

The background of the entire page is a close-up photograph of a field of clover leaves. The leaves are a vibrant green and appear to have small water droplets on them. In the center of the image, a single four-leaf clover is highlighted with a bright, glowing light, making it stand out from the surrounding three-leaf clovers. The text is overlaid on this background.

# **ST. PAUL 4-H DISTRICT SHOW & SALE**

**District Profile Book 2026**

# Welcome

Welcome to the 2026 St. Paul District 4-H Profile Book!

On behalf of all the members, leaders, and families in our district, I'd like to thank everyone for supporting our 4-H program and taking the time to look through this year's catalogue. Inside you'll find the hard work and dedication our members have put into their steer projects throughout the year, along with a little information about each exhibitor.

Our members have spent countless hours feeding, training, and caring for their animals, and this sale is a huge part of rewarding that effort while helping them build skills for the future. We truly appreciate all of the buyers, sponsors, and supporters who continue to support local youth and agriculture.

We look forward to seeing everyone at the sale on June 1st!

Sincerely,

*St. Paul 4-H District*

Box 1097 Elk Point AB, T0A 1A0
