WALSH FARMS

FIRST ANNUAL ONLINE BULL SALE

Welcome

TO THE FIRST ANNUAL

WALSH FARMS ONLINE BULL SALE MARCH 28 & 29, 2026 :: DLMS FARMGATE

On behalf of Walsh Farms, we would like to welcome you to our First Annual Online Bull Sale. This sale represents years of hard work, unprecedented passion, careful breeding decisions, and a commitment to raising cattle that we're proud to stand behind.

Walsh Farms might sound new to the world of cattle marketing, however, we are not new to cattle. What started nearly 100 years ago has grown into a program focused on quality, integrity, and long term relationships. We have invested in some of the most sought after genetics from the most influential programs in Canada. Every bull we offer has been developed with a practical mindset, sound structure, functional performance, and genetics designed to move your program forward.

We believe good cattle start with good foundations, strong maternal lines, udder quality, foot structure, performance where it counts, and the kind of disposition that makes them a pleasure to work with. These bulls have been raised with longevity and real world conditions in mind, because we know they need to go out and work for you.

Most importantly, this sale isn't just about bulls, it's about people. We believe the best people in the world are right here in the cattle industry. We are incredibly grateful for the support of our family, friends, neighbors, and customers who have helped make this sale possible. Whether you've been with us from the beginning or are new to our program, we truly appreciate your confidence and interest.

We stand behind our cattle and look forward to building lasting relationships with each of you. If we can answer any questions about the offering, please don't hesitate to reach out.

We're excited about the future and honored to earn your business.

FROM THE DESK AT T BAR C

With great excitement we invite you all to be involved in this first ever venture here at Walsh Farms. When you think about progressive agriculture outfits, the Walsh family comes to the forefront. The set of cattle they have bred and assembled are as good as anywhere in the country. Their pursue to create the best possible outcome is quite evident once you visit this first class operation. Last fall for the first time ever at The Prime Bred Heifer Sale in Hanover, 20 some Walsh bred heifers were the highest selling commercial bred heifers in the entire country. These cattle just work and look good doing it. The herdsire battery here at Walsh are noteworthy and come from some of the most reputable breeders known in the business. The bull pen on offer are clam natured, bred to last and are the kind that propel your breeding operation. We highly endorse this family and operation so please don't hesitate to contact any of us to help you with your bull buying needs.

RED SIX MILE MS DYNAMO 756J

RED SIX MILE MISS DYNAMO 172C

Sale feature, a favourite all year long. A unique individual who puts style and mass together in a balanced package with an exceptional hair coat and big solid foot. We think the world of the smack talks as they simply work in every scenario. His dam 756J is a perfect uddered coming in hot daughter who has raised 3 consecutive bull calves, one working for the McComb family in Chatsworth and another kept at Walsh farms. Here's a big opportunity to acquire one that we are very high on.

