Red & Black Angus

Trendsetter Bull & Select Replacement Heifer Sale

Saturday, March 28, 2026

at the Ranch – Hand Hills Lake, Alberta

OFFERING : 39 PUREBRED RED ANGUS & BLACK ANGUS BULLS
AND 50 RED AND BLACK PUREBRED AND ANGUS/SIMMENTAL
CROSSBRED REPLACEMENT HEIFERS

Welcome to the 2026 Shiloh Cattle Company “Trendsetter” Bull & Replacement Heifer Sale.

We would like to extend a warm and sincere welcome to everyone attending this year's Trendsetter Bull & Select Replacement Heifer Sale, both in person and online.

The past year has brought incredible optimism in the Cattle Industry, both here at home & abroad, with the demand for beef and beef byproducts higher than ever. With Canadian cattle leading the way, we could not be more proud to be a Canadian Cattle Producer.

“Pride in the Pursuit of Excellence” has always been our motto here at Shiloh Cattle Company, and we are constantly striving to take our herd to the next level. This means paying extremely close attention to the attributes we find necessary for a successful and progressive cow herd. Attributes like sound foot structure, udder quality, positive maternal instincts and calving ease, while never sacrificing the importance of performance and longevity.

Both our Bull and Heifer pens are fed a Hay/Greenfeed/Pea Straw mix, as well as a 13% pellet ration based on 1% of body weight, promoting a natural and healthy rate of development. We do not push our cattle and believe a balanced feed ration reflects in the longevity and health of our cattle.

With each passing year, we find ourselves expanding our horizons. We still pride ourselves in the high standards and quality of our Red Angus herd, always searching for that new herd sire or female that will advance our breeding program. As well, over the past 6 years we have also been strategically building our Black Angus herd by purchasing only the very best females and bulls from industry leading breeders and genetics in Canada & North America.

We will also be making some changes here at Shiloh Cattle Company this year and into the future for the marketing operations of the Ranch. This spring we will be hosting our Bull & Female sale, as usual, here at the Ranch, but as we venture into 2027 and the future, we have made the decision to market our bulls by Private Treaty. Our females will still be on offer in Fall Sales, as well as here at the Ranch. We will also be offering both Yearling and Two Year Old Bulls as we move forward. We feel that this is the right move for us at this point in time and we hope that this transition goes smoothly, not only for us, but for you as well. Because to us, you are not only our customers, you have become our friends, and we truly value that relationship. Your confidence and trust mean everything to us.

We are also pleased to announce that after 13 years of part time employment, our Ranch Hand and Herdsman, Alisha Minchau has joined us full time. We can't express how happy we are having Alisha here in a full time capacity and are looking forward to many more years with her here at Shiloh Cattle Company.

This year's sale date is Saturday, March 28th.

If you have not been here, directions to the Ranch can be found by searching Shiloh Cattle Company on Google Maps.

All sale animals will be on display beside the Sale Barn on sale day, starting at 10:00 AM, but we welcome you to contact us anytime prior to sale day to come by to view the sale pens and cow herd. We would be honoured to show you around.

Sale time is 12:30 PM, with a full Roast Beef Dinner between 10:00 AM & 12:30 PM. Hospitality will be on offer before and after the sale, so please plan to stay for the social after the sale. We look forward to visiting with you all.

Allison Refine 78K is a definite stronghold in our Herd Sire Battery and has continued to prove himself as a calving ease bull with impressive performance in his offspring. Just like their sire, his calves excel in hoof quality, impressive structural integrity, docility & maternal traits. Refine continues to impress us with his soundness, added depth and tremendous muscle shape.

Definitely one of the stoutest, thick bodied, and deep ribbed bulls in the sale this year. Just like the rest of his sire group, 40N has impeccable foot structure. His Maternal Grand Sire achieved multiple championships during the 2019 show season, including Olds Fall Classic, Lloydminster Stockade Roundup and Farmfair International. His red hided Dam has a beautiful udder structure and is out of 2 Black/Red carrier parents, making her and her offspring truly impressive outcross genetics.

Trendsetter Sale Replacement Heifers

Approximately 50 Open Replacement Heifers from the following consigners. All heifers will be palpated and Vet checked. HEIFER PACKAGES are to be picked up sale day unless other arrangements are made. Please contact Darcy or Blake to discuss options.

Misty Ridge Ranch Ltd.

