

ROLLIN'ACRES | WHISKEY HOLLOW

16TH ANNUAL
Charolais Bull Sale

YOUR SOURCE FOR FULL FRENCH AND FRENCH INFLUENCE CHAROLAIS
MAPLE HILL AUCTIONS | HANOVER, ON | 2PM
MARCH 21ST

Welcome

ROLLIN' ACRES - WHISKEY HOLLOW ANNUAL CHAROLAIS BULL SALE

Welcome to our annual Rollin' Acres/Whiskey Hollow bull sale. We are very excited about this year's sale offering. As we say every year, we are pleased to have something for everyone. We have top quality Full French bulls and polled bulls that are extremely strong again this year. We are offering bulls with performance that will add pounds to your calves next fall and bulls with low birth weights that will be safe to use on your heifers.

The bulls have all been fed our 14% bull ration and free choice of the best hay we can make. All the bulls have been fed together at Rollin' Acres Charolais. The bulls are vaccinated according to the Calfarama protocol. All bulls will be semen tested and guaranteed by their breeder.

Please stop by the farm any time prior to sale day and see the bulls. I can assure you that you will be pleased with the quality and the disposition of this group of bulls. Also, please visit with us prior to the sale, we know our bulls well and would like to support you in your decision of choosing which bull will be your new herd sire. As always, we will take the bulls home after the sale and deliver them to you within 100km on or before May 1, 2025. After that, there will be a charge of \$5 per head/per day. We ask that all bulls returning to our place after the sale be insured by the new owner. Insurance will be available on sale day. Video and pictures of the bulls will be taken prior to sale day. Please go to www.dlms.ca or www.charolaisbanner.com to view them.

We are aware that you have options when it comes to selecting and purchasing your next Charolais bull and we know we may not be the cheapest place to buy bulls. However, we believe the quality and performance of our bulls is among the highest you will find and we are confident you will see a high return on your investment. We would like to thank you in advance for considering us for your 2026 bull purchase and for all your past business and support.

Just like last year, we will be taking the bulls to Maple Hill on the Wednesday prior to the sale. All bulls will be available for viewing in Hanover after 1pm on March 18th. Please reach out to Carl Wright or myself to arrange viewing of the bulls at Maple Hill.

If you have any questions, please do not hesitate to call. We look forward to visiting with you on March 21th, 2026.

Wheaton 101J Sons - Lot 1-6

The Sparrows Wheaton 101J calves delivered exactly what we expected and more. They came easy, with moderate birth weights and plenty of vigor right from the start. The Wheaton sons are big hipped, attractive bulls with loads of eye appeal. These bulls are exceptionally smoothmade and calved like a dream, offering both consistency and peace of mind. Don't miss the Sparrows Wheaton 101J sons on sale day—they're the kind that will stand out and impress.

CEWW Flubber 28F Sons - Lot 7 - 11

The CEWW Flubber 28F sons represent some of the strongest, highest-quality bulls we have ever brought to the sale. They are uniformly big, powerful, and exceptionally stout, all carrying impressive hair coats. These French-influenced bulls are built to add serious pounds to your calf crop in the fall. Flubber progeny are known for their sound structure, excellent feet, and the beautiful, functional udders their daughters develop. This is the final offering of Flubber sons, as the sire is no longer with us—an opportunity you won't want to miss.

The Ringmaster 34L Sons - Lot 12 - 17

The Ringmaster 34L calves have been standout performers from day one. They come easy, hit the ground running, and show impressive vigor within seconds. Each Ringmaster son carries a consistent stamp—long-bodied, widetopped, and packed with hair. If you're looking for a bull that calves effortlessly on cows yet still puts serious pounds on your calves in the fall, the Ringmaster bulls deserve your attention.

We have made the decision to offer the Ringmaster bull himself for sale. With several of his sons featured in this year's lineup—and another strong group of calves on the ground again this year—we feel confident in his impact on our program. Ringmaster has been a key sire for us over the past few breeding seasons and will continue to influence our herd through AI. Ringmaster 34L was an anchor of our show string for the past two years, including winning the RWF in 2024. Now a rising 3-year-old, he is in the prime of his life and ready to go home and breed a large group of cows for his new owner. On top of that, he is an absolute pleasure to work with—quiet, gentle, and easygoing. We will be retaining all stored semen from Ringmaster 34L for our own use.

HDT 3L is another 3-year-old that's exceptionally smooth-made and in the absolute prime of his life. If you're looking for a bull that can confidently service a large group of cows this summer, look no further. Like all our 3-year-old offerings, HDT 3L has been used within our herd and has proven his ability to work, last, and maintain himself while doing it. We're excited to offer these older bulls to customers who need something more than a yearling can provide.

HDT 34L and HDT 43L are a powerful pair of 3-year-olds that have worked extremely well in our program over the past couple of seasons on both purebred and commercial cows. These Husky sons are the kind of bulls that go out, get the job done, and come back in looking just as good as when they left. If you're looking to add serious weaning weight and performance to your calf crop, make sure you don't overlook these two on sale day—they'll get cows bred and put pounds on the ground.
