SSS 53RD ANNUAL

80 RED & BLACK ANGUS YEARLINGS SELL

BULL SALE

BULLS WERE PICTURED ON JANUARY 29, 2026

SATURDAY, MARCH 21, 2026 AT 1PM MST AT THE SSS NORTH SALE FACILITY

It goes without saying, we are enjoying some of the best times in our industry. Even with these great prices there are \$100's of dollars difference between the top and bottom of the market. We strive, like you do, to put more cattle in the top bracket to maximize the value returned. As it has been said, "it doesn't cost any more to raise the good ones vs the poor ones."

You cannot make it 50 plus years without emphasizing the momma cow, and what they do for our program. We strive for sound, functional, fertile, easy fleshing cows that do more in the pasture than in the pen. These mother cows have produced yet another strong and consistent pen of bulls—we feel, *our best yet*.

Our sires are amongst the most sought after in the industry: breed leading genetics from Moon Pie, our 2023 high seller whose semen brings over \$500/dose USD; Premium, a \$160,000 high seller from the Cockburn Program in SK; Tempo, a past high seller from the Wilbar program that is becoming known for his foot structure and maternal traits; Astute-Class, an outcross sire with growth and the maternal power of Lana 438F; Jetty, the new calving ease bull whose first sons have impressed everywhere; Mr. Oak, a newer moderate birth bull from the great Six Mile program; Disco, the outcross calving ease specialist whose first daughters have the maternal traits not found in many low-birth Red Angus; and Skipper, the calving ease, extra-growth sire from the top of our program two years ago.

This year, have a good look at the Ranch Horse that is being consigned by Joel Stevens. He is

worth your consideration if you are looking for a solid reliable horse from a reputable young man. Also, this year we will have Western Art by Rebecca Shuttleworth on display. Remuda Denim, Alison Erskine will be at the sale to talk about her new denim line. Clay Deley from Outlaw Forge has been our farrier for 4 years now—you won't find a better one! He also makes spurs and other interesting items in his forge. Have a look at the saddle that will be available for purchase at the sale, made by Levi Wurz from Albion Colony. We are proud to support these industry people with their passions. Also, plan on attending Heart of the Horse held in Medicine Hat in August. Dustin and Niki really do have a first class event!

Dylan and Dave are always happy to discuss and help in anyway with your questions and selections. Let us show our appreciation, plan on joining us for lunch catered by the Butchery, Cochrane, AB and stay for a visit and some hospitality after the sale. We look forward to seeing you!

We are not just preserving a legacy here at Triple S, but building one.

The bull feeding program is built to maximize forage utilization, gut health and as a result quality sperm production. Nutritional status of a bull, particularly from the previous 60-days can affect the semen quality being ejaculated today. Sperm production is a continuous process and proper nutrition is critical to maintain peak fertility and longevity of bulls. Bull calves are generally developed on grass with their moms on a quality mineral program. Once bull calves are weaned, they are slowly moved onto a balanced TMR. The bulls are challenged with a forage-based TMR to help them develop and express their genetic potential. This is important for consistency of maturation and puberty of bull calves. Sampling and analyzing forages are important for properly balancing the overall ration. Forage quality and digestibility are important for maximizing ruminal health. Matching suitable protein sources with proper starch with the available forage sources is key to promoting lean muscle growth. The addition of organic minerals are used to ensure proper immune function and overall health of bulls. All of these factors contribute to semen quality and conception within a herd.

If you have any questions about the nutrition program, please feel free to reach out. Buy with confidence knowing the bulls have been developed on a balanced nutrition program.

Best of luck on sale day!

SALE TERMS

TERMS Unless previously arranged with an individual consignee, terms of this sale are cash or cheque, payable in Canadian funds. US exchange rate will be announced from the block on sale day. The animal becomes the responsibility of the purchaser as soon as sold.

BREEDING GUARANTEE All animals sold are guaranteed breeders. Any animal that has not proven itself within 6 months of sale, if in healthy condition, may be returned to the seller at the buyer's expense. The seller reserves the privilege of trying for a 6 month period to prove the animal a breeder. The seller at his option may either return the purchase price or replace the animal with another of equal quality in full settlement and satisfaction of all claims. Any complaints regarding any animal in this sale shall be made to the breeder.

All bulls will have passed a semen evaluation conducted in March. All complaints must be reported in writing by the buyer to the seller within 6 months and any animal returned must be free of disease and in good health.

LIABILITY Purchaser must look to the seller for fulfillment of all guarantees made hereunder. At no time will Triple S Red Angus be liable for more than the original purchase price of the sale animal or equal compensation for that original purchase price.

ACCIDENTS Although every precaution will be taken to protect the safety of the buyer, neither the sale management, nor any owner assumes responsibility in this matter and disclaims any liability, legal or otherwise in the event of accident or loss of property.

DISPUTES In case of disputes bidding will be reopened between the parties involved. If no further bid is made the buyer will be the person from whom the auctioneer accepted the last bid. The auctioneer's decision will be final in such matters.

ANNOUNCEMENTS Errors discovered in the catalogue will be corrected by announcement from the auction stand at sale time and such corrections will take precedence over the printed matter in the catalog.

PEDIGREE TRANSFER The Canadian Angus Association has begun storing pedigrees electronically in an effort to be more environmentally friendly. Your registration papers will be transferred to you but you will not receive a "hard copy" unless you request it from the Canadian Angus Association. You can access your bull's pedigrees online on their website: www.cdnangus.ca

INSURANCE The buyer MUST insure their bull(s) on sale day if they are to stay at Triple S. If the buyer does not wish to insure their bull(s), then it must be discussed with Triple S.

RANCH HORSE

“CHESTER” ^{15 HH}

SOUTH RAM CHESTER • 2012 AQUA GELDING • SOUTH RAM DAN x AWESOME LITTLE DOLL

Chester is a 2012 sorrel AQHA gelding. He has been a favourite on the ranch since we acquired him in 2020. Chester has calved cows, branded calves, doctored calves cows and bulls, shipped, sorted, weaned and done everything in between. His main job has been helping us take care of the Medicine Lake Grazing Reserve where he crossed bogs, bush, doctored and moved cattle. Other duties have included some trail riding in the mountains and a recent moose hunting trip up the north Ram River valley. Chester has been to ranch rodeos, and ranch scrambles throughout the province. He has been ridden by novice adults, and given kids lead line rides including gymkhana. Chester is hobble broke, high line broke, good with time off, and has been a go to for the hard jobs. He stands 15 hh with a size 1 shoe. Throughout his years here he has had periods of time with little to no riding for a few months, and has never had any trouble getting back into work with a happy attitude. This winter Chester has also spent some time casually team roping on the heading side. With a little more woah than go for green riders, and the ability to wake up to experienced riders, he will make a great addition to anyone's string.

Please contact Joel Stevens at 403.785.6243 for more info or to come give him a ride.
