WELCOME

WELCOME TO OUR 10TH ANNUAL BULL AND FEMALE SALE HERE AT THE FARM!

Again this year, it's a great time to be a cattle rancher. The cattle market is staying strong and showing no sign of slowing down.

We are excited to be offering our first-ever crop of black bulls. We always have ranchers asking if we have black bulls and now we will!!! These blacks are out of the great sires Foresee Capacity 16K and True North, both of which are proven sires.

The Red, Fleck and Full Blood pen is looking strong. Sired by bulls such as Hierarchy, Hendrix, Imax and Roof Taker. The bull pen has a great selection where there is something for everyone.

Again, we will be offering a pen of open heifers with some great pedigrees that are ready to be bred any way you want.

We would like to thank all past buyers and bidders and always look forward to seeing you again as well as meeting new customers. Thank you to the T Bar C management team and their great staff.

We will once again be using DLMS which will allow those who are unable to attend to register and bid/buy online, but can always reach out to us by phone or one of the sales team members.

Join us early for lunch at 11:30 prior to sale time, which will start at 1:00 pm.

Sunville Simmentals is located 9 miles east of McCreary on Hwy #50 or 13 miles west of Alonsa on Hwy #50 on the south side. We can also be found on Google Maps under Sunville Simmentals.

Feel free to give us a call or stop in anytime. We look forward to seeing you on sale day!

FROM THE DESK AT T BAR C

On behalf of everyone at **T Bar**, it is our pleasure to welcome you to the **10th Annual Sunville Simmentals Bull & Female Sale**.

Duane and Nadine Caumartin and family have built Sunville Simmentals into a respected and trusted program through dedication, integrity, and an unwavering commitment to quality cattle. Reaching a 10-year milestone is no small accomplishment—it speaks to the consistency of their breeding program and the loyalty of their customers.

This year's offering is one of their strongest to date, featuring an impressive selection of **Fullblood, Red and Black Purebred Simmentals**. Whether you are looking for performance-driven **yearling and two-year-old bulls** to add power and predictability to your program, or **open replacement heifers** that represent the future of your herd, you will find cattle backed by strong cow families and proven genetics.

Sunville cattle are developed with longevity, structural soundness, maternal strength, and real-world performance in mind. These bulls are built to work, cover cows efficiently, and sire calves that push the scale down in the fall while keeping quality replacement females in the pen. The heifer offering reflects the same disciplined approach—functional, feminine, and bred to be productive for years to come. Duane, Nadine, and their family take great pride in standing behind their cattle and supporting their customers long after sale day. Their program is rooted in practical ranch values, careful selection, and a genuine appreciation for the people they do business with.

We invite you to join us for this milestone event, evaluate the cattle with confidence, and take advantage of the opportunity to invest in a program built on consistency and integrity. If we at T Bar can be of assistance in any way—whether evaluating the offering or helping with selections—please do not hesitate to reach out. We look forward to seeing you sale day.

Here is a real power and performance type bull. Big bodied, large hipped with plenty of mass and dimension. He stands on a real strong foot and being out of the Hierarchy bull, 81N could be an asset to any operation. Hierarchy has sired some high selling bulls and females in years past. Just by looking at his impressive weaning weight numbers, it is easy to predict the mass and frame 81N will pass onto his calves.

HERD BULL TIME! Sunville Tycoon is a very impressive individual. His picture doesn't do him any justice, make sure you check out the video, He is long bodied, deep sided, thick made, and about as dark red and hairy as you can make one. He was a real stand out all summer long and was one of the heaviest at weaning. He is out of a really nice uddered Walker female. His mother has cracked out a few bulls to purebred herds already and one was last years high seller. We have retained ever female she has ever had. Have a real good look at 10N.

HEALTH: All animals in the sale have met all necessary health requirements.
