## FROM TER-RON FARMS

*We would like to welcome everyone to our 21st Ter-Ron Bull and Select Female Sale. While picturing our sale cattle and creating this catalogue, we were shocked that another year has come and gone and it is sale season again. Every year we strive to progress our program a little bit more in the right direction. This being cattle that are practical in the Angus breed and ones we would like to purchase ourselves. Most importantly, we are very thankful that we are in this business as it can be very rewarding, and the friendships we have gained are irreplaceable. Our family devotes every day of the year to the cattle business for this very reason.*

*In the past few years, we have been focusing on selecting herd sires and females that we simply love. This is why we retained semen interest on Troubadour 5K, our \$65,000 high seller in the 2022 sale to Richmond Ranch. Now that we are calving out a few of his females, we are sure glad we did – they are beautiful uddered, functional cows. The bulls in this sire group are big hipped, punchy, and have some style to tie it all together.*

*The Reagan cattle are back again this year and are just as good as anything else in the pen. Backed by a pedigree that is definitely interesting, the Reagans offer an outcross twist to anyone's bull battery. They are all deep, dark cherry red, and as smooth made as can be. The foot on the herd sire is very ideal also. As well, we have Judo sons, who are definite standouts again this year and have all the merits you'd expect.*

*This is the biggest Black Angus bull offering to date and it has been exciting working towards growing this side of our operation. Again, we have many solid Four Mile sons which keep bringing the heat. As well, we have a few Brooking Next Generation sons which have added some extra pen presence and style to the bull pen. He needs no introduction. All bulls in the offering will have a complete semen evaluation prior to the sale.*

*We admired our replacement heifer group so much this year we retained a few more for ourselves, so we only have 9 heifers on offer this year. We feel we have put together an interesting group that is deep sided and stout, as well as fully functional with nice udder development and stand on a solid foot. All heifers will be palpated before sale day and ready for breeding season.*

*Please feel free to contact any one of us to answer your questions about the offering. Bohrsen Marketing will again be working with us on sale day so feel free to give any of their representatives a call if you have any questions or want an opinion. Additionally, Mark Holowaychuk from OBI and Roger Peters from Peterosa Exports will be in attendance on sale day. The sale will also be broadcast on DLMS if you would prefer to bid online.*

*Finally, what a time to be in the cattle industry! This year has been full of record breaking sales, and there is no better time to be involved in history. We invite you to come prior to the sale to tour the bulls or females, we'd love to show you the offering. Coffee is always on. We are happy to welcome you to our farm on Thursday March 19th. Please join us for lunch at 11:30 and stay for refreshments afterwards! We look forward to showing you our offering.*

*Sincerely,*

*Terry & Sharon – Rob, Maureen, Keely & Kasey – Halley & Jaxon*

## CATALOGUE DESIGN

Compass Creative  
Madison Lafrentz

### In Appreciation of Kathy Matejka

*"Kathy Matejka was an integral part of the Ter-Ron Bull Sale catalog from the beginning. She has produced our catalog right from our first sale. She has been the organized, driven and creative energy behind each and every catalog. We have genuinely appreciated her professionalism over the years to create a catalog that we have been very proud of. As well, our friendship with the entire family is something that we cherish. She will be greatly missed and fondly remembered every bull sale season and beyond. She was truly one of a kind, and her contribution to developing our catalog over the years will not be forgotten."*

**All bulls will be  
SEMEN TESTED & VET INSPECTED**

**SALE DAY WEIGHTS & SCROTAL  
MEASUREMENTS will be provided sale day.**

## **SIGHT UNSEEN PURCHASE GUARANTEE**

If you are unable to attend our sale, we have a **“Sight Unseen Purchase Plan”**. Under this program you will tell us about your needs and price and we will then have a buyer of your choice purchase the bull on your behalf. Upon delivery, if you are not satisfied, we still own the bull.

## **CALVING EASE LEGEND**

Calving Ease is often related to birth weight of a bull. This is partly true but there are other factors that influence calving ease. The dam and her management are at least 50% of calving ease. Also, the consistency of the birth weights of the sire and dam should be considered. Nutrition, gestation and environment all influence birth weight. We have rated each bull in the sale based on the information we have.

- ★ ★ ★ Should produce minimal problems when bred to moderate size first calf heifers
- ★ ★ Recommend for second calvers or smaller framed cows 1100 lbs to 1300 lbs
- ★ Recommend for mature cows 1400 lbs plus

## **DELIVERY OPTIONS**

**A** If you wish you may take your cattle home sale day or within a week and receive a \$100 discount per purchase.

**B** Bulls and Females will be delivered free of charge up to 250 miles, further at cost. Delivery usually commences 2 -3 weeks after sale.

**C** Bulls may be kept at Ter-Ron free of charge until May 1, after that, \$5.00 per day will be charged and animals must be picked up by the purchaser.

