parties involved in dispute. If no further bidding is made, the buyer will be the person from whom the auctioneer accepted the last bid. The auctioneer's decision on all disputes will be final.

ANNOUNCEMENTS: All announcements made from the auction block will take precedence over the printed matter in the catalogue. Buyers are therefore cautioned to pay close attention to such disclosures.

BREEDER'S GUARANTEE: Should any bull fourteen (14) months of age or over fail to prove a breeder after being used on females known to be breeders, the matter shall be reported in writing to the seller within six (6) months following the date of purchase or six (6) months after the bull has reached fourteen (14) months of age. The seller will have the right and privilege of six (6) months to prove the bull a breeder. No guarantee is given that semen collected from the bull will freeze.

EXCEPTION GUARANTEE: In cases where the animal is subjected to any hormonal or surgical reproduction techniques after the sale, this guarantee shall be null and void.

CERTIFICATE OF REGISTRATION: Each animal will carry papers issued by the Canadian Hereford Association or the Canadian Angus Association. A certificate of registry duly transferred will be furnished to the buyer for each animal after payment has been made.

PEDIGREE ESTIMATES: Pedigree Estimates (PE) are created on the projected mating of the animal's sire and dam based on

averages of the two, creating estimated values that do not hold the same accuracy of actual EPDs issued from the association and should be used as such.

HEALTH: All animals in the sale have met all necessary health requirements.

LIABILITIES: All persons attend the sale at their own risk. The seller, facility owner and sale manager assume no liability, legal or otherwise, for any accidents that occur. It is understood that T Bar C Cattle Co. (2013) Ltd. is acting only as a medium between buyer and seller and is not responsible for any failure on the part of either party to live up to his obligations. Neither does T Bar C Cattle Co. (2013) Ltd. assume any financial obligations to collect or enforce collection of any monies between parties and any legal action that may in exceptional cases be taken must be between the buyer and the seller. T Bar C Cattle Co. (2013) Ltd. assumes no responsibility for any credit extended by the seller to the buyer. The buyer must look to the seller for fulfillment of all guarantees and representations made hereunder.

RIGHTS AND OBLIGATIONS: The above terms and conditions of the sale shall constitute a contract between the buyer and seller and be equally binding to both. Resale of animals following purchase in this sale shall constitute a separate transaction and the rights and obligations of the two parties connected thereto are not covered by the terms and conditions of this sale.

PHONE, MAIL, WIRE BIDS: Bidders unable to attend the sale may phone, wire or mail their bids and instructions to the sale managers, auctioneer or special representatives. Bids must be received in sufficient time prior to the sale.

DELIVERY: We will assist in arranging transportation wherever possible. Each animal becomes the risk of the purchaser as soon as sold.

INSURANCE: Will be available sale day. We strongly recommend that insurance is purchased for full value.

ERRORS: All announcements at sale time, written or oral, supercede any written material in the catalogue.