Kelby Stevens 403-820-5518

Tenille Stevens 403-664-5184

The Stevens farm is located in the Hand Hills and they produce quality Red Angus cattle focusing on easy keeping, docile, high yielding females. Generations of genetics have been developed to ensure replacement heifers will add performance to any herd. Their Red Angus heifers are one iron. Their herd health has been Bovishield One Shot, Meloxi-cam and Ultrabac7/som at branding. Bovishield Gold FPS in February.

Neu Muehl Colony

Ted Wipf 403-821-1509

Neu Muehl Colony is in the Hand Hills near Drumheller. The Colony was founded in 2000 and has been raising quality Angus and Angus Simmental cattle ever since. This group of heifers was selected from a group of 300 heifers. Ted let Shiloh Cattle Company have first pick before selecting heifers for them selves. There will be packages of Reds and Blacks. These are all one iron heifers that have been under the Merck Animal Health program.

Shiloh Cattle Company

Blake Morton 403-820-4162

Darcy Olesky 403-820-1830

We will once again be offering several top end red and black heifer packages. These heifers are out of proven genetics, with several siblings and dams working well in the shiloh herd. All of the sale heifers have been palpated for breeding soundness. The entire herd is on the Bovi Shield Gold 5 and Tasvax 8 way vaccination protocol. As well, within 24 hours after birth all calves received Enforce 3 and Totrazuril capsules to ensure a notable reduction in respiratory and parasite related illnesses, promoting a strong, healthy start, resulting in healthier, more disease resistant cattle. This provides us with a group of heifers that we can be sure will provide you with years of strong healthy breeding stock.

Terms & Conditions

1. **TERMS:** The terms of the sale are cash or cheque payable in Canadian funds unless previous arrangements have been with individual consigners. Settlement prior to any cattle released. As soon as an animal is sold, it becomes the responsibility of the purchaser. Any animal remaining at Shiloh Cattle Company must be Insured. Livestock coverage will be available from the clerk's desk on sale day.
2. **CERTIFICATE AND REGISTRY:** Certificate of registry dually transferred will be furnished to the buyer for each registered animal after complete and full payment has been made.
3. **IDENTIFICATION:** Each animal will carry a CCIA digital frequency tag as well as a ear tag.
4. **BREEDERS GUARANTEE:** All cattle are sound and right to sell with a responsible breeder guarantee of satisfaction. In the event of an unlikely dispute, the regular terms and conditions standard with the Canadian Aberdeen Angus Association shall apply. Any complaints regarding fertility of any animal in the sale shall be directed to the breeder. No incidental expense such as feed, veterinarian charges, interest, etc., will be charged by either party. Under no circumstances shall the seller be responsible for more than the purchase price paid for the bull.
5. **ACCIDENTS:** Although every precaution will be taken to protect the safety and comfort of any who attend the sale, neither the sales management, the sponsoring association nor any owner assumes responsibility in this matter and disclaims any liability legal or otherwise, in the event of accident or loss of property.
6. **LIABILITY:** Purchasers must look to the seller for fulfillment of all guarantees and representation made hereafter.
7. **DISPUTES:** In the case of disputes, bidding will be reopened between the parties involved. If no further bid is made, the buyer will be the person from which the auctioneer accepted the last bid.
8. Shiloh Cattle Company retains the right to draw owners use semen on all bulls offered in the sale. This will be done before the sale, or at the new owners convenience and at our own cost.
9. **ANNOUNCEMENTS:** Errors or omissions discovered in the catalogue will be corrected by announcement from the auction stand at sale time and such corrections will take precedents over the printed manner in this catalogue.

We have enjoyed meeting all of our new buyers and would like to extend a special thank you to our repeat customers. Over the years, we have acquired a deep sense of pride and accomplishment in our cattle herd and breeding stock. Thank you to each and every one of you that have expressed your continued confidence in our bull and replacement heifer programs. We wish you all continued success and look forward to meeting again in 2027.

We will also be hosting a Tailgate Party on Sunday, March 22nd down at the sale pens one week prior to this year's sale.

Join us for a Bon Fire & view the sale animals on offer. Hotdogs and refreshments will be on hand.

Everyone viewing the Sale Pens on the 22nd will be entered to win one of two \$500 credit vouchers towards this year's Trendsetter Bull Sale.

*Thank you for attending our
12th annual "Trendsetter" Bull Sale.
We look forward to seeing you again in 2027.*
