BANFORD CHAROLAIS

Welcome

Welcome to the Select Genetics Bull Sale for 2026, a fantastic winter in terms of weather, filled dugouts or close to it in February and this cattle market just gets better everyday. As to be expected the consignors have brought their game ahead another notch when it comes to their bull pen and the quality. A proud, diligent group of seed stock producers that are offering genetics that you know can handle what mother nature throws at us year in and out. That serves a tremendous benefit to when those genetics are passed down to your replacement heifers through the years. The goals have not changed over the years in terms of producing high quality bulls for you the customers. Calving ease is expected regardless or birth weight in the right application, we all know extra length of body will add those pounds without changing the shape of the animal. Performance, hair, disposition and feet all crowd the list for must have in the herd.

Note the new sale day and time this year. Sunday, March 22nd, 4pm, in effort to accompany the busy March weekends that happen year in and out. We hope that you find this beneficial to you! As always you're welcome to stop by the respective breeders places to check out the offering ahead of time, or the bulls will be on display on Saturday. If you're unable to attend your always welcome to contact any of the consignors or sales staff and they can assist you with your sight unseen purchase. As well DLMS will broadcast the sale and videos will be online in early March.

LOT 1/LOT 2/LOT 3 These three bulls were all part of our Medicine Hat Pen show team. They exemplify what Player does for us. With great muscle and character. These guys are big crested and masculine. But the most important part they are back by two very strong maternal cow families. These cows are the kind that last for years. With super solid udder structure and a real maternal look. Use any of these too add maternal strength to your program without sacrificing performance.

LT CONVERSE

REFERENCE SIRE

True heifer bull deluxes as they came low birth and early gestation. These boys grew like weeds, pounding down the scale in the fall, while continuing their growth and weight gain all through winter. We used Converse because of seeing his mother in the spring of 2025. They will calve easy, grow and still leave a great set of daughters to move into your program. All these guys are three quarter brothers. With 3N grandma being the mother to 17N.

RAWHIDE
SUPPLEMENTS LTD.
 Swift Current, SK
 306-773-7800

RAWHIDE SUPPLEMENTS WILL BE SUPPLYING A JACKET FOR THE BUYERS DRAW AT THE CONCLUSION OF THE SALE

TERMS & CONDITIONS

TERMS

The terms of the sale are cash or cheque at par. No releases will be given until satisfactory settlement has been made. All monies are in Canadian Funds, other funds will be accepted at the current rate of exchange.

BIDS

Every animal entering the ring will be sold to the highest bidder.

DISPUTES

In case of disputes, bidding will be reopened between the parties involved. If no further bid is made, the buyer will be the person from whom the auctioneer accepted the last bid. The auctioneer's decision in such matters will be final.

ANNOUNCEMENTS

Any changes from information in this catalogue will be announced from the auction block; such changes will take precedence over the printed matter in the catalogue. Buyers are therefore cautioned to pay close attention to any such announcements.

PURCHASER'S RISK

Each animal becomes the risk of the purchaser as soon as sold.

CERTIFICATE OF REGISTRATION

Each animal in the sale will carry registration papers issued by the Canadian Angus Association. A certificate duly transferred will be furnished to the buyer for each animal after full and total payment has been made.

ACCIDENTS

Every precaution will be exercised to protect the safety and comfort of those attending the sale. Neither the owners, auctioneer, or any sale staff assume any responsibility in this matter and disclaim any liability, legal or otherwise, in the event of accident or loss of property.

LIABILITY

All persons attending the sale do so at their own risk; sellers and/or sales management and/or any of the sales staff assume no liability legal or otherwise for any accidents occurring in, on, or about the premises.

INSURANCE

Livestock insurance and/or transit insurance will be available.

EXPORT TESTING

In the case of animals purchased for export, the necessary customs, health, and export certificates will be supplied and expenses will be at half cost; the other half of the cost will be responsibility of buyer.