**\*\*\*All bulls staying at the farm must be insured by the purchaser\*\*\***

# **WELCOME**

## **FROM BOHRSON MARKETING**

*Welcome to the 2026 Ter-Ron Farms Bull & Select Female Sale! The Adams family dedicates each and everyday of their lives to their operations and this years sale offering is truly evident of their strict breeding criteria and passion. We know if you have been a long time customer (friend) to the Ter-Ron program or if you are a first time appraiser of the cattle on offer, you will be simply blown away with the depth in quality in both the red & black bulls as well as the select open heifers to choose from. On behalf of Terry & Sharon, Rob & Maureen, Keely, Kasey and Halley & Jaxon, all of us from BMS wish to extend a personal invitation to each of you for this exciting event.*

*The red bulls on offer for this event are as cookie cutter and “one after another” as anywhere. The Ter-Ron type and kind is truly evident in these red bulls as ever before. They are consistently dark in colour with good hair, lots of shape and a nice balance of performance and calving ease. The ever growing black division is the largest to date and also the strongest. They have put together a super set of Black Bulls that are muscular and bulky with tonnes of shape and look. The select females on offer represent the cow families that back this superb set of bulls. This is your opportunity to select right off the top of the coveted Ter-Ron replacement pen. The Adams family have diligently built one of the most sought after cowherds in the industry. Both their Red and Black cows are built around foot and udder quality, do-ability, rib shape and eye appeal. Every sale bull is backed by a great cow you would be proud to own a bull out of. Be sure to take advantage of all the heavy lifting the Ter-Ron Farms crew has done to assemble a cowherd that is predictable and proven.*

*We encourage you to make plans to tour through the Ter-Ron sale bulls and their cowherd anytime prior to sale day and then hope you plan to be with us March 19th, 2026 for this special offering. Be sure to give Terry or Rob a call anytime to discuss the offering, they would be happy to visit with you. If your busy schedule keeps you away from sale day, please don't hesitate to give any of us from BMS a call, we would be happy to represent your bidding and buying needs and would enjoy answering any questions you may have. We hope to see you on the farm, south of Forestburg!*

- RED RSL TAPOUT 163C
- RED PACIFIC GOLD BRANDI 6A

- Impressive bull that came in dam from BNK Cattle Co.
- Dark cherry red, long bodied, with a real nice angus head.
- Dam is a square uddered cow that weaned this guy off at 890 lbs. She bred right back and has a nice heifer calf at side this year. Something to be said about fertility!

- TER-RON DIAMOND MIST 24U

- Neptune is a performance oriented bull that really pounds the scale down. If you were looking to add some pounds to your calf crop and not sacrifice maternal excellence, this could be your guy.
- Dam is from the famed Diamond Mist cow family that seems to do it year after year.
- If you need a bull with added frame, added length and extension, this guy fits the bill!
- **Owned with Six Mile Ranch**

 RED RUST MISS 329A

- Natural 17N has been a pen favourite for his do-ability, stoutness, style and how well balanced he is with a dark cherry red hair coat.
- Dam is definitely one of our favourite cows. A very deep bodied broody type of cow that is the type you'd like your herd sire to be out of.
- Grand Dam is very similar to mother. This is a cow maker type of bull.

- Ninja is the first of another solid set of Judo sons. The Judo sons have been some of the more popular calving ease options in our past sales.
- This guy is nice skulled, carries a lot of overall volume and is very solid off the ground.
- Dam is a Diamond Mist that is also the dam of the Formula bull that worked so well at Topham's. Another son sold in last year's sale to Paetch Livestock. At 12 years old she has already calved up again with a very nice heifer calf.

MATERNAL BROTHER

- Nevada is a full brother in a black hide to the popular Laredo 55L bull that was a high seller to McMillen Ranching and Canadian Sires a couple years back.
- Very solid bred bull that has the tools to back him with a little extra frame and length, so much depth of rib and muscle shape, and moves like a cat with solid square feet
- **\* Black/Red carrier**

- TER-RON RACHEL 146B
- BLACK WHEEL DRACARYS 178E
- RED WHEEL ANNE 93B
- RED BAR-E-L ANTHEM 46A
- RED BAR-E-L LASSIE 214Z

- Who's That has been a favourite of ours since the day he was born
- His striking look, extra thickness and overall balance, with a very nice angus skull makes him very easy to like and hard to ignore.
- His dam was a very impressive show female for Kasey, first as a yearling heifer, then a two-year-old cow. It would be near impossible to find a Red Angus cow with as much depth, overall capacity and true power as her.
- 59N stands on very good feet with lots of depth of heel and square toes.
- One of the most exciting breeding bulls that we have raised in some time!
- If you are serious about the Red Angus breed, Who's That 59N is one that you will want to check out.
- **Retaining 1/3 semen interest**

The Canadian Angus Foundation functions to preserve and expand the Angus breed for future generations through education, youth development, scientific and market research, and historical preservation and restoration. The Canadian Angus Foundation was incorporated in 1993 and is the charitable arm of the Canadian Angus Association. Donations are tax deductible.

## We are proud to support the Canadian Angus Foundation Future 15 Program

With YOUR help we will continue to further our mission and the breed.

Since 2019 almost \$550,000 has been invested in member education, awards, bursaries and youth scholarships.