Maternally
 BACKED BY POWERFUL
 SIX MILE DAMS

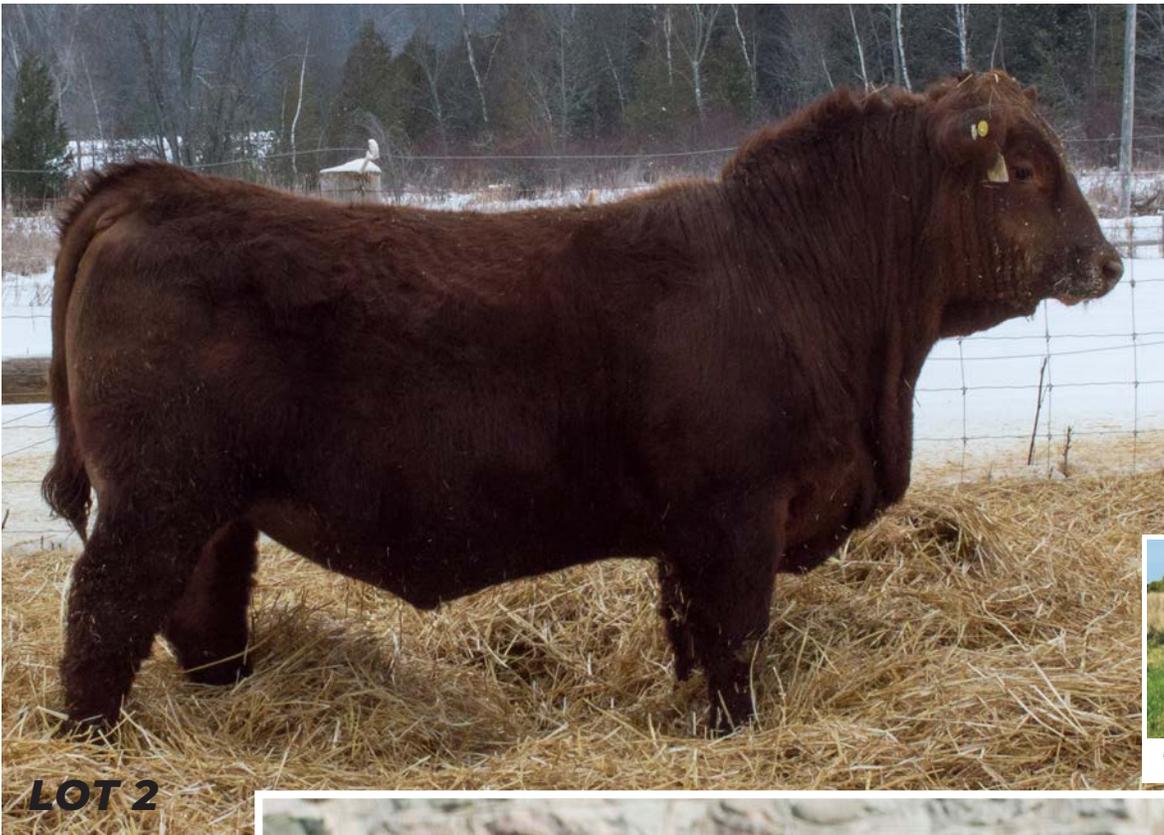

SIRE - Red Six Mile Smack Talk 640H

DAM - Red Six Mile Ms Dynamo 756J

MAT. GRANDSIRE - Red NCJ Coming in Hot 24E

This stud is good and he knows it. Perfect skull, smooth through his shoulder, robust in his rib shape, long bodied and puts all that power to the ground on big feet. His dam 200H is one of the hardest working young cows here. A full sibling to 12N was a feature commercial bred heifer last fall in Hanover that brought \$10,000 to Haddie Simmentals.

FULL SIB - HIGH SELLING BRED \$10,000 to Haddie Simmentals

LOT 2

The puppy dog of the pen. 88N is a maternally powered, sound structured bull that puts "low maintenance" at the forefront when you think of red angus cattle. His dam Ms Lark 12K is a full sibling to the semex sensation Red Six Mile Mossy Oak 175H

 RED TER-RON DIAMOND MIST 26C RED SIX MILE MS LARK 12K
 RED SIX MILE MISS LARK 225E

A pen favourite here, a bull that ticks all the boxes. Calving ease combined with power and performance, this lad is thick and flat out good! We purchased 39K from BENCHMARK RED ANGUS for his eye appeal and carcass traits being in the top 1% of the breed for marbling. Turns out 39K pumps out pure quality, we're excited about the heifers in the replacement pen. His dam is a moderate framed red angus cow that puts her energy into her calves consistently, while maintaining her condition beautifully.

LOT 4

A long bodied son of the Benchmark For Profit 39K bull, he resembles his sire in many ways. Meat in all the right places while displaying eye appeal and athleticism. His young dam 4K is as big and powerful as you like to see them yet structurally sound

LOT 6 - WFX 50N

Erixon Boss 125K was the high selling bull at ERIXON SIMMENTALS in 2023. We fell in love with his overwhelming mass and his dark red colour. Fast forward to 2026 calving season where his first daughters are hitting production and it's everything we hoped for. 50N resembles his sire in many ways with the added bonus of his chrome money stripe. His cow 259H is postal card worthy for Peterborough County. Moderate, dark red, blaze face and not a fault to be found. Bid with confidence here.

50N's picture doesn't do him justice, watch for his sale video on www.BuyAgro.com!

Baldie alert with that blood red hide. His sire, Springcreek Eastwood 60G was purchased in 2020 from SPRING CREEK SIMMENTALS for \$16,000. Multiple daughters sold in the prime bred heifer sale last fall that set records for commercial females in Canada. He has been the definition of calving ease with performance, who also lays down females with drool-worthy udders. 111's dam 88D is a loose hided baldie with a little more frame and a perfect set of feet and a gorgeous udder. Highly marketable, heavy milking daughters is what to expect from 111N

X SIMMENTAL COW 88D

2024 was a big year for bull buying at Walsh Farms, it also led us to the next great adventure of injecting the PRAIRIE COVE CHAROLAIS genetics on some red cows. High dollar calves at the sale barn? It was a no brainer for us. What was intended to be used as just a colour change in our market, turned into the production of calves you just couldn't take your eyes off of. 89N hit the ground at a modest 96 pounds and kept his foot on the gas all summer. Super smooth, chalked full of red meat, we love this guy. Here's an opportunity to hit that buckskin market that pays the bills.

LOT 8

PAT. GRANDSIRE - PCC Bourbon 118J

Arguably the most moderate framed Simmental cow in our herd, we drank a coffee and watched her calve this 104 pounder like it was a walk in the park. 5N marched around the pastures of Walsh farms last summer like he owned the place. Nice skulled, smooth shouldered, lots of length and great feet. Get your big cows bred here and you'll like the paycheque next fall.

