Sale Notes

Bulls can viewed at the farm near Waskatenau, AB. until Feb 27, then they will be on display at NCL, Clyde, AB. from Feb 28 to March 1 for your viewing. Sale will be conducted at NCL on March 1 with DLMS Online Timed Auctions. Food & Refreshments will be at the Auction Mart all day on the Sunday, so please do stop by and see the bulls and have a visit with us. OBI Livestock Ltd. is managing the sale and Mark will be there all day long as well to answer any questions. Any issues with the online bidding, please call Mark from OBI or Mark from DLMS and we will take care of you.

Welcome

On behalf of everyone at Sprucefield Farms, we would like to welcome you to our First Annual Bull Sale.

This sale represents a major milestone for our family and our program. For the past 10 years, we have been committed to raising purebred Angus cattle, building on the values and work ethic of a third-generation farm. Every step of the way, our focus has remained the same: producing cattle that are functional, reliable, and built to work in real-world conditions.

The bulls on offer have been developed with longevity and performance in mind—bulls that go out, do their job, and come back in the fall with condition, soundness, and consistency. We emphasize calving ease, structure, fertility, and maternal strength, without sacrificing performance and pounds where they matter most.

This offering reflects years of careful breeding decisions, proven cow families, and sire selections that we believe move our herd—and our customers' herds—forward. Whether you are looking to add calving ease, maternal value, or performance, we are confident you will find bulls here that can make a positive impact.

Thank you to Dacey Przekop for the videos and pictures, DLMS for hosting this Sale for us, Mitch McCardy for his help at the farm and Mark Holowaychuk from OBI Livestock Ltd. for his guidance throughout the years and for managing this sale for us.

Thank you for your interest in Sprucefield Farms. We truly appreciate your support and look forward to sharing this exciting chapter with you. We hope to see you March 1 for lunch and refreshments and to view the offering at NCL Clyde.

The Fulks Family

Jim and Lane Fulks

JNF 10N is a Baldrige Badger son that combines smoothness with plenty of thickness. His dam is a SAV Angus Valley daughter, whose females are known for being feminine, fertile, and productive. JNF 10N offers a balance of performance, structure, and maternal traits making him a versatile herd Bull.

A powerful yet extremely smooth-made bull that traces back to proven older genetics on the top side, stemming from the renowned female maker Gumbo Gulch Creed. He combines muscle and presence with a low birth weight, making him an excellent choice for adding performance while maintaining calving ease and maternal strength.

A strong calving-ease prospect sired by the great Brooking Sooner. He is deep-bodied and smooth made throughout, offering an attractive balance of functionality and style. Backed by a beautiful young cow with performance stacked throughout her pedigree, 35N combines calving ease with dependable growth and maternal strength.

TERMS & CONDITIONS

TERMS: All cattle purchases will be invoiced to the buyer, and payment in form of e-transfer or cheque will be accepted. Payment is required upon receiving invoice. Cattle will not be released from the sale premises until payment is received in full, unless other arrangements have been made prior to the sale. Every animal sells to the highest bidder. We reserve the right to withhold animals from shipment for whom payments have not been received prior to departure times.

BUYER REGISTRATION: Buyer will have to register with DLMS prior to Farmgate timed auction at www.farmgateauctions.ca.

BREEDING GUARANTEE: All cattle are sound and sold with responsible breeder guarantee of satisfaction. In the event of any unlikely dispute, the regular terms and conditions, standard with the Canadian Aberdeen Angus Association shall apply.

ANNOUNCEMENTS: Errors in this catalogue will be correct by announcement via DLMS prior to the sale. Such announcements will take precedent over any printed material.

ACCIDENTS: Although every precaution will be taken, all persons who attend the sale at NCL or tour pens prior to sale day, do so at their own risk. The owners assume no liability, legal or otherwise for any reason.

CERTIFICATE OF REGISTRATION: A certificate of registration duly transferred will be furnished, upon request, to the buyer by the breeder for each registered animal after complete and full payment has been made.

TRUCKING: We will deliver bulls for free within 300 KMS of the farm. Delivery will start April 1. \$100 Discount if you take your bull home 7 days after the sale.

INSURANCE: Ownership risk to purchaser commences immediately following auction. We strongly recommend that insurance is purchased.

5N is a red calving-ease bull with extra thickness and muscle, backed by a solid pedigree and a proven cow family. He offers an ideal blend of power, and maternal strength, making him a reliable option for adding thickness and consistency onto his calves.

A true heifer bull with calving ease built in from every angle of his pedigree. Long-sided, smooth-made, and small head, 68N combines ease of birth with attractive design. His dam, purchased from Northern Select, has proven herself without disappointment, adding reliability and maternal quality to this package.

JNF 4N is a calving-ease Black Angus bull and red-gene carrier, out of a first-calf heifer with strong maternal calving ease. He offers added length and balance, making him a solid choice for heifer use without giving up True performance.

HOW TO PARTICIPATE IN THE DLMS FARM GATE TIMED AUCTION WITH EXTENDED BIDDING:

1. Visit dlms.ca and follow the link to the DLMS Farm Gate timed auction site www.farmgatetimeductions.ca, click the LOGIN/REGISTRATION button. First time users will select the REGISTER button from this page. Fill out the registration form to sign up for a free user account and it allows you to select a username and password for use on all Farm Gate Timed auctions. This program will send you text and email messages whenever there is activity on your favorite lots or someone challenges your proxy bid and this is why you will be asked for both your current email and cell phone number. If you are a past participant in the Farm Gate Timed auctions simply enter your username and password to continue. This takes you to a list of both current and upcoming Farm Gate Auctions.

2. You can choose your favourite lots in this sale at this time and the program will allow you to open either all sale lots or just your favorite lots on your screen. Any time there is active bidding on a lot you have identified on your favorite list you will get a text and/or an email noting this activity.

3. The program allows you to place a proxy bid on any sale lot. This in fact protects your interest in any lot of interest for you to a specified dollar value you set, when you may not be able to give 100% attention to the sale. If the lot has a \$2000 bid on it and you place a proxy bid of \$3500 into the system, the computer will bid \$2100 for you but if some one else bids \$2200, the computer will again bid for you, this time at \$2300. The system will look after your interest to a maximum of \$3500. If another bidder is on at \$3600, your proxy will no longer be effective and you will no longer have the winning bid on this lot without once again logging in and bidding again or moving your attention to a second lot of interest.

4. At closing time of the sale the entire sale will extend bidding if a bid is placed on any lot in the sale. Any bid received after close time will extend the sale by the time listed on each sale. In Most cases the time gets shorter the longer in to extended bidding the sale is. When no bidding occurs for the extended time the computer will declare the sale finished.

5. Following the sale the Owner or Sale Manager will invoice all buyers in the sale, please contact the seller with questions or to arrange delivery, pick up or shipping of your purchases.

For more info and assistance with bidding contact any of the sale contacts listed on the DLMS Website;
DLMS Farm Gate Timed Auctions - Mark Shologan Ph: 780-699-5082
