The advertisement features a scenic background of sheep grazing in a field under a cloudy sky. In the foreground, two containers of Crystallyx supplement are shown: a tan one and a dark blue one. The text 'Crystallyx' is visible on both. Above the containers, the 'Sheep-lyx' logo is displayed. To the right, a green banner states 'ONLY AVAILABLE THROUGH YOUR LOCAL MASTERFEEDS DEALER.' next to a Canadian flag. Further right is the 'Masterfeeds' logo with the tagline 'For farming life.' Below the containers, the text 'PERFORMANCE IS SERVED.' is written. In the center, the text 'Advanced trace mineral nutrition for healthier sheep.' is prominently displayed. At the bottom left, the 'Crystallyx' logo is repeated with 'BRAND SUPPLEMENTS' underneath.

CRYSTALYX® Blueprint® Sheep-lyx™ is a 16% protein supplement for all classes of sheep on forage-based diets. With no added copper, it features highly bioavailable proteinated trace minerals, Actigen® to support gut health, and Total Replacement Technology™ for improved nutrient utilization and reduced environmental impact.