\$325,000 invested in Angus research has helped leverage additional grant funding over the last seven years.

\$80,000+ has been invested in history and archives, including the 2019 Canadian Angus history book.

If you are interested in giving back or learning more about this initiative, please contact Belinda Wagner, Canadian Angus Foundation Executive Director at 306-537-1518 or email bwagner@cdnangus.ca. You can also visit the Canadian Angus Foundation website at [www.cdnangus.ca/foundation](http://www.cdnangus.ca/foundation)

 RED SOO LINE POWER EYE 161X  
 TER-RON DIAMOND MIST 24U

- Lineman is a genetic and phenotypical all-star that puts it all together.
- Attractive made, excellent skulled, wide topped, big hiped, dark cherry red hair coat with tons of character and stands on dark, correct feet.
- Dam is a donor cow for us and Six Mile. Her overall fleshing ability, mass and physical presence is second to none.
- We actually showed Lineman along with Misty 131H this past fall and we were crowned Reserve Grand Champion female at Canadian Western Exhibition. Not bad for a five year-old cow!!
- We consider Lineman to be a multipurpose sire that could be used on heifers or cows. He just seems to be getting better every day. Unlimited herd building potential in these genetics.
- **Owned with Six Mile Ranch.**
- **Retaining a 1/3 semen interest.**

- RED TER-RON BRANDY 183Y

- Nordique is a high calibre bull that is deep throughout, with extra dimension and overall substance.
- Dam is one of our favourite Genesis daughters that is the dam to the Latigo bull that was purchased out of our 2024 sale by the good folks at Shiloh Cattle Co. He has sired an impressive group of calves for them.

 BLAIR'S FOREVER LADY 676D

- Niagara is a feature bull that is one of our favourites in the Four Mile sire group.
- Stout, deep, bodied, very hairy, and has a real 'look at me' presence to him.
- Dam is a Renovation daughter out of the 646H donor cow. She is about as deep ribbed as you can make one.
- Full brother sold to John Kimber.
- 108N is one we are very high on

- Nuclear is a bull that will add length, shape, and pounds to your calves.
- This Knifepoint son will be one of the heaviest bulls come sale day and has been running for that title since weaning, posting an actual weaning weight of 925 lbs.
- Dam was purchased out of the Kueber dispersal sale. Level uddered, broody, and good looking type of cow.

- Nacho 113 N is another Four Mile son that many will find in the pen.
- He is stout, good haired, structurally correct, and has ideal Angus characteristics.
- He's proud and struts the pen with ease, just waiting to cover cows.
- His dam is a nice young cow with lots of middle and a nice level udder.
- Full sister to this guy is one of our favourite two-year-olds to calve. If you come for a tour, ask to see her.

# THE HEIFERS

Once again the heifers in the sale are a select group chosen from some of our top cow families. These heifers are sisters to the replacements we have kept ourselves. Just like the bulls... there isn't a heifer in the group that we wouldn't keep to move our own program forward.

We are constantly working on improving our herd, with emphasis on udders and foot quality, along with strong maternal traits. We have seen the mother of every bull we use.

The females have been palpated for reproductive soundness and we guarantee them to be breeders. Like the bulls, we would like to be the first to know if you have a problem. The heifers are also on a complete herd health vaccination program.

# TERMS

## & CONDITIONS

### BIDDING

*Each animal will be sold to the highest bidder. Bidding disputes: The auctioneer will settle any disputes as to bids, and his decision on such matters shall be final.*

### TERMS

*The terms of the sale are cash or cheque. The right of property shall not pass until after settlement is made. All settlements will be made with the clerks of the sale immediately following the conclusion of the sale and before any cattle will be released from the sale facility. Each animal becomes the risk of the purchaser as soon as sold.*

### GUARANTEE

*We guarantee you a sound breeding bull, if he fails to be a satisfactory breeder, we will replace him with a bull of equal value or credit towards the purchase of another bull. No refunds. Bulls are not guaranteed to freeze semen, if you have any problems with your purchase, contact us immediately.*

### INSURANCE

*Will be available sale day. All bulls fed for the month of April are at the purchasers risk and must be insured.*

### LIABILITY

*All persons who attend the sale do so at their own risk. Neither owners, clerks, or anyone connected with the sale assumes any responsibility, legal or otherwise for damage of any kind.*

### ANNOUNCEMENTS

*Changes of information contained in this catalog will be corrected by announcements from the block at sale time and shall take precedence over any printed matter.*

### SEMEN

*Ter-Ron Farms reserves the right to collect semen on any bull sold through this sale for in herd use only. This semen will be collected at the buyers convenience and seller's expense.*

### DELIVERY

*Delivery will commence soon after the sale. Please leave delivery instructions at time of settlement.*

### CERTIFICATE OF REGISTRY:

*A certificate of registry and transfer will be furnished for each animal after full payment has been made.*

### CATTLE INSPECTION

*All cattle carry permanent ID tags corresponding to sale Lot numbers. All shall be available for inspection prior to sale.*

### FEMALES

*All females are guaranteed breeders. The standard CAA guarantee will apply*