SIMMENTAL COW 61H

A real meat-wagon with a moderate 90 pound birthweight. His dam 29J is another big bodied, sound structured daughter from RPCC 201E, a bull we acquired from RIVER POINT CATTLE COMPANY that sure laid down a great generation of Simmental females in our herd.

PAT. GRANDSIRE - SVS Tycoon 841F

LOT 10

How's that brooks and Dunn song go? Heifer bull deluxe, slick pick up trucks.. or something like that. 61N is just that, sleep easy on your heifers and a slick look like his daddy. Red Six Mile Mr. Wick 77L has proven himself as the great heifer bull here, not to mention his decorated show career where he and his pen mates earned the title of reserve champion pen of bulls at NWSS for SIX MILE RANCH.

 RED BURNHAM RIDGE MISTY TOO
 RED BURNHAM RIDGE MISTY 84J

A really cool registered 3/4 Simmental that kinda has us scratching our heads. Baldie sire, Baldie dam, solid red calf. Nonetheless a very good individual. I guess that's just the way the cookie crumbles sometimes. His sire WKF Winchester 2L was purchased in 2024 from WINDY KNOLL FARMS. His blood red colour, perfect blaze, deep soggy body type was everything we were after. Combine Betts and the great Lassie cow family from six mile and you're set up for good things here.

SIRE - WKF Winchester 2L

LOT 12

A nice spread of numbers on this commercial red angus bull. For those who breed red angus you know 94 pounds is still pretty easy calving. His sire LCF Kodiak 104E has been a foundational female maker here for quite some time now. Not to mention when his calves hang up at the meat plant they possess the desired carcass traits with multiple animas grading PRIME.

RED ANGUS COW 195F

The youngest bull in the pen but certainly not the smallest. Picture day was frustrating with this fella as he thought he was auditioning for the PBR. A bull you can scratch at the feed bunk sure didn't enjoy 4 guys impersonating birds in every direction. 128Z cow has truly stood the test of time, and will no doubt go down with GOAT status at Walsh Farms. Countless daughters will carry on her legacy here and multiple bulls have went out to work in the commercial industry here in Ontario.

SIRE - Springcreek Eastwood 60G

LOT 14

Another bull with the spine length that will add pounds on the calf crop. Red Six Mile Hudson 156H was a must own bull out of six miles 46th annual bull sale where he commanded \$30,000. He injects his length of body and a cowmans skull. His daughters are easy fleshing, and put down the most perfect udders with exceptional teat size and placement.

LOT 17 - WFX 13N

Another proud smack talk son that carry's himself very well. Dark red, smooth bodied and fluent in motion. His dam displays a tremendous udder and passes on her cherry red hair coat to every calf.

TERMS & CONDITIONS **TERMS:** The terms of the sale are cash or cheque, payable at par at sale time. The right of property shall not pass until after settlement has been made; unless previous arrangements have been made. Every animal sells to the highest bidder and in cases of disputes, the auctioneer's decision will be final. Announcements from the auction block will take precedence over the printed matter in the catalogue. Current exchange rates will be announced sale day. All monies are in Canadian funds.

CERTIFICATE OF REGISTRATIONS: Each purebred animal will carry papers issued by the appropriate breed association unless otherwise stated. A certificate of registry duly transferred will be furnished to the buyer for each animal after payment has been made. **HEALTH:** All animals in the sale have met all necessary health requirements.

PEDIGREE ESTIMATES: Pedigree Estimates (PE) are created on the projected mating of the animal's sire and dam based on averages of the two, creating estimated values that do not hold the same accuracy of actual EPDs issued from the association and should be used as such.

LIABILITIES: It is understood that T Bar C Cattle Co. (2013) Ltd. is acting only as a medium between buyer and seller and is not responsible for any failure on the part of either party to live up to his obligations. Neither does T Bar C Cattle Co. (2013) Ltd. assume any financial obligations to collect or enforce collection of any monies between parties and any legal action that may in exceptional cases be taken must be between the buyer and the seller. T Bar C Cattle Co. (2013) Ltd. assumes no responsibility for any credit extended by the seller to the buyer. The buyer must look to the seller for fulfillment of all guarantees and representations made hereunder.

DELIVERY: We will assist in arranging transportation wherever possible. Each purchase becomes the risk of the purchaser as soon as sold.

PHONE, MAIL, WIRE BIDS: Bidders unable to participate in the sale may phone, wire or mail their bids and instructions to the sale manager, auctioneer or special representatives. Bids must be received in sufficient time prior to the sale. **INSURANCE:** We strongly recommend that insurance is purchased for full value.

ERRORS: All announcements at sale time, written or oral, supersede any written material in the catalogue.
