NEW OFFERING

*Welcome from*  
**SPRUCE VIEW ANGUS**

We would like to welcome everyone to our 2026 bull sale which will be our 34th annual bull sale. It's an honor & pleasure to present this years set of bulls which we believe is our deepest set of bulls we have offered to date.

We would like to say thank you to all of the repeat and new customers for your continued support in our program and genetics. You are all the backbone of this program and your support is sincerely appreciated. We try and run these cows as close as we can in comparison to the way you the commercial operations run your cattle and we make it a priority to make females that are fertile, deep bodied, easy fleshing, excellent udder qualities, great feet and structurally sound. The cattle market is stronger than it's ever been and we truly believe this set of bulls will keep you in the driver seat to sell heavy steers that will still leave you with a set of replacements that will be maintenance free that will raise a big calf year after year.

These bulls have been raised with you, the producer in mind while at the same time still achieving their greatest genetic capabilities. We have many new sire groups to pick from that will serve as some new outcross genetics for you to pick from such as Ellingson Progressive, LVVF Tanker, Ellingson Verified and Montana Judgement along with our proven bulls.

We encourage and welcome you to view the bulls and females before the offering if you can. Doing this really helps us to get to know your goals you are trying to achieve and we can help point you in the right direction so we can help put the right bull into your program, so we strongly encourage you to come before the sale if your able.

We are proud to say this is a family operation and we can't wait to visit with each one of you, if you have any questions please give us a call, we will be sure to help you out.

The good folks at Spruce View Angus have again brought you a power packed offering full of meat and muscle with some frame and performance. Never apologizing for wanting to make cattle built like that has served this operation successfully for decades bringing us to the 34th Annual Bull Sale. You don't stay in business doing the wrong thing I can guarantee that. A family run operation in all aspects of the day to day ranch work. A few new sire groups in the Verified and Progressive bulls to bring a twist of paper your way to back up the proven lineup that has served customers so well. The cattle market is perculating and it is a lot of fun to be on this ride so be darn sure you stop and visit or call Wayne or Dallas on the bulls. It is important to them you get the bull your are searching for! If we can be of assistance on the offering and your needs from this great selection of bulls be sure to give us a call, we are here to help!

See you sale day!
