2026

At the Ranch | 1:30PM

Thank You to our 2025 Supporters...

The buyers, the bidders and everyone who showed interest, even if it is just for coffee

Welcome to our annual bull sale. We invite you all to the ranch Feb 28th, for the sale and some hospitality! We thank all our past, present and future buyers along with anyone who expresses interest in our program.

It's great times in the cattle business, the excitement is contagious and good to see!

Our goal in providing bulls for our customers is simple, we want to make you money! Whether you want to produce the sale topping char-cross calves, a calf that explodes on your backgrounding operation, or raise a function female that is highly marketable, these bulls on offer will help achieve that! They are sound footed, athletic, full of muscle/eye appeal and there is a type of bull for everyone. Backed by cowboy traits and proven genetics in every aspect! We stand behind our bulls 100% in every way, we don't just want to sell you bulls, we want to be a helping hand in seeing you succeed in the cattle business. If we can assist you in marketing animals off our genetics or in any way, please reach out! Stop by anytime throughout the year and we hope to see everyone sale day!

The Gameday Bull is flat out good, he has that Charolais jam you want, long, thick with lots of natural muscle all while being athletic and traveling well! One of the best footed bulls you're going to find in the business. His calf crop is consistent and good. They have that eye appeal right from the start and weigh up!
